2021

Welcome to Summer Programs at MCCC More Than Just Fun!

Featuring...

UNIQUE PROGRAMS

Mercer County Community College provides “one-stop” shopping to fill all of your summer camp needs for children, ages 6-16. Whether you’re looking for a variety of sports, intensive visual and performing arts workshops, traditional camp, half and full-day arts and science programs, or an opportunity for high school students to earn college credit for academic study, look no further. For additional information for any summer youth program turn to page 52.

HOW TO USE THIS CATALOG

- Each program is described in its own section.
- **Required forms for every program are on pages 37-51.**
- Campus Kids programs are listed alphabetically.
- Specialty Camp programs are listed by type, by age group, and by date beginning on page 20.
- A calendar of camp schedules appears on pages 4-7.
- Camper Registration Checklist on page 57.

We look forward to seeing you this summer!

ROSE FIORELLO

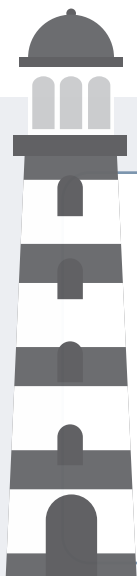

Director

Youth & Special Programs

- See You at the Movies 8/13 F (Ages 6-13) **FUN DAY (pg 18)**

Campus Kids

Four-Week Session I and II

CAMPUS KIDS — SESSION I OR II (AGE 6)

Friendly Froglets program will allow our little ones the opportunity to play constructively, learn the importance of socialization, sharing, allow them to adjust to new environments and become more independent. Campers will follow a daily schedule which will enable them to be active and to enjoy the same great fun as the older campers, but at a more relaxed pace.

CAMPUS KIDS — SESSION I OR II (AGES 7-13)

Camp College offers your child an enriching alternative to the traditional summer day camp. Campers combine study in a variety of stimulating subject areas that emphasize intellectual growth and skills development with the fun of recreational activities. Participants choose up to six different "courses" and most courses meet 55 minutes daily for all four weeks of each session.

WHO IS ELIGIBLE?

All children ages 6-13 on September 30, 2021 are eligible. For one week programs up to age 16, refer to pages 20-36.

WHEN IS IT?

Session I: June 21-July 16

(FOUR weeks; four or five days per week) Monday-Thursday or Monday to Friday.

Session II: July 19-Aug 13

(FOUR weeks; four or five days per week) Monday-Thursday or Monday to Friday.

FRIDAY FUN DAYS

The perfect way for campers to end the week. **Friday Fun Days** are available **ONLY** for those campers who have chosen the Monday-Friday option. See class information on page 16 for Campus Kids.

EARLY BIRD BEFORE-CAMP...SUPERVISED ACTIVITIES FROM 7:15-8AM!

For those who must drop children off prior to 8am, we offer an Early Bird Before-Camp. Children enrolled in this optional program may be dropped off as early as 7:15am. Experienced camp staff will supervise early arrivals. **Daily registrations not permitted.** To register, use the application form on page 49. **NOTE:** Children not enrolled in the Early Bird Before-Camp program may be dropped off as early as 8am.

AFTER-CAMP

Although classes run from 8:30am to 4pm each day, campers may be picked up as late as 6pm. Children enrolled in this optional program may remain on campus after 4pm. They will join Camp College After-Camp supervised activities, including optional recreational swimming. **Daily registrations not permitted.** See page 48 for details.

A \$25 fee, every 15 minutes, will be charged for children who arrive earlier than 7:15am or remain on campus after 6pm.

WHEN DO I REGISTER?

Registration begins March 1. Register early and avoid the disappointment of filled classes.

• HOW DO I REGISTER?

Until further notice all camp applications must be submitted by mail. Mail the appropriate registration form in this brochure, all forms from pages 37-51, and current immunization record **with your full payment**, to the address indicated. (Attn: Camp College, PO Box 17202, Trenton, NJ 08690) **Make checks payable to MCCC.** (Please complete a separate form and check for each child and include the child's name.) **Faxed forms are not accepted.** Call us at (609) 570-3311 for more information.

WHAT IS THE COST?

Session I M-Th \$1100

Session II M-Th \$1150

Session I M-F \$1380

Session II M-F \$1410

If you register two or more children in a family, save 5% on the second child and any additional children.

The tuition fee includes all camp activities and materials unless noted otherwise in individual course descriptions.

Payment in full is due at time of registration. Deadline is two weeks prior to the camp start date. Avoid the \$20 late fee...Register Early! There are additional charges for the Before and After-Camp care programs.

Campers may bring their own lunches or purchase meals and beverages at the College cafeteria.

WHAT IS THE REFUND POLICY?

A \$100 processing fee will be imposed for withdrawal in the Campus Kids four-week program. A one-time \$10 non-refundable continuing studies summer registration fee will be applied to all students.

Refunds will be granted **only** when **written notice** of a camper's withdrawal is received **no later than ten business days before the start of each camp session. NO REFUNDS THEREAFTER.** Telephone withdrawals will not be accepted.

Campus Kids Course Descriptions

Unless otherwise noted, course descriptions are for either age group (7-9) or (10-13)

What activities will be offered?

- Campers choose six different age-appropriate courses per session.
- **Parents should review child's choices, especially to ensure classes are not duplicated in Session I and II. There is a \$20 fee for each requested schedule change.**
- Most courses meet for one 55-minute period daily during each camp session.
- The registration form for your child's age and session lists the courses available to your camper.
- **All classes must be selected from one age group list. Classes from both age groups may not be combined.**
- **NOTE:** We will make every effort to schedule you according to your first choices. We will use alternatives only if others are full or cancelled. The college reserves the right to cancel courses with insufficient enrollment and to limit class size. **Limited space available.**

ADVANCED JUGGLING (AGES 10-13)

Prerequisite: *Juggling for Beginners or equivalent skills.*

Practice, practice, practice!

If you've already taken a juggling class and are ready to move up a level, try Advanced Juggling! Learn 3 ball tricks, juggling 4 balls, rings, clubs, and passing tricks. **Show off your skills in our Camp College Grand Finale!** (1st session)

ANIMAL ART (AGES 7-9)

Create art inspired by animals with drawing, painting, sculptures, and even recycled materials. Learn how to make habitat jar drawings, totem poles, bird cage sculptures, jellyfish watercolor paintings, soda bottle piggy bank sculptures, crazy animal books and more.

ARTISTIC IMPRESSIONS (AGES 10-13)

Create a unique imitation of famous artists using our own style. Using watercolors, campers will paint on canvas and rocks. Campers will recreate art from famous artists like Georgia O'Keeffe, Jackson Pollack and more.

ADVANCED ARCHERY (AGES 10-13)

Prerequisite: *Beginner Archery*

Draw, Aim, Anchor, Fire! This class helps you refine your hand-eye coordination, form and technique. Learn advanced skills to be sure you hit the target every time.

Registration will not be processed without a completed medical form, Camper Code of Conduct, and current immunization record. See pages 45-46.

Look for the New Class Symbol

AVENGER'S ACADEMY (AGES 9-13)

Do you have what it takes to be a superhero? Come celebrate everything Marvel, DC and beyond as we create and assemble our own super gear and personas. Show you have what it takes to be the next *Captain America™*.
(2nd session)

BANDANA BOUTIQUE (AGES 9-13)

Do you like to sew? Would you like to learn? Create pillows, pictures, bags and more using bandanas. Learn how to sew by hand and then decorate your accessories. Keep your creations for yourself or share them with friends and family.

BASIC ART (AGES 7-13)

Have fun learning how to draw by changing 2-D basic shapes into 3-D forms and learn basic color techniques using crayons, pastels and watercolor paint.

BEACH SPORTS (AGES 7-13)

We've combined some popular outdoor activities that everyone seems to enjoy. Join in some friendly competition and play traditional games. In beach volleyball: develop skills for bumping, setting, spiking, and passing. Pass, toss and juggle your way to summer fun with hacky sack. Learn various freestyle throws with a frisbee. You supply the sunscreen and shades and we'll supply the fun!

BEAT THE HEAT BOARD GAMES (AGES 7-13)

Learn a variety of exciting board games that can be played individually or in small-to large-sized groups. Next time you feel a little bored with nothing to do, gather a few friends and let the games begin!
(2nd session)

BEGINNER ARCHERY (AGES 10-13)

Ready, Aim, Fire! Archery is a fun way to exercise your mind as well as your body. In this class you will learn basic techniques to develop good form and coordination.

BROADWAY LOVE (AGES 7-9)

If you love theater, this class is for you! Explore some of the most loved shows both present and past. Sing along with your favorite songs and act out your favorite scenes, but even better- create your own show for our *Camp College Grand Finale*.

BUILD A BUSINESS (AGES 9-13)

This high end class takes the idea of starting or running your own business and using the computer as a key tool. You'll be asked to design logos, letterheads, posters, spreadsheets, a press release, a business slide show and a company website. It's a fun, useful class; one that gives you a chance to be clever and creative. Want to get creative and plan ahead? This class is so for you! (1st session)

BUILD IT, MOVE IT (AGES 7-9)

Calling all our youngest engineers! Join us for some building challenges and creating things that move. We will explore towers and bridges and even have the opportunity to create your own marble coaster. (STEM/STEAM based focus) (1st session)

BUILDING UP BOOT CAMP (AGES 10-13)

Welcome to Campus Kids "kid-friendly" boot camp! We'll be getting into tip-top shape by improving our flexibility, coordination and strength using push-ups, jump training, stretching and weight training to reach our goals! Everyone should come ready to get focused on getting fit! So lace up your sneakers and join us for some fun and exciting fitness workouts!

CAMP CHOIR (AGES 7-9)

Camp Choir provides an exciting opportunity to learn the basic vocal/choral techniques and to perform with confidence. Sing in the choir for your family and friends at our *Grand Finale*. This course is for all campers who enjoy singing!!

CAMP 'ZINE (AGES 10-13)

Hot off the presses, it's *Camp 'Zine*! Whether you like entertainment, sports or news publications there's a place for you at the camp paper. Pick your favorite genre or try out a few; then get out there and investigate! We'll write, type, edit, and format our own creative and investigative stories plus edit a few submissions from other Campus Kids classes. Finally, see your work in print in our camp wide distribution of the *'Zine*.

CARD GAME CRAZE (AGES 7-13)

Do you like playing card games? Then this is the class for you. We will play games like *Go Fish*, *Old Maid*, *Concentration*, *Solitaire*, *War*, *Spit* and more. For those who prefer a little more of a challenge learn how to play more complex games like *Rummy*, *Egyptian Ratscrew*, *President* and more! We will even learn different ways of shuffling and dealing cards! Come on down and be a Card Game Master! (2nd session)

CHEERLEADING (AGES 7-13)

Come one, come all! We've got spirit and we're here to cheer it! Learn the basics of cheerleading and cheer-dance in this fabulous class! Get ready to stretch your muscles and voices to the C-H-E-E-R extreme!

CHEMISTRY WIZARDS (AGES 7-13)

Have you ever wondered how to use everyday household items as ingredients for science experiments? Join us as we learn about different chemical reactions, grow rock candy, make ice cream and learn the science behind your discoveries. *(1st session)*

CLAY AND SCULPTURE (AGES 10-13)

Campers will explore and experiment with a variety of different art materials and techniques to create crafts. We will make our own playdough and slime. Let's get our hands dirty and have fun!

CLAY-TASTIC (AGES 7-9)

Create colorful clay creations using every kind of clay we can find. Learn and use three different basic clay types: oil based, dough and polymer modeling clay. If you can imagine it, we'll create it in this fun and "clay-ful" class.

COCOA CHEFS (AGES 7-13)

Explore your love for chocolate by making delicious chocolate snacks. Here is your opportunity to make pizza, nachos, s'more dip, fruit designs and more using only chocolate! Eat some and take the rest home to share. *Please advise of any food allergies.*

COMIC BOOK CREATIONS (AGES 7-13)

Create your very own comic book with detailed illustrations. Learn how to pencil, ink and color your own comic book panel, draw original comic book characters, and learn the basics of drawing people and animals. *(1st session)*

COMPUTER FUN (AGES 7-9)

Do you enjoy playing pinball, checkers and minesweeper on the computer? Then this is the class for you! Learn in a safe environment how to play a wide variety of cool, exciting and simple games. We will have fun increasing your scores and improving your math skills.

COUNT YOUR STITCHES (AGES 7-9)

Use a needle, yarn, and plastic canvas to create a beautiful treasure box, magnets, game boards and more. Once you learn the basics, take portable craft projects wherever you go. Count your stitches instead of minutes!

CRAFTY KIDS (AGES 7-9)

Enjoy working with your hands? Well you're going to love this hands-on art class where there are plenty of crafty items designed especially for boys and girls! Depending on age and camper interest, we'll explore many different crafty corners. *(1st session)*

CRAFTY QUIZZES WITH KAHOOT (AGES 10-13)

This fun, fast paced class is all interactive. Create fun contests and games to interact with your camping peers. *(2nd session)*

CREATIVE CHOREOGRAPHY (AGES 9-13)

Make music come to life with dance routines choreographed by YOU!! Choose a favorite song and let your creative dance juices flow!! This one-of-a-kind routine will be performed in our *Camp College Grand Finale!*

CREATIVE PERFUMERS (AGES 7-13)

Create your own personal favorite scents including floral, woody and fruity essential oils. If you love organic homemade beauty products such as different types of foot scrubs, lotions, face masks, exfoliates and even bath bombs, then this is the class for you! Perfume-free products are also available in this class.

DANCE, DANCE, DANCE! (AGES 7-13)

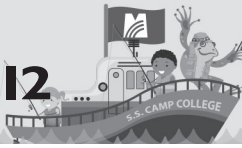

World of Dance, So You Think You Can Dance, America's Best Dance Crew. If you want a class that will teach you how to move to the latest songs, Campus Kids has the class for you! Learn a number of techniques and styles and combine them for an awesome routine performed at our *Grand Finale.*

DISC GOLF/FRISBEE FUN (AGES 9-13)

Campers will design and play their own Disc Golf course on campus. In addition, campers will participate in other fun Frisbee games like *Ultimate Frisbee, Kan Jam, Target and Distance Games.*

DISNEY® DELIGHTS (AGE 7-9)

Be part of the magical world of Disney. All new crafts for 2020-pool trays, banks, switch plates and many more. *(1st session)*

FLAG FOOTBALL (AGES 7-13)

Block, pass, catch, kick and score your way to some summer fun. Take your shot at each position to gear up for the final week of Camp College Super Bowl festivities. Whether you've played before or you are just beginning, our scrimmage games will become a favorite.

FLORAL DESIGN (AGES 9-13)

Everyone loves flowers so let's design and create our own seasonal wreaths and vase arrangements to share with friends and family. Campers will use tools and learn floral processing, floral techniques, meaning of flowers and vase preparation.

FROM TRASH TO TREASURE (AGES 7-9)

Don't trash it, art it! Use found objects and bits of trash to create sculptures and collages. Get a new perspective on art, and "trash!"
(1st session)

FUN WITH FRUIT (AGES 7-13)

Have you ever thought that fruits could be a tasty and healthy treat? You will experience making flavored fruit sorbets, fruit-based ice cream, fruit smoothies and more! Let's learn to use a food dehydrator and try making our very own raisins, apple chips, pineapple snack and more. *Please advise of any food allergies.*

FUN WITH MATH (AGES 7-9)

Join us as we play *Math Bingo*, *Multiplication Bingo*, *Connect 4*, *Skippity*, *Backgammon* and games and puzzles. Improve your basic math skill like counting money, telling time, addition, subtraction, multiplication, division and fractions.

GIRLS' CLUB (AGES 10-13)

Calling all girls! This club is just for you! Participate in many girlie activities including friendship quizzes, nail art, sleepless sleepovers, crafts, jewelry making, and much more. Enjoy giggles and plenty of laughter. Isn't it fabulous being a girl?

GRAPHIC DESIGN ON A DIME (AGES 9-13)

Posters and more are our focus in this combination of art and computers. How about a simple but sophisticated looking website? This class might springboard you to bigger things! (2nd session)

HAPPY LITTLE TREES (AGES 9-13)

Painting Bob Ross style with an upbeat mix of paints, brushes and canvas. Your landscapes await you!
(1st session)

HIP HOP (AGES 7-13)

Enjoy hip hop dancing and listening to hip hop music? This class has both! Practice the current styles seen in music videos from Ne-Yo, Rihanna, Usher and more. Once you learn the moves you'll be ready to perform at the *Camp College Grand Finale*.

INSTRUCTIONAL BEGINNER & ADVANCED SWIM (AGES 6-13)

This course is for campers who want to learn to swim as well as campers who have some basic swimming skills. Each camper will be screened and grouped according to the American Red Cross 6 levels. Non-swimmers will learn to float, glide, move their arms and legs correctly, and use basic strokes. Advanced swimmers will be introduced to basic mechanics of freestyle stroke, elementary backstroke, breast stroke, side stroke, and other appropriate techniques.

INTRODUCTION TO ART & SCULPTURE 3D (AGES 9-13)

Learn about the many ways artists create sculptures utilizing 3-Dimensional Space. Campers will discuss and work with clay, wood, paper, and some other materials to explore the question of what makes something art.

JEDI ACADEMY (AGES 7-9)

Calling all Padawans! The Star Wars™ Universe is in need of your help! Join us for an action-packed adventure with Star Wars-themed crafts and activities. Learn the ways of the Force to defeat the dark powers that remain, and become a true Jedi Knight!

JEWELRY DESIGN (AGES 7-13)

Have you ever wanted to wear a piece of jewelry that you designed specifically for yourself? In this class, we will draw, plan and create unique jewelry inspired by other artists and designed by you. Designs will include wire wrapped rings, beaded rings, necklaces, bracelets and more.

JUGGLING FOR BEGINNERS (AGES 8-13)

Enjoy a hobby that is exciting, relaxing, and fun. Participate in fun games, enhance coordination, dexterity and confidence-learn to juggle! Impress your friends and family, and become part of the entertainment at our **Grand Finale Celebration**.

KOOKY SCIENCE (AGES 7-9)

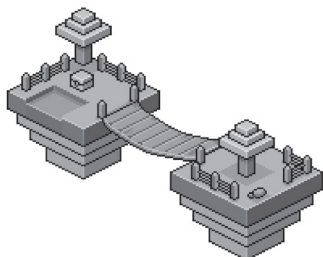

Do you want to be a “*mad scientist*”? Grab your lab coat and goggles so that we can explore light, sound and other kooky concepts in this kid-friendly science lab.

LEGO® MANIA (AGES 7-9)

Think outside the box and express your sense of creativity with Legos. Instead of duplicating an image from a box top, create your own masterpiece. Imagine what you can build with hundreds of tiny pieces of creative construction!

LET'S GO CAMPING (AGES 7-9)

Love the outdoors? Love to go on adventures? Let's take a nature walk together! Learn how to identify different trees, plants, and birds and make your very own nature journal, birdhouse, and camp memory box. You can even make an organic bug spray to keep those little critters away and a DIY pair of binoculars!
(2nd session)

LOST IN SPACE (AGES 7-9)

After 50 years of Human Space Exploration, are we ready to take the next step? Back to the Moon? Mars? The Asteroid Belt? We will blast off to visit and explore the objects in our solar system. Let's go where no human has gone before. Directed discussions based on what we know and what we learn from short videos (produced by NOVA, National Geographic and NASA). Printouts, notes and worksheets will be provided.

MARTIAL ARTS (AGES 7-9)

Do you want to improve your health, stamina and coordination? Then join in and learn Martial Arts. You will learn basic blocks, punches and kicks. Campers will also have fun in various exercise drill activities to sharpen their skills and coordination.

MINECRAFT™ MANIA (AGES 10-13)

Get into this digital sandbox and start building, one block at a time! Create and build houses, cities, and even roller coasters! Travel around other worlds or create your own. Dig, build, and create! *Campers must have a Minecraft account which can be set up at home before the start of camp.*
(2nd session)

MIXED MEDIA ART (AGES 10-13)

Have you ever wanted to make art using paint and markers at the same time? Or maybe collages of different kinds of paper with watercolor paint on top? Students in this class will discover outside-the-box techniques for making wonderful works of art using 2-and-3 dimensional craft supplies to create decorative and unique masterpieces. Time to get those creative juices flowing because anything is possible with mixed media art!

MUSICAL THEATER (AGES 10-13)

Love a Broadway show? A combination of dancing, acting and singing, this class includes learning choreography from your favorite Broadway shows... from *Aida* to *Grease*, *Hamilton* to *Wicked*...and then performing one at our **Grand Finale**.

MY PASSPORT TO THE WORLD (AGES 7-9)

All aboard a magic carpet! Learn about and create all new crafts this summer as we travel the world. Watch our passports fill up with all the memories as we visit Africa, Greece, Italy, France, Russia, China, Australia, Netherlands, Germany, England, Mexico, Caribbean and USA.

POKEMON™ ADVENTURES (AGES 7-9)

Whether you only know about Pikachu, or if you know that Psyduck evolves to Golduck, then this is the class for you. Let's play the games and design our own unique Pokemon characters. We will create our own Pokemon adventures through writing stories, drawings, and reading comic books.

POWER UP! (AGES 7-9)

Become familiar with computers, what they can do, and how you can use them for your schoolwork and hobbies. Try out different kinds of software, games, and computer art. Write and illustrate stories for the **Camp'Zine** and more. **Some basic computer skills required.** (1st session)

Check out our Fun Friday coordinating programs on page 16 for M-F option only.

POWERFUL PRESENTATIONS (AGES 9-13)

Present your class projects this year with confidence. There will be no need to fear when it's time to present. Public speaking techniques and PowerPoint™ pointers will make you a "Powerful Presenter"! Let's learn the ins and outs of creating an effective visual presentation and practice public speaking to ensure you're a hit. (2nd session)

PROJECT VEX (AGES 7-9)

Robots are taking over the planet! Use your imagination to build robots using the newest Lego-Vex™ technology! Plan, build and program a mini-robot to complete a set task each week! (2nd session)

RECESS FUN (AGES 7-9)

Whose favorite subject at school isn't recess? School may be out, but this class is in! It's time for recess with games like *Spud*, *Slam*, *Red Rover*, *No Way Out* and *Dog Chases It's Tail*. Learn some new games and play some that are tried and true! (2nd session)

RECREATIONAL SWIM WATER FUN (AGES 8-13)

Designed for **Advanced Swimmers**. Enjoy a variety of water activities which will include water polo, volleyball, wacky relays, basketball and other popular pool games. **Must be able to swim laps unassisted in the deep end without flotation device.**

ROCK ART (AGES 7-9)

Campers will be working with rocks, twigs, stones, pebbles and other nature items to create all sorts of wonderful crafts. Unleash your creativity and let your imagination run wild! *So, get out of the Stone Age and rock with us!*

SCRAPBOOKING CRAZE (AGES 9-13)

Pictures are worth a thousand words, so why not capture your memories by creating a scrapbook? Learn the techniques of using patterned paper, crazy scissors, and captions to create a professional-looking picture memory book. Bring your favorite pictures to make a memory book to last a lifetime!

SCRATCH FOR TWEENS AND TEENS (AGES 10-13)

Have you seen a little of Scratch at school? Or want to take a peek at some colorful coding concepts? Well, scratch is for you! Join us this summer for some simple drag and drop coding skills! (1st session)

SCRATCH FOR YOUNG CODERS (AGES 7-9)

Join in the fun and learn "drag and drop" coding with your friends. Make illustrated stories, simple games and interactive activities in this class that could lead to bigger things! (1st session)

SET DESIGN (AGES 9-13)

Come behind the scenes and enjoy playing your role as stage crew. Have you ever wanted to learn what it's like behind the scenes on a set for a movie or theater production? Learn how they make special effects happen on the screen. Based on the performance, the class will also design and construct scenery, props and costumes for our **Grand Finale Shows**.

SKILL TOYS AND CIRCUS FUN

(AGES 8-13)

Students will learn the basics of the *Spinning plate*, *Devil Sticks*, *POI* and *Kendama*. Classes will consist of a brief instruction, fun concentration and coordination games. (1st session)

SLIME TIME (AGES 7-13)

Slime is the craze. How many different ways do you know how to create slime, silly putty and playdough? Make a new version almost every day. Bring your need for ooze and goo to this slimy lab space. (2nd session)

SOCCER (AGES 7-13)

Come learn the basic skills of soccer for all ages. Learn the fundamentals like positions and types of passing, kicking and shooting. Play soccer and other soccer-related games. Participate in a fun, teamwork, and sportsmanship-related game.

SPORTS AND GAMES (AGES 7-13)

In addition to the specialized sports classes (Soccer, Flag Football, etc.) Sports and Games will give campers an opportunity to participate in a wide variety of Sports and Games such as: *Whiffle Ball*, *Capture the Flag*, *Dodgeball*, *Ultimate Frisbee* and other camp favorites.

STEM CHALLENGES (AGES 7-9)

Become an engineer through a variety of building challenges. Build mini-aircraft and a bridge to float and cross a body of water. Then we will have fun building a catapult to send items flying through the air. Bring your ideas and best teamwork skills. (1st session)

SUMMER MATH CHALLENGE (AGES 7-13)

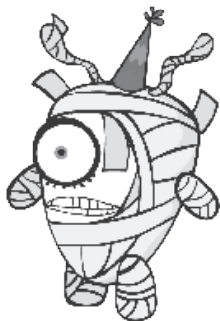

Let's get those summer math packets completed so you can sit back and enjoy the lazy, hazy days of summer! Work on your summer assignments and reinforce your critical thinking skills to prepare you for the fall. Within the student's abilities, campers will work on problems using addition, subtraction, multiplication, division with whole numbers, decimals and fractions. If your child does not receive a math packet, an age-appropriate packet will be provided. We will reward our mathematicians with a Grand Finale ice cream party.

SUMMER READING: A Tasty Challenge (AGES 7-13)

Why not tackle your school's assigned summer reading and bring your books to camp. Take some quiet time to read and write book reports if your school requires them. Read books from the camp library. We'll reward all of our summer readers with treats and a Grand Finale ice cream party. So, read, relax, and enjoy! Are you up for our tasty little brain freeze challenge?

TAPE IT! (AGES 10-13)

It's going to be a little sticky but this class will definitely enhance your creativity! Using duct tape of many colors and patterns campers will create pillows, picture frames, phone stands and many more crafts.

THE SORCERER SCHOOL (AGES 9-13)

Dive into the magical world of Harry Potter™. Campers will be sorted into houses and earn house points in various classes, including Herbology and Potions. Hop on your broom and bring to life the exciting game of Quidditch! You may even get to try some of Headmaster Dumbledore's favorite candies.
(2nd session)

UNIVERSAL®/DISNEY® DRAWING (AGES 10-13)

Learn to create your own favorite character step by step from Universal and Disney and fill your portfolio with all your drawings.
(1st session)

WATERCOLOR PAINTING (AGES 7-13)

Come and create some large watercolor paintings out in the great outdoors! We will be working with large paper, making abstractions, portraits and landscapes of our own campus. Anything goes with our freestyle watercolor fun, so let's get our creative juices flowing in the summer sun!

WONDROUS WORLD OF WITCHES & WIZARDS (AGES 10-13)

Delve into the world of witches and wizards through J.K. Rowling's Harry Potter series. Illustrate beasts and mystical creatures, and design your own wand for casting spells! Bring to life the exciting world of Harry Potter by your art!
(1st session)

WOODWORKING (AGES 7-13)

Do you want to make things with your hands and enjoy doing it? In this class you will learn how to use basic woodworking tools. Projects will consist of building a birdhouse, tool box, and much more! Campers will use their measurement skills and imaginations!

WRITING AND ILLUSTRATING (AGES 7-9)

Design your own book art. Campers will write and illustrate their own picture books. Just like professional authors they will create outlines, rough drafts, and revised manuscripts with original artwork to accompany it. Our creations will be published and bound to share with family and friends.

YOGA FUN! (AGES 10-13)

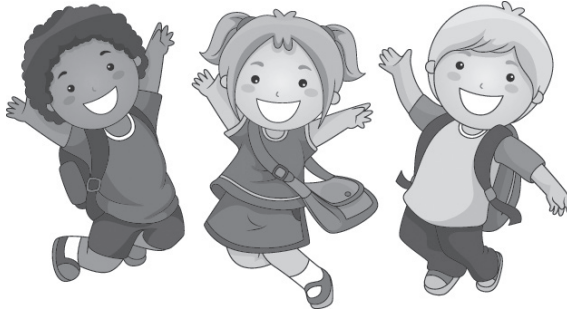

Students will explore introductory yoga techniques to gain an extra edge on the field or court and in the classroom. Students will learn beginner yoga postures to gain bodily awareness and improve balance and endurance. In addition, through breathing exercises and fun drills and games, students will be introduced to concentration strategies that can aid their focus and mindfulness in school and at home.

YOUNG AUTHORS (AGES 10-13)

Become an author! Write your own novel, short story, play, or even a collection of poetry. Work each day on writing and typing your book while adding illustrations along the way. Make a memory that family and friends will enjoy reading.
(2nd session)

Friday Fun Days

Monday-Friday Option Only Four-Week Campus Kids

Designed especially for campers who are taking advantage of our **NEW** Campus Kids Monday-Friday program! Fridays have been planned around themes and activities that combine good old-fashioned fun. **Most programs have time for swimming.**

**Transportation is provided for all off-campus trips.*

***NOT an option for campers in Campus Kids Monday-Thursday program.*

BOWLING BALLS AND TEN PINS (AGES 6-13)

Join us for some fun as we target our aim on those ten wooden pins at the end of a long lane. Like our baseball buddies, the favorite word in this “ten pin” sport is STRIKE! Learn the basic rules of the game, the important game lingo, and bowling etiquette. Then, get ready to take aim at those wooden opponents as we play a few games. *Don't forget to bring your swimsuit to relax those “new” muscles with a cool dip in our pool.* **Transportation will be provided.**

NCFD-CC006-01 F July 16 8:30am-4pm

CHEMICAL CURIOSITIES (AGES 6-9)

Mix up potions and experiment with all kinds of chemical reactions! Combine chemicals to create exothermic reactions, examine our non-Newtonian fluid, make your own sidewalk chalk and crystal gardens. *After our “chemists” mix up their potions, they will continue the fun with a cool dip in our pool so please pack a swimsuit and towel!*

NCFD-CC067-01 F July 2 8:30am-4pm

CHOCOLATE CREATIONS! (AGES 6-13)

Get imaginative and bring your own chocolate creation to life! You will make a sweet treat for every season. How about a clown fish and an ice cream cone for summer time fun? For the fall season create a spooky spider and a cup of dirt with worms! An edible snowman and a shiny reindeer nose for a sweet winter. Design flower gumdrops and robin egg brownies for the spring-time! You will design a cookbook, so later on you can make all these delicious recipes for your family and friends. Bon appetit!

NCFD-CC058-01 F June 25 8:30am-4pm

(Ages 6-9 preferred)

NCFD-CC058-02 F July 23 8:30am-4pm

(Ages 8-13 preferred)

NCFD-CC058-03 F Aug 6 8:30am-4pm

(Ages 8-13 preferred)

DISNEY™ CREATIONS (AGES 6-9)

Campers will have a fun-filled Disney experience starting by making Disney ears and a bracelet. Then we will have fun creating a holiday Mickey ornament and winter with an Olaf™ wreath and more. Campers will design their own Disney canvas bag to take their creations home. At the end of our experience, we will enjoy an ice-cream sundae.

NCFD-CC064-01 F Aug 6 8:30am-4pm

DOLPHIN WATCH ADVENTURE (AGES 7-13)

This is your ticket to the adventure of a lifetime! This trip is perfect for kids of all ages! On your trip you could see leaping, frolicking dolphins as we head into the open ocean in search of marine life. A highly educational commentary provided by an onboard marine naturalist ensures your trip will indeed be one to remember. *Atlantic City Cruises Dolphin Watching Adventure* aboard “*Cruisn 1*” has been featured by mainstream media outlets including *The New York Times*, *The Philadelphia Inquirer*, *The Atlantic City Press* and *New Jersey Outdoors*. This cruise has grown to be a most celebrated adventure experienced by oceanographers and mammal lovers from coast to coast. You'll never know how many there are, or how many you'll see - that's part of the adventure! ***Transportation will be provided.***

NCFFD-CC059-01 F June 25 8:30am-4pm

DOWN ON THE FARM (AGES 6-13)

Summer is a feast of color and beauty down on the farm! We'll discover the pleasure of picking sweet corn and a garden crop as we tour *Johnson's Corner Farm* on covered wagons. Then it's off to feed the animals and our campers with their “you packed it picnic lunch”. There is still more to discover at the Discovery Barnyard where pedal carts, rope structures and mazes, bouncing bridge, imagination stations, and fun awaits. Start the pot boiling, we're bringing home corn for dinner and a garden crop for dessert! ***Pack a lunch, bring a swimsuit and towel for additional fun in our pool!***

Transportation will be provided.

NCFFD-CC027-01 F Aug 6 8:30am-4pm

MINIATURE GOLF (AGES 6-13)

Not quite ready to challenge Tiger Woods on the golf course? That's ok. We're not quite ready either, but we're heading out to *Snipes Farm and Golf* to strut our swing and we need you to be part of our foursome. Come and enjoy this “par-fect” day. Pick up an iron and dazzle us with your coordination skills. ***Don't forget to bring your swimsuit so you can dive into some additional summer fun with a cool dip in our pool. Transportation will be provided.***

NCFFD-CC010-01 F Aug 13 8:30am-4pm

MOSAIC MASTERPIECE (AGES 10-13)

Learn how to create a cool mosaic project in the shape of an animal. We'll have several to choose from so everyone will find something they like. First, we will paint our animals and then we will decorate them with colorful glass pieces. ***Don't forget to bring your swimsuit and towel for a swim in our shimmery indoor pool.***

NCFFD-CC054-01 F Aug 6 8:30am-4pm

OCEANS ROCK: SHARK AND SEA-LIFE ADVENTURE (AGES 6-13)

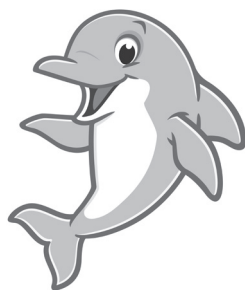

Join us for a fascinating and fun exploration of our Oceans and take home a giant collection of cool fossils & seashells – Join us for an incredible interactive, multi-media show with a Museum-quality exhibit of awesome life-size creatures like sharks, stingrays, crabs, coral, sponges, sea stars and more, as the backdrop. “Pet a Stingray” without getting stung or “Touch A Shark” without getting bitten (taxidermy specimens that is!). See and touch up-close a variety of cool specimens (Note: no living creatures on display). Learn about the critical importance of our Oceans and how to protect this incredible natural resource. Hands-on fun! Excavate fossils and seashells during a dig, go on a seashell hunt, make and wear home a REAL fossil shark tooth necklace. ***After this amazing adventure, campers will take a refreshing dip in our blue ocean pool, so bring a swimsuit and towel!***

NCFFD-CC060-01 F July 16 8:30am-4pm

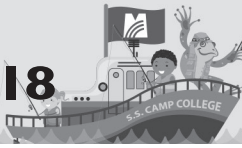

PAINT YOUR OWN POTTERY! (AGES 6-9)

You Pick! You Paint It! Campers will have the opportunity to paint a piece of pottery using one of many painting techniques to bring their creations to life. Each camper will create 2-3 pieces, depending on the pottery available, using techniques such as tape, stencils, bubbles, shaving cream and more. ***Color Me Mine will bring the pieces back to their studio to be fired in a kiln and will be returned to the camper within seven days. Continue the fun by swimming in our pool, so bring a swimsuit and towel with you!***

NCFFD-CC061-01 F June 25 8:30am-4pm

IMPORTANT: Optional Early Bird and After-Camp programs provide supervised activities from 7:15-8:15am and from 4-6pm. See page 48 for details.

PUMP IT UP (AGES 6-13)

Note: Release Liability Form available on website required with registration.

Enjoy play areas and giant inflatables that help spark a child's imagination at **Pump it Up** in Hamilton. The play areas are filled with massive inflatables and other games and attractions that offer endless opportunities for kids of all ages to explore and imagine. *Bring your swimsuit and towel for an invigorating dip in our pool.*

Transportation and pizza lunch provided.

NCFFD-CC030-01 F July 2 8:30am-4pm

ROCK CLIMBING ADVENTURE (AGES 9-13)

Note: Release Liability Form available on website required with registration. If you're up to the challenge we're thinking big, off the ground fun. Join us for a great opportunity to explore a new passion. Kids are natural climbers with plenty of energy, and we're going to give you a chance to scale new heights. We'll start the day with outdoor activities to get you all limbered up. Then, it's off to **Rockville Climbing Center** for your interactive climbing experience. No previous skills are required, but safety rules will be strictly enforced. Unleash that energy and go for the fun and thrill of it all! **Transportation will be provided.**

NCFFD-CC013-01 F July 16 8:30am-4pm

SAFARI ADVENTURE! (AGES 6-9)

Do you love zebras, giraffes and tigers? Then this one is for you! Using some special tricks that make drawing easy we'll create a large board art painting of a Safari Scene including lots of wild-life. *After a walk on the wild side campers will take a refreshing dip in our pool, so please bring a swimsuit and towel.*

NCFFD-CC056-01 F July 23 8:30am-4pm

SEE YOU AT THE MOVIES (AGES 6-13)

Sit back and enjoy the newest screen attraction with a group of camp friends. Depending upon age-appropriate summer attractions, we'll spend the morning at **a local movie theater**. *Participants may want to bring money for the concession stand. The afternoon will be spent relaxing and swimming in our pool, so please be sure to bring your swimsuit and towel!*

Transportation and pizza lunch provided.

NCFFD-CC015-02 F Aug 13 8:30am-4pm

SLIME TIME FUN DAY (AGES 6-13)

You think you can make slime, but are you a **"Slime Master"**??? Prepare to get elbow deep in ooey gooey fun as you spend the day learning how to make different slime creations! You will create amazing string slime, color changing slime, chalkboard paint slime, glow in the dark slime, along with more traditional slimes such as fluffy and butter slime, and even edible slime!! Please bring a smock to protect your clothing from all the ooey gooey **Slime Time** fun!! *After this amazing morning, campers will take a dip in our very own slime tub (pool)-so please bring a swimsuit and towel!*

NCFFD-CC055-01 F June 25 8:30am-4pm

(Ages 10-13 preferred)

NCFFD-CC055-02 F July 23 8:30am-4pm

(Ages 10-13 preferred)

NCFFD-CC055-03 F July 30 8:30am-4pm

(Ages 6-9 preferred)

STEP BY STEP ARTISTIC IMPRESSIONS (AGES 10-13)

Campers will paint on canvas, complete two sketches, and one watercolor drawing. Campers will take home all of their wonderful masterpieces in an art portfolio to share with friends and families.

NCFFD-CC065-01 F July 30 8:30am-4pm

on page 43.

SUMMER POOL PARTY (AGES 6-13)

We're pulling out all the stops to make this the splashiest summer camp ever. Join us at Mercer County Park for a day of fun and games, an old-fashioned barbeque, and cool water fun. Get wet behind the ears with our water balloon toss and water relays. End the day with a big splash in our pool. It's big enough for everyone, so the more the merrier. School's out and we're ready to jump into some great summer fun, so pump up the music and let's get that party started! *Please pack your swimsuit and towel.* Transportation will be provided.

NCFFD-CC018-01 F July 9 8:30am-4pm

NCFFD-CC018-02 F July 30 8:30am-4pm

THE FUNPLEX AMUSEMENT PARK (AGES 6-13)

The Funplex Amusement Park located in Mount Laurel, NJ is an award-winning entertainment center for summer fun! This amusement park has more than 25 acres of entertainment. There is something fun for everyone at *The FunPlex Amusement Park!* **Transportation will be provided.**

NCFFD-CC062-01 F July 23 8:30am-4pm

WIZARDLY ART (AGES 6-13)

Calling all wizards, muggles and half-bloods—let's create an art project just for you! We will be painting a canvas themed for all wizard lovers! *After creating our wizardly piece of art, all witches and wizards will take a refreshing dip in our pool, so bring a swimsuit and towel.*

NCFFD-CC057-02 F July 2 8:30am-4pm

(Ages 10-13 preferred)

NCFFD-CC057-01 F July 9 8:30am-4pm

(Ages 6-9 preferred)

ZIP LINING AERIAL ADVENTURE (AGES 8-13)

Note: Liability Release Form available on website required with registration. If you are looking for an exhilarating experience, join us at *Hellerick's Family Farm Aerial Adventure Park.* Campers will soar through the air while zip lining or walk across suspended sky bridges for an added thrill. Your experience includes 9 zip lines, crossing 21 elements/bridges, and a free fall leap off the 30-foot central tower. Campers will go through a detailed safety training before tackling the fun obstacles. They will also wear a full body harness and helmet before being attached to the most advanced continuous belay system in the industry. *After challenging yourself both mentally and physically, you will be able to take a relaxing swim in our pool, so please bring a swimsuit and towel. Transportation will be provided.*

NCFFD-CC063-01 F July 9 8:30am-4pm

DECISIONS! DECISIONS!

With so many program choices available, use the helpful Camp Calendar Week-at-a-Glance on pages 4-7.

Specialty Camps

Academic Prep, Counselor in Training

2021 Summer Workshops

THE PROGRAM

The College's Specialty Camp workshops provide a combination of intellectually challenging and stimulating hands-on summer opportunities for motivated students who are interested in a wide variety of fields. Each of these unique programs has been designed to enable young people to meet and share the excitement of studies in academic fields not ordinarily encountered in elementary and middle school curriculum.

For the convenience of working parents, Before and After camp is available. **Although classes meet from 8:30am to 4pm each day, campers may be dropped off as early as 7:15am and picked up as late as 6pm.** Children who arrive early or remain on campus after 4pm must register for *Before Camp/After-Camp* supervised activities, including optional recreational swimming from 4:00-5:15pm. See page 48 for details. Unless otherwise noted, all off-campus site visits and all materials and supplies are included. Campers may bring their own lunches or purchase meals and beverages at the College cafeteria.

ELIGIBILITY CRITERIA

All off-campus programs include transportation.

Supervised lunch and recess at no additional cost if registered for A.M. & P.M. classes within the same week.

**New Camper
Registration Begins
March 1st**
**Avoid disappointment
of filled classes.
Register early!**

DECISIONS! DECISIONS!

With so many program choices available, use the helpful Camp Calendar Week-at-a-Glance on pages 4-7.

Students who are within the age range specified for each program and who meet the general eligibility criteria may apply. Additional prerequisites for each program are indicated in the workshop descriptions on the following pages.

HOW TO APPLY

To apply for one or more of these workshops, complete the application form on page 43 of this brochure and mail it together with supporting documents and **full payment**. **Registration deadline is two weeks prior to the camp start date. Avoid the \$20 late fee...register early.** No registrations will be accepted after 12pm the Thursday prior to the start of each four-week camp session or camp course.

REFUND POLICY

Participants are eligible for refunds only if the parent or guardian notifies Registration of a student's withdrawal **at least 10 business days prior to the first day of the workshop.** **NO REFUNDS THEREAFTER. TELEPHONE WITHDRAWALS WILL NOT BE ACCEPTED.** A \$10 one-time non-refundable Continuing Studies summer registration fee will be applied to all students. A **\$20 processing fee will be imposed for withdrawal or change of any schedule.** In the event of unforeseen circumstances, including closures related to weather, no refunds or make-ups will be issued.

LIMITED SPACE

Only a limited number of spaces are available in each workshop. Applicants will be accepted and registered on a first-come, first-served basis according to the date their completed applications are received, including required documentation. **Applications will be accepted until all spaces are filled.**

If a qualified camper cannot be accommodated because all spaces have been filled, his or her name will be entered on a waiting list.

**Look for the
New Class Symbol**

Apply early to ensure a space for your child!

Academic Prep For Grades 7-10

ALGEBRA PREP (GRADES 8-9)

Areas of study will include: expressions and equations, solving linear equations and inequalities as well as graphing solution sets, analyzing functions by observing patterns in equations, graphs, and tables, and solving systems of equations. Quadratic functions will be studied as well as their real world applications. Additional topics covered are factoring and polynomials. Graphing calculator is strongly recommended.

Tuition & fees: \$575.

NCENR-CC001-01 **July 19-Aug 12**
M-Th **8:30-11:30am**

CREATIVE WRITING (GRADES 7-8)

This course is designed to provide a variety of creative options for middle school students: poetry, short story, personal narratives, plays, and magazine articles. Learn the steps that will take you through all the phases of the writing process from pre-writing through publishing. Participants should expect additional related assignments outside of the classroom to finish drafts, revisions, etc. The course will culminate with each student's creation of a writing portfolio, a showcase of final writing pieces and reflections upon the creative process.

Tuition & fees: \$550.

NCENR-CC002-01 **July 19-Aug 12**
M-Th **1-4pm**

ENGLISH PREP (GRADES 7-8)

Participants will read at least three young adult fiction novels. Study will include analyzing text, vocabulary development, and improving writing skills. Class time will include 30 minutes each session for students to work independently or seek individualized assistance from the instructor. Participants should expect vocabulary assignments outside of the classroom. As a culminating activity, each student will create a "reader's companion" project of written responses and analyses of a favorite novel.

Tuition & fees: \$550.

NCENR-CC003-02 **July 19-Aug 12**
M-Th **8:30-11:30am**

GEOMETRY PREP (GRADES 8-10)

Emphasis will be placed on vocabulary, logical thinking, and completeness of formal geometric proofs. Students will investigate, make conjectures, and form conclusions. The focus of this enrichment program will include deductive reasoning, line and angle relationships, triangles, and congruency, parallelism, proving polygons congruent and similar, right triangle properties, circles, area and volume, and introduction to trigonometry. We will reinforce skills such as how to construct knowledge through logical reasoning, problem solving, and communication.

Tuition & fees: \$575.

NCENR-CC004-01 **July 19-Aug 12**
M-Th **1-4pm**

PRE-ALGEBRA (GRADES 7-8)

The purpose of this course is two-fold: first, assist students who find mathematics to be an "obstacle course" by developing necessary skills to succeed, and secondly, challenge those students who wish to deepen their analytical and logical abilities. Topics include: evaluating numerical and algebraic expressions, building and solving a variety of equations, solving and applying proportions, applying properties and operations to integers and rational numbers, and exploring perimeter and area of plane figure as well as surface area and volume of three-dimensional figures. Graphing calculator is strongly recommended.

Tuition & fees: \$575.

NCENR-CC005-01 **July 19-Aug 12**
M-Th **8:30-11:30am**

SEA CAMP: MARINE BIOLOGY & ECOLOGY (AGES 10-15)

Full Day

Camp College's most popular off-campus program returns for its 24th year! Campers will have the unique opportunity of working with an experienced environmental instructor in the outdoor "laboratory" of Sandy Hook and its surrounding waters. The week promises to be memorable, fun and full of hands-on experiences such as:

- Swimming in a life-guarded ocean each day
- Searching for cretaceous era fossils in Monmouth streams
- Studying habitats available to coastal marine life
- Assessing the value of marshes and survey population densities
- Learning how food goes from ocean to table
- Investigating barrier beach botany
- Examining the physical and geological features of water, waves, and beaches
- Combing the beach for shells and artifacts
- Learning the historical significance of Sandy Hook, Fort Hancock, and the Twin Lights.

Campers must bring lunch and snacks, bathing suits, sun block, beach towels, sneakers, rain gear and a hat. Tuition & fees: \$599. ***Includes transportation and free optional before & after care.***

Visit www.mccc.edu/campcollege to view trip information.

8am-5:30pm

NCREC-CC002-02

August 2-6

8am-5:30pm

ECOVENTURE (AGES 11-16)

Full Day

Do you love the outdoors and want to learn more about the environment? If so, this rugged camp is a must for your summer! Experience the very ecosystems of New Jersey alongside a knowledgeable instructor. This action-packed and educational week will include the following adventures and hands-on activities:

- Deep sea fishing
- Tubing down the Delaware River
- Nature hikes and swimming
- Hunting for fossils at Ramanessin Park
- Hike and survey Sandy Hook and cool down with an ocean swim
- Proper fire building and pocket knife use and safety
- Assembling a wilderness survival kit from household items

Campers must bring lunch and snacks, bathing suits, sun block, beach towels, sneakers, rain gear and a hat. ***Visit www.mccc.edu/campcollege to view trip itineraries and supply list.*** Tuition & fees: \$525.

Aug 9-13

8:30am-4pm

Arts, Crafts & More

"A" IS FOR ARTIST (AGES 9-14)

We are so excited about this week of camp! Campers will take inspirations from some famous artists. Create a *Keith Haring* style clay figure that is in motion. Paint a *Yayoi Kusama* style flower painting on pottery. Explore patterns like *Owen Jones* and create one of your own. We will also create an *Andy Warhol* style pop art on canvas this week and other projects that explore contemporary artists. Tuition & fees: \$185.

NCART-CC071-01 Aug 2-6 1-4pm
That Pottery Place

ADVANCED CHESS (AGES 9-14)

So you know how to move the pieces and you understand checkmate. This isn't just another one of those board games. No chess game ever repeats itself, which means you create more and more new ideas each game. Every game you are the general of an army and you alone decide the destiny of your soldiers. You can sacrifice them, trade them, pin them, fork them, lose them, defend them, or order them to break through any barriers and surround the enemy king. Learn new advanced chess tactics, strategies, openings and tips. Tuition & fees: \$165.

NCENR-CC007-01 July 26-30 1-4pm

ARTIST'S PASSPORT (AGES 6-14)

Embark on an around-the-world cultural adventure! Explore far-off places and learn about the people who live there, from the Americas to Polynesia, from the cosmopolitan to the countryside. Experiment with Crayola® products, while trying art techniques developed by local artists and artisans. Make different masterpieces each week such as drums, masks, canvases, prints, buses and more! Bring the unique creations home and build a globally-inspired art gallery. Tuition & fees: \$185.

NCART-CC060-01 June 21-25 1-4pm
(Ages 6-10 preferred)

NCART-CC060-02 July 6-9* 1-4pm
(Ages 9-14 preferred)

(Ages 6-10 preferred)

NCART-CC060-03 Aug 9-13 1-4pm
(Ages 6-10 preferred)

*No class July 5. Tuition & fees: \$148
Imagine Arts Academy

**Art Classes
bring a smock or
wear old clothing**

DIGITAL PHOTOGRAPHY (AGES 9-14)

Campers will be introduced to the basics of digital photography by learning the techniques behind portrait, landscape and wildlife photography. In addition to camera functions and lite editing, hands-on experience will enhance camper's creativity and eye for photography.

Campers must bring a small digital camera.

Tuition & fees: \$175.

NCENR-CC009-01 July 26-30 8:30-11:30am

DIY MOSAIC TABLETOP (AGES 9-14)

Who doesn't love painting ceramics? And what could be better than learning a ton of different painting styles and then creating your very own ceramic table? We will be working on a variety of ceramic and mosaic techniques as we create this awesome side table. We will use specialty painting techniques and work on creating a theme that brings all pieces into a coordinated finished piece. Tiles will be fired in a kiln before we assemble and grout our table. These steps make this a very functional piece of art. **Tables' dimensions are 21.75" square, 17.75" high, perfect as an end table or nightstand.**

Tuition & fees: \$195.

NCART-CC056-01 June 21-25 8:30-11:30am

NCART-CC056-02 July 19-23 8:30-11:30am
Magic Glass Art

EXPRESS YOURSELF-MAKE ART! (AGES 6-10)

Express yourself with EMOJIs – every project we do will have emojis involved. Board art, canvas, ceramics and more! Don't miss out on the fun!

Tuition & fees: \$148.

NCART-CC061-01 July 6-9* 1-4pm

**No class July 5.*

Magic Glass Art

GLASS FUSING & POTTERY KEEPSAKES (AGES 6-14)

This workshop is a great creative outlet for boys and girls of all ages. Using colored glass pieces, glass dots, glass frit (sprinkles) and glass noodles, we will create unique and colorful projects.

Different techniques will be explored and several pieces including sun catchers, a night light and a mug will be created. All projects will be fired in a kiln overnight by the instructor.

Tuition & fees: \$185.

NCART-CC005-01 July 6-9* 8:30-11:30am

(Ages 6-10 preferred)

**No class July 5. Tuition & fees: \$148*

NCART-CC005-02 July 12-16 8:30-11:30am

(Ages 9-14 preferred)

Magic Glass Art

HOOKEED ON CHESS (AGES 7-13)

Chess, chess and more chess! It's an art, a science and a sport– and we're ready to turn it into the event of the summer. Come and join us for a little one-on-one "fitness training" and most of all, have fun. Learn the basics of tournament rules, using a chess clock, learn how to write chess notations, and then let the fun begin. Children will be grouped according to skill level. Checkmate!

Tuition & fees: \$165.

NCENR-CC012-01 July 19-23 8:30-11:30am

JOIN THE CIRCUS! (AGES 6-10)

Lions and Tigers and Bears OH MY! Let's explore circus life under the big tent. Learn to draw and create a bunch of projects, all with a circus theme. With lots of painting and drawing, we'll design brightly colored circus-themed art using a multitude of mediums.

Tuition & fees: \$185.

NCART-CC063-01 Aug 9-13 8:30-11:30am

Magic Glass Art

MYTHICAL CREATURES-MAKE ART! (AGES 6-10)

Unicorns, Dragons, Mermaids and other mythical creatures! Let your imagination run free with all of the possibilities! Try your hand at decoupage, wood art, canvas painting and more.

Tuition & fees: \$185.

NCART-CC065-01 June 28-July 2 1-4pm

NCART-CC065-02 July 26-30 8:30-11:30am

Magic Glass Art

PAINTING PALOOZA (AGES 6-14)

This course is designed to introduce students to the basic concepts of painting and drawing. Learn ways of using different techniques, acrylic and watercolor, plus learn and experiment with pastels. Students study color theory and main principles of color mixing – transparency and opacity value, intensity, saturation, contrast and hue. With this knowledge, they can begin to mix colors intuitively again. Students study different styles, from realism to abstract and other contemporary art. They will learn about these styles and create and experiment with different approaches. To combine realism and abstraction is to get greater content in artwork. Students are encouraged to develop their own "voice" through art classes. Students learn the fundamentals of art by learning to look at the world around them and how to see lines, dots, circles, and geometry of nature. Tuition & fees: \$175.

NCART-CC092-01 July 12-16 1-4pm

(Ages 6-10 preferred)

NCART-CC092-02 Aug 2-6 8:30-11:30am

(Ages 9-14 preferred)

SCULPTING WITH CLAY (AGES 6-14)

Students will learn how to create 3-dimensional sculpture by using different sculpting mediums and experiment with many of them including pottery modeling clay and polymer clay, by simple geometric forms students create complex interesting designs. Sculptures can be painted different colors when they're finished. This time students will learn how to paint 3D shape and what is different in that way. Get disconnected from digital world and connect to our hands and mind. Clay sculpture process involves both hands getting dirty and it is a joyful activity.

Tuition & fees: \$175.

NCART-CC093-01 June 21-25 8:30-11:30am

(Ages 6-10 preferred)

NCART-CC093-02 June 28-July 2 8:30-11:30am

(Ages 9-14 preferred)

NCART-CC093-03 July 19-23 1-4pm

(Ages 6-10 preferred)

THE GREAT OUTDOORS! (AGES 9-14)

Join us in creating art from the great outdoors! Use leaves and small twigs to create fun impressions in clay. Campers will paint pottery with an outdoor theme and paint a forest scene on canvas. We will create a lot of art using mixed media such as paper, foam cloth and found objects. Fun art projects also include creating a newspaper painted owl or dog.
Tuition & fees: \$185.

NCART-CC070-01 July 26-30 8:30-11:30am
That Pottery Place

UNDERWATER ADVENTURES (AGES 6-10)

Explore the magical world that lives in our oceans. Learn to draw and create multiple art projects of our friends under the sea. Dolphins, sharks, octopus, clown fish and more! This is a great opportunity to expose young artists to a variety of mediums. Tuition & fees: \$185.

NCART-CC067-01 June 28-July 2 8:30-11:30am
NCART-CC067-02 July 26-30 1-4pm

eSPORTS APPRENTICE-YOUTUBE® STREAMERS AND GAMERS (AGES 7-14)

Whether you want to be the next pro-gamer, streamer, or gamecaster this course will teach you the basics to get started! No longer just a hobby, eSports is the fastest-growing career for the next generation. Over 400 million people watched YouTube videos and Twitch streams of video game competitions this year alone! In this course, students will develop game-play skills and compete using Black Rocket's eSports games and apps, learn how to produce commentary for live tournaments, use professional streaming software, and most importantly practice online safety. *Student recordings will be available on a password-protected website to share with friends and family. Videos will not be broadcast publicly but will be shared with all students in the class.*

Tuition & fees: \$159.

NCTEC-CC040-01 July 6-9* 8:30-11:30am

(Ages 10-14 preferred)

NCTEC-CC040-02 July 6-9* 1-4pm

(Ages 7-10 preferred)

**No class July 5.*

Black Rocket Productions

JAVASCRIPT DEVELOPER JAM (AGES 10-14)

Learn programming tools so powerful they seem like magic! Start off by learning an array of core programming concepts with JavaScript by experimenting in a series of digital challenges. Start with programming your first animated memes, then tackle more advanced skills such as interactive 3D experiences and game creation.

Projects will be available on a password-protected Black Rocket website to share with friends and family. Tuition & fees: \$198.

NCTEC-CC047-01 Aug 9-13 8:30-11:30am

Black Rocket Productions

MAKE YOUR FIRST VIDEO GAME (AGES 7-14)

If you love playing video games, this is the camp for you! Make your first video game in this one-of-a-kind class that shows you the keys to designing your first 2-D plat-former game. Conceptualization, play experience, level, design graphics, sounds, and simple coding are just some of the concepts that we'll explore. No prior experience necessary, just a desire to have fun. *Student-created games will be available on a password-protected Black Rocket website to share with friends and family. Games are only compatible on PC computers. Mac versions can be created after the program for a \$15.00 conversion fee.* Tuition & fees: \$198.

NCTEC-CC008-01 June 21-25 8:30-11:30am

(Ages 7-10 preferred)

NCTEC-CC008-02 June 21-25 1-4pm

(Ages 10-14 preferred)

Black Rocket Productions

MINECRAFT® MODDERS (AGES 7-14)

Customize your own Minecraft world and mod the classic game in this one of a kind class. Learn scripting and logic statements as you create your first mods. Students will create a wide variety of new elements, gameplay mechanics, and world generating mods to change the way you play Minecraft. Projects will be available on a password protected Black Rocket website to share with friends and family. **Students must own a Java version of Minecraft to take this class.** Tablet, phone, and game console versions of Minecraft are not compatible.

Tuition & fees: \$198.

NCTEC-CC011-01 July 26-30 8:30-11:30am

(Ages 10-14 preferred)

NCTEC-CC011-02 July 26-30 1-4pm

(Ages 7-10 preferred)

Black Rocket Productions

MINECRAFT® REDSTONE ENGINEERS (AGES 7-14)

Take the next step beyond simply “playing” Minecraft and become a true Redstone engineer. Expand your Redstone knowledge by constructing your own carnival with a variety of mini-games, roller coasters, and attractions powered by Redstone. Learn how to use Command and Structure blocks to incorporate them into your builds. Activate your skills and take your Minecraft structures to the next level!

Students must own a Java version of Minecraft to access their projects at home. Tablet, phone, and game console versions of Minecraft are not compatible. Tuition & fees: \$198.

NCTEC-CC048-01 July 12-16 8:30-11:30am
(Ages 7-10 preferred)

NCTEC-CC048-02 July 12-16 1-4pm
(Ages 10-14 preferred)

Black Rocket Productions

PYTHON PROGRAMMERS (AGES 8-14)

Want to learn the world's fastest-growing programming language favored by Google, NASA, Youtube®, and the CIA? Learn how to code with Python to create engaging apps and games. Each lesson takes you step-by-step on a programming path that will let you challenge friends with fun content you create from start to finish! Tuition & fees: \$208.

NCTEC-CC036-01 Aug 2-6 8:30-11:30am
(Ages 8-11 preferred)

NCTEC-CC036-02 Aug 2-6 1-4pm
(Ages 11-14 preferred)

Black Rocket Productions

ROBLOX® CODERS & ENTREPRENEURS! (AGES 7-14)

Discover how to code in the Lua language while playing and designing worlds in ROBLOX®, an online universe where you can create anything you dream of. This class combines game design concepts, coding, and fun! Young entrepreneurs will also learn how to navigate ROBLOX's fast-growing marketplace to publish their games.

Student-created games will be available on a password-protected Black Rocket website to share with friends and family.

Tuition & fees: \$208.

NCTEC-CC037-01 June 28-July 2 8:30-11:30am
(Ages 7-10 preferred)

NCTEC-CC037-02 June 28-July 2 1-4pm

Black Rocket Productions

ROBLOX® MAKERS (AGES 7-14)

Unlock the power of ROBLOX Studio, the world creation tool used by real world ROBLOX developers! Learn how to build 3D models and create an adventure in your ROBLOX world. Bring characters to life with unique animations you design. *Student-created games will be available on a password-protected Black Rocket website to share with friends and family.*

Tuition & fees: \$198.

NCTEC-CC041-01 July 26-30 8:30-11:30am
(Ages 7-10 preferred)

NCTEC-CC041-02 July 26-30 1-4pm
(Ages 10-14 preferred)

Black Rocket Productions

ROCKET KART RACERS: DESIGN A MARIO KART® STYLE GAME (AGES 7-14)

On your marks, get set, create! Blast off in making your first 3D Mario Kart® and Crash Team Racing® style game! Design your own tracks and customize your karts and characters. Using a professional 3D game development software, students will combine their creations into their own kart racing game that they can play with friends and family at home. Students can participate in eSports League races against other schools across the country with a chance to have their tracks featured in the Black Rocket master build of the game! *Student projects will be available on a password-protected Black Rocket website to share with friends and family.*

Tuition & fees: \$198.

NCTEC-CC049-01 July 12-16 8:30-11:30am
(Ages 10-14 preferred)

NCTEC-CC049-02 July 12-16 1-4pm
(Ages 7-10 preferred)

Black Rocket Productions

VIDEO GAME ANIMATION (AGES 7-10)

Take your game design skills to the next level by creating and animating your own character sprites, objects, and backgrounds. Start with a name, develop the character's personality, signature moves, special powers, and a story line. Finish with a fully animated character to be used in your very own game. *Students do not need any prior experience in game design, animation, or sketching. Student-created games will be available on a password-protected website to share with friends and family. Games are only compatible on PC computers; Mac versions can be created after the program for a \$15.00 conversion fee.* Tuition & fees: \$198.

NCTEC-CC031-01 Aug 9-13 1-4pm
Black Rocket Productions

VIRTUAL REALITY: THE FUTURE IS NOW!

(AGES 7-14)

Embark on an EPIC adventure in virtual reality! In this cutting edge class, you will learn the foundations of VR design by creating your own *virtual* worlds, exploring simulated environments, and crafting memorable 3D experiences. At the end of the week, take home your first cardboard VR headset to show friends and family the new worlds you created. VR projects can be viewed on a website or a mobile device. ***Students do not need a mobile device to take the class, but to use the VR headset at home a camper will need access to an Android or Apple mobile device.***

Tuition & fees: \$217 (\$198 + \$19 for VR headset).

NCTEC-CC027-01 July 19-23 8:30-11:30am

(Ages 7-10 preferred)

NCTEC-CC027-02 July 19-23 1-4pm

Enrichment Camps

FOR BOYS AND GIRLS AGES 6-16

COUNSELOR IN TRAINING (AGES 15-16)

Requirement: Applicant must be entering 10th or 11th grade. A Counselor in Training, or CIT, plays an important role in Camp College's summer program. The program is designed to teach valuable leadership skills which will help prepare you for the future. You will learn important life lessons on respect, responsibility, caring and honesty. As a CIT you will assist the Camp College staff with all activities, classes and events. You will be placed in a leadership position to serve as a role model for campers. Along with the application and reference letters, we may conduct interviews with each prospective CIT. **Visit www.mccc.edu/campcollege to download an application.** Tuition & fees: \$625.
NCENR-CC008-01 July 6-Aug 13 8am-4:30pm
**No camp July 5.*

INTRO TO FILM & TV: ACTING AND BEHIND THE SCENES (AGES 9-15)

Campers will work as cast and crew teams in this cool camp. They will learn basic levels of acting, directing, voice-over, operating the camera and working on green screen. Scriptwriting, storyboarding and improvisation will also be introduced. Each day is different as they create projects as commercials, film scenes, music videos and public service announcements. A huge benefit of this camp is increasing memory, reading skills and confidence. They will truly learn the basics of the biz.....*Included in this camp is a professionally edited flash drive for lifetime keepsake. (Please allow up to 3 months for editing).* Casting Director, Kathy Wickline, CSA holds over 10,000 casting credits in film, commercials and TV. Tuition & fees: \$399.
NCENR-CC010-01 Aug 2-6 8:30am-4pm
Wickline Casting

MY OP'TEA'MUM LIFESTYLE CAMP (AGES 6-II)

Children have fun learning how to love and respect their bodies and take care of it by making better choices and habits to improve their overall health. Enjoy creating delicious & healthy plant-based snacks like: wraps, salads, fruit sundaes, smoothies, fruit-infused water, almond milk, almond butter and more. Enjoy fun exercises, learn social and dining skills, healthy games and create a personalized "Healthy Lifestyle Vision Board". Only Non-GMO, Organic and Whole Foods will be provided. **Advice of any food or nut allergies.** Tuition & fees: \$195.
NCENR-CC028-01 July 12-16 1-4pm
Taking Tea in Style

POP STAR SINGING (AGES 6-10)

If your child enjoys singing and performing, then this is the class for your up-and-coming superstar! Not only will your child have a blast singing and performing their favorite karaoke songs, but we will also provide silly dress ups and props so your child can perform and look like their favorite pop star. On the final day of camp, all performances will be video-recorded and made available online for you to view and enjoy. While having fun, students will also learn basic vocal warm-ups and performance tips that will help build their confidence. Students will also play singing games similar to lip-sync competition and *Name That Tune*. This is a super-fun class! *Some dress ups and props are provided; however, campers are welcome to bring their own favorite costumes as well!*
Tuition & fees: \$185.
NCENR-CC026-01 July 19-23 8:30-11:30am
East Coast Recording

SINGING & MUSIC RECORDING (AGES 10-15)

This one-of-a-kind camp designed by a GRAMMY award winning music producer and two-time Parent's Choice Award winner offers campers an actual recording studio experience by introducing them to the amazing world of the music industry. Campers will have a blast developing their skills in songwriting, music recording, voice-overs and audio equipment operation. Work interchangeably as talent and/or crew, behind the scenes or behind the microphone. Learn vocal warm-up routines, perform voice-overs and tv/radio announcements, and sing karaoke to favorite songs. The best part is they will have the unique opportunity to create their very own song from start to finish and record it live! *Campers will receive one professionally edited audio CD that contains all of their camp recordings for the week.*
Tuition & fees \$399.
NCENR-CC015-01 July 26-30 8:30am-4pm
East Coast Recording

Science Camp

FOR BOYS AND GIRLS AGES 6-14

AMUSEMENT PARK PHYSICS (AGES 9-13)

Ever wonder how they design and build those crazy rollercoasters and other amusement park rides? Join us and learn about friction, gravity, momentum, velocity, and other effects of force and motion as they relate to theme park rides. We'll design, construct, and test loop-the-loops, marble catchers, ball machines, Ferris wheels, swinging amusement rides, and more. This is the way to experiment and build as you learn physics concepts in a fun and activity-based atmosphere! Tuition & fees: \$185.

NCSCI-CC008-01 July 12-16 1-4pm
Super Science Programs for Kids

BATTLE-BOTS & ROBOTIC FUN (AGES 6-13)

Have fun building and creating using your imagination. Campers will construct a wide range of robot projects throughout the week. Projects will include constructing a Battle-Bot from our huge Robotix™ modular collection, participating in our robot tug-o' war, Olympic competition, soccer match, and more. Campers will learn engineering principles in a fun, hands-on atmosphere. *This camp focuses on building modular robots from your imagination. Coding is not a focus in this class. All campers will take home a Hexbug robot.* Tuition & fees: \$185.

NCSCI-CC009-01 June 28-July 2 1-4pm
(Ages 6-10 preferred)

NCSCI-CC009-02 July 26-30 1-4pm
(Ages 9-13 preferred)

NCSCI-CC009-03 Aug 2-6 1-4pm
(Ages 6-10 preferred)
Super Science for Kids

CHEMICAL WIZARDRY (AGES 6-10)

Get ready for a fun-filled "magical" laboratory experience *Harry Potter™* style. Enjoy making *Flubber*, *Silly Putty*, *Super Hi-Bounce balls*, and more. Have fun making light inside of a glow bottle, a mushroom monster, play dough, *Glowing Goo*, and even a tie-dye style shirt. We will create atomic worm polymers and lava lamp-like blobs. We will also demonstrate the *Big Bang Cannon*, *diet Coke and Mentos Geyser*, *Magic Genie in the bottle*, and more. Learning concepts include atoms and bonding, physical and chemical changes, acids/bases, and more. *All campers will take home projects made in class, a mini-chemistry kit & recipe booklet. Please bring a 100% white cotton T- shirt to the second class.* Tuition & fees: \$185.

NCSCI-CC010-01 July 12-16 8:30-11:30am

NCSCI-CC010-02 July 26-30 1-4pm

NCSCI-CC010-03 Aug 9-13 1-4pm

Super Science for Kids

DRONES & FLYING PHYSICS (AGES 9-13)

Take to the skies with mini drones, quadcopters, and more! Housing a thrilling, hands-on aerial robotics platform, this camp is the perfect introduction to the world of unmanned aerial vehicles (UAVs). In this camp, safety is a priority as students learn to fly in first-person view (FPV), exploring the real-world applications of drones. Students go through Droneology, the online drone education platform, master basic piloting skills, construct an obstacle course to fly through and stage a final race to showcase their cumulative knowledge. Putting critical thinking to the test, campers will brainstorm ways drones could be used for good, sketching out their ideas for new and innovative drones and drone uses. Campers will also experiment with paper planes, flying gadgets, rockets, balloon cars, and much more. *All students will take home their own mini-drone balloon car and flying gadgets made in class.*

Tuition & fees: \$185.

NCSCI-CC046-01 July 6-9* 1-4pm

NCSCI-CC046-02 Aug 9-13 8:30-11:30am

**No class July 5. Tuition & fees: \$148.*

Super Science for Kids

Counselor in Training See Page 31

GEAR & PULLEY EXPLORATIONS (AGES 6-10)

Gear up for some amazing science fun! What happens when gears are connected? Do they rotate together, at the same speed, or in the same direction? Does it even matter how they touch each other? Discover these answers, and more, with this class. Build, tinker, and create amazing gadgets. Conquer different levels of challenges and have fun learning! Projects include gear and pulley driven cars, a wind turbine, hydraulic claw-projects that YOU invent. Campers will use tools to measure, cut, sand, and experiment with and also use household materials, plastic gears, wheels, K'nex kits, Legos, Robotix and more for their projects. *All campers take home a mini wind turbine and robotic hand contraption made in class.* Tuition & fees: \$185.

NCSCI-CC053-01 June 28-July 2 8:30-11:30am

NCSCI-CC053-02 July 19-23 8:30-11:30am

Super Science for Kids

JUNIOR PHYSICIANS' ACADEMY (AGES 9-13)

In this weeklong camp, children will have hands-on fun as they learn about scientific equipment that is near and dear to them- the human body! Campers will explore the science behind cells, organs, muscles, and bones as they navigate through the systems that make up our astonishing anatomy. Microslide viewers will aid in catching a glimpse of the tiny cellular machines that our bodies need to function. Interactive experiments will develop a further understanding of our organ systems, including our nervous, respiratory, circulatory, and digestive systems. Children will construct model cells, make "Mad Mucus", build stethoscopes and lung models, and work together to assemble a model skeleton for an entertaining and educational week of camp! *Is there a Doctor in the House?*

Tuition & fees: \$185.

NCSCI-CC055-01 June 28-July 2 8:30-11:30am

Mad Science

GRAVITRAX SCIENCE (AGES 9-13)

With the *GraviTrax* interactive track system, campers can design and build their own marble runs and experiment with gravity, magnetism and kinetics to propel their marble to the finish. With a variety of tiles, levels, tracks and elements, campers can control the speed of the marble and complexity of the contraption. The open-ended building concept offers endless possibilities to design a unique track. Campers can add flair and speed to their tracks with the volcano, the lifter, tip tube, trampoline, and more expansion action accessories. Experience the power of gravity with this epic marble-run program.

Tuition & fees: \$148.

NCSCI-CC054-01 July 6-9* 8:30-11:30am

**No class July 5.*

Super Science for Kids

LEGO® WeDo ROBOTICS (AGES 6-10)

Students will build Lego ® models featuring working motors and sensors, program their models on laptop computers, and participate in new unique WeDo challenges. Students will develop their skills in Science, Technology, Engineering, and Mathematics. Students will use simple drag and drop software and a lap top computer to actually learn how to program robots made from Legos®. This program makes elementary science come to life through hands-on tasks, real-world projects, and relevant technology that engages students. This year features some of the more unique projects offered by the First Lego League as an added bonus! All campers will take home a non-motorized Lego Technic model. Tuition & fees: \$185

NCSCI-CC007-02 July 26-30 8:30-11:30am

Super Science for Kids

INTRODUCTION TO LEGO EV3 ROBOTICS (AGES 9-13)

Have fun building, designing, and programming robots with Lego Mindstorms. Build robot projects and creations that use working sensors and motors. LEGO MINDSTORMS combines the unlimited versatility of the LEGO building system with an intelligent microcomputer brick and intuitive drag-and-drop programming software. No prior robotic or programming experience is necessary for this introductory course. *All students will take home a Hexbug robot as part of this program.*

Tuition & fees: \$185.

NCSCI-CC049-01 July 12-16 8:30-11:30am

Super Science for Kids

MAD MACHINES AND ROCKIN' ROCKETS (AGES 6-10)

Mini Mad Scientists will delve into a multitude of scientific subjects as they learn about the Earth and its animal inhabitants, simple machines, rocketry, flight, and chemical reactions - there's something for everyone! Investigate the layers of the Earth, build and race a car, construct a rocket, create animal tracks, build a bug house, and grow your very own crystal gardens to take home! There's so much in store - it's simply Sensational! *Blast Off to Fun!* Tuition & fees: \$185.

NCSCI-CC017-01 Aug 2-6

8:30-11:30am

Mad Science

MINI-ROBOTICS: SPHERO, OZOBOT & BRISTLEBOTS (AGES 6-13)

Have fun experimenting with mini-robots! Coding, robotics, art, STEAM, and computer science will come alive with tiny, programmable mini-robots. Learn to use *Sphero* mini app drive in different modes, program with *Javascript*, or use as a controller to play games. With *Ozobot*, there is no end to the possibilities, as you create a different landscape of adventures, play games and color code with markers and “*Ozoblocky*,” a coding language powered by *Google’s Blockly* program. *Have fun using toothbrush motor and vibration technology to build and take home your own “Bristlebot”!* Tuition & fees: \$185.

NCSCI-CC056-01 June 21-25 1-4pm
(Ages 9-13 preferred)

Super Science for Kids

NASA: JOURNEY INTO OUTER SPACE (AGES 9-13)

Mad Science has teamed up with NASA in a quest for exploration! We’ll take a voyage of discovery into the atmosphere and beyond as we explore planets, moons, and other space phenomena in our solar system. Things will heat up as we examine the sun and other stars and discover the difficulties of space travel! Kids will get a firsthand experience of the challenges of living in space as they try to assemble a satellite while training to be an astronaut. Kids will love to build their own Mad Science rocket, and participate in a real “NASA” style rocket launch. Campers will have lots of projects to make and many cool NASA take-homes, including a gravity assisted launcher, a Shuttle Copter, and more! Mad Science is the ONLY organization licensed by NASA to use these activities for Summer Camps. *This Camp is Out of this World.* Tuition & fees: \$185.

NCSCI-CC051-01 Aug 9-13 1-4pm
Mad Science

SECRET AGENT LAB: FUNKY FORENSICS (AGES 9-13)

Focus on the science of forensics in this hands-on look at crime scenes. Identify and collect evidence, from fingerprints to tracks to trash! Recreate the scene of a crime using clues and detailed observations. Campers will use science to connect the dots and help sniff out the suspects in this hands-on investigation into the science of sleuthing. Tuition & fees: \$185.

NCSCI-CC057-01 Aug 2-6 1-4pm
Mad Science

SECRET AGENT LAB: SPIES LIKE US (AGES 9-13)

Step into the shoes of a detective—uncover the science involved in evidence gathering and analysis. Become a super sleuth and learn clever ways of performing tasks in this hands-on view of the science that spies use. From decoding messages to metal detectors and night vision, campers will have the opportunity to check out spy equipment, and discover the technological tools of detection! Tuition & fees: \$185.

NCSCI-CC024-01 June 28-July 2 1-4pm
Mad Science

STEM SPORTS (AGES 9-13)

This program will explore the science, technology, engineering and mathematics related to popular sports. Students will incorporate their love of sports with lessons related to force, momentum, energy, and a wealth of other topics. Through a popular project-based curriculum, students will learn how to shoot and aim a basketball or kick a soccer ball, while also discovering the science behind each move. Students will work with basketball, football, soccer, volleyball, and more. Additionally, students will have fun designing and inventing their own Q-Tip archery shooter, baseball or gymnastics safety equipment, indoor simulated luge track and more. Tuition & fees: \$185.

SUPER SCIENCE MAKE & TAKE (AGES 6-10)

Discover the excitement of science and make a variety of toys designed to illustrate science concepts that make learning fun. Most of the projects can be taken home as they are made throughout the week. Make your own working telescope as you learn about optics and light. Construct an electro-magnet and a working electric motor. Build an adjustable, ball-launching catapult that changes the trajectory of a flinging projectile. Create a working model of *Hero of Alexandria's* fountain or a vortex tornado in a bottle. Make ultra-violet bead bracelets, a working compass, submarine divers, and more. Projects will vary by age level and instructions will be taught in more depth for older students. Tuition & fees: \$185.

NCSCI-CC020-01 July 6-9* 1-4pm

NCSCI-CC020-02 July 19-23 1-4pm

No class July 5. Tuition & fees: \$148.

Super Science for Kids

SUPER SCIENCE STEM CHALLENGES (AGES 6-13)

In this engineering camp, you will have fun integrating Science, Technology, Engineering, and Mathematics by building and designing a wide range of gadgets, inventive machines, towers, crazy contraptions, and more. Projects included are the *Great Tower Challenge*, the *Standing Cup Pyramid Challenge*, *scratch coding challenges*, *Wooden Coaster Challenge*, *Structural Engineering Challenge*, *Magnificent Marble Machine*, and a host of other fun contests designed to bring out the engineer in you!

Campers will take home several of the projects built in class. Tuition & fees: \$185.

Recreational Camps

FISHING CAMP (AGES 10-14)

FULL DAY

Note: Release Liability Form available on website required with registration. Discover fishing in our state's lakes, streams, ponds, and a piece of the Atlantic Ocean. Learn successful techniques and clever tricks that will help you catch the big ones! Set off on a different adventure and location each day. Depending upon the weather, your destinations will include the *Pequest Trout Hatchery* and a half-day saltwater boat excursion off of the Atlantic Highlands. Bring a fishing rod, reel and tackle box. Tuition & fees: \$450. **(Includes transportation)**

NCREC-CC004-01 July 6-9* 8:30am-4pm

NCREC-CC004-02 July 26-30 8:30am-4pm

*No class July 5. Tuition & fees: \$360.

Visit www.mccc.edu/campcollege for trip information in Spring 2021.

ROCK CLIMBING CAMP (AGES 9-14)

FULL DAY

Note: Release Liability Form available on website required with registration.

Develop a new passion for fun at *Rockville Climbing Center*. Learn to climb in a safe, fun environment. Climbers will be assigned a belay partner, someone to handle the safety ropes while climbing. No previous skills are required, but safety rules will be strictly enforced. On the final day of camp, participants will enjoy time at the pool to unwind and relax any tired muscles. Unleash that energy and go for the fun and thrill of it all! Tuition & fees: \$410.

(Includes transportation)

NCREC-CC006-01 July 12-16 8:30am-4pm

JUNIOR GOLF CAMP (AGES 9-14)

FULL DAY

This unique learning opportunity, under the direction of certified teaching professionals, is designed to help junior golfers become better players. This FUN-filled camp, utilizing every part of our fabulous facility at *Springfield Golf Center* in Mt. Holly, NJ is open to players of all skill and experience levels. It offers an exciting and educational curriculum that will make your game more successful and enjoyable. *Campers may bring their own equipment or use ours!* Visit mccc.edu/campcollege for full itinerary.

Tuition & fees: \$425.

(Includes lunch and transportation)

NCREC-CC007-01 July 12-16 8:30am-4pm

JUNIOR GOLF CAMP (AGES 7-14)

HALF DAY

This low intensity camp is a "great" introduction to golf with lots of exciting activities. It is open to players of all skill levels. The seamless curriculum focuses on the FUN-damentals, providing a strong base for the newer player. All aspects of the game will be covered. This camp that utilizes all areas of the *Springfield Golf Center* in Mt. Holly, NJ is always a big hit! *Campers may bring their own equipment or use ours!* Tuition & fees: \$230.

(Includes transportation)

NCREC-CC007-02 July 12-16 8:30am-12:30pm

SEA CAMP: MARINE BIOLOGY & ECOLOGY (AGES 10-15)

FULL DAY

See page 22 for course description.

NCREC-CC002-01 July 19-23 8am-5:30pm

2021 Campus Kids Course Selections (Age 6)

CAMPER'S NAME _____

“Friendly Froglets” Program

Our 6-year old program is designed to specifically meet the needs of our youngest campers. Their day will be similar to that of the school year day allowing the teachers more freedom in their lessons. Under constant, careful supervision of experienced and certified instructors and our trained camp counselors, our Friendly Froglets will be encouraged to participate in a wide range of multi-cultural activities, arts and crafts, outdoor sports, reading, science, math and many other organized activities. The limited number of campers in each group allows the teachers to give much needed individualized attention to each child.

This program allows our little ones the opportunity to play constructively, learn the importance of socialization, sharing and cooperation and becoming more independent. Campers will follow a daily schedule which will enable them to be active and to enjoy the same great fun as the older campers, but at a more relaxed pace.

Beginner Swim is an option for our 6-yr-olds. **IT IS NOT INCLUDED IN THE FRIENDLY FROGLET'S PROGRAM – YOU MUST PLACE A CHECK IN THE BOX IF YOUR CHILD IS INTERESTED.** Instructional swim lessons will run for 45 minutes from 12:15 to 1pm. Please select the box if you would like your child to participate. Please remember to have your child bring a towel and swimsuit.

CAMP COLLEGE 2021 CAMPER CODE OF CONDUCT AGREEMENT

Please Review Our Camp Mission and Code of Behavior on Page 53

Camper Name (please print) _____

I will always have the opportunity to meet with the Camp Administrator/Director to tell my side of any incident that is being reported to the camp office.

1. I will remain with my camp program or trip at all times and will not leave without a camp administrator's permission. I will move about the corridors in a quiet and orderly fashion.
2. I will not bring expensive jewelry, electronic games, cellphones, trading cards, dolls or comics to camp. MCCC will not be responsible for lost or stolen items.
3. I will respect camp property, off-site facilities, and all bus transportation and rules. I will not chew gum at camp. If I willfully destroy property or equipment, monetary reimbursement will be required.
4. I will obey fire drill safety and never pull or play with a fire alarm.
5. I will respect personal property of campers and staff and not take anything that doesn't belong to me.
6. I will be a good camp friend and not fight or instigate a fight. I will not hurt anyone with unkind words or actions. Any object that may hurt or place another person in fear of his/her safety may be considered a weapon and is cause for serious disciplinary action that could include immediate expulsion from camp. The camp director will investigate and resolve any safety issue immediately.
7. I will show respect for everyone and only use appropriate language and gestures at camp.
8. I will obey Internet safety rules as instructed by my teacher. Failure to obey Internet safety may include immediate expulsion from camp.
9. I understand that MCCC has a zero tolerance for bullying of any kind.
10. If I am dismissed from class for misconduct, **no refunds will be given.**

* Please explain (attach extra pages if necessary.)

According to state law, all campers must be immunized or submit a statement from a physician that immunization is in progress.** **IMPORTANT: ATTACH A CURRENT COPY OF IMMUNIZATION RECORD FROM DOCTOR'S OFFICE.**

If an emergency illness or injury occurs, I (parent/guardian) hereby authorize Mercer County Community College to treat and/or send this person to a physician or hospital and authorize the necessary treatment. I also authorize the physician or hospital to release my child after treatment to a representative of Mercer County Community College. My child's medical insurance carrier is _____.

I authorize MCCC to share pertinent health information with camp staff as needed to safeguard my child's health. My hospital of choice is _____. All information on this form is complete, true and accurate to the best of my knowledge.

SIGNATURE OF PARENT/GUARDIAN _____ DATE _____

**NOTE

1. If there is a religious exemption to immunization of a child, a written statement must be submitted and signed stating that the child is in good health, that you (the parent) will assume full responsibility for his/her health while in camp, and that immunization interferes with the free exercise of the campers' religious rights.
2. If immunization is contraindicated for medical reasons, the parent or guardian shall submit to the camp a written statement signed by a licensed physician, indicating both the reason and length of the medical contraindication.

A COMPLETED COPY OF THIS FORM MUST BE SUBMITTED WITH EACH CAMP APPLICATION

Release

In case of emergency, accident or serious illness to the camper named on this card in which medical treatment is required, I (parent/guardian) request Camp College to contact me. If the camp is unable to reach me, my signature below authorizes MCCC to exercise their judgment in contacting the physician indicated below and to follow his/her instructions. If this physician is unavailable, MCCC may make whatever arrangements are necessary or transport the camper to a hospital emergency room.

In addition, I give permission for the above registered camper to be photographed/videotaped during this camp season by a representative of Mercer County Community College. I understand that the photographs/videotapes will be used by Mercer County Community College for the purpose of promoting the college's programs and services, and that no compensation will be offered to the child or family.

IMPORTANT NOTE: Please notify MCCC immediately concerning changes to any information listed on this form.

Before-Camp Care

If you would like your child to participate in an extended day program that allows you to bring your camper to MCCC as early as 7:15am, you should enroll your child in MCCC's "Early Bird BEFORE-CAMP" program. Early Bird participants may purchase breakfast in the Campus Eatery and will participate in supervised activities on campus during the weeks and days listed below. Experienced camp staff will ensure your child's safety and prompt check-in at their regularly scheduled camp programs. You may enroll for any or all of the weeks in which your child is attending camp. **To register see pg. 49. DAILY REGISTRATIONS NOT PERMITTED.**

CAMP WEEK	SECTION	DAYS	COST
6/21-7/16 (4 weeks)	NCBFC-CC001-01	M-F*	\$118
6/21-7/15 (4 weeks)	NCBFC-CC001-02	M-Th*	\$93

Please select and number (1, 2, 3) **three** favorite activities your child would most enjoy participating in **each** week he/she is registered for After-Camp Care. **We will make every effort to schedule your child according to his/her first choice, but limited space is available in some activities.** NOTE: Swimming will be assigned on a rotational basis throughout the camp session to ensure that every child who is interested in this activity will have an equal opportunity to participate. **Please select carefully since we will be unable to accommodate schedule change requests.**

Session 1

Session 2

Week 1 June 21-25	Week 2 June 28 - July 2	Week 3 July 6-9*	Week 4 July 12-16	Week 5 July 19-23	Week 6 July 26-30	Week 7 Aug 2-6	Week 8 Aug 9-13	Activity Selection
								***Swim from 4-5:15pm, then go to (CM building) until departure. NOTE: No early dismissal from the pool is permitted. Based on the popularity of this selection, if necessary, spaces will be filled on a rotational basis throughout the four-week camp session. (Six-year-olds not eligible for this selection)
								Outdoor sports and games activities.**
								Movie selection changes daily.
								Library summer reading fun for every grade.**
								Board Games**
								Computer Games individual and group challenges. (Six-year-olds not eligible for this selection)**

*No class July 5.

**All after campers report to movies at 5:30pm.

***No swim on Fridays.

This form must be returned with your camp registration

Remind Sign Up Form

Remind is a communication service that allows us to send out text message alerts to all of our camp parents. This will update you for rainy day pick up or any other changes that may occur at camp. *We have a Remind Service for the 1 week Specialty Camps and the 4 week Campus Kids.*

Please note: If you signed up for Remind last year, you must sign up again this year. Last year's registrations have been deleted from our system.

If you would like to sign up for these updates, you may do so below by indicating the Remind Service and providing us with your cell number. We urge all parents to take advantage of this option to have current, up to date news regarding camp!

I wish to sign up for:

☐ Specialty Camp Remind

☐ Campus Kids Remind (4 week)

Summer Programs at MCCC

More Than Just Fun!

- **Camp College**-A four-week traditional camp of academic and recreational programs and half- and full-day arts, sciences, and recreational programs for ages 6-16.
- **Sports Camps**-A variety of one-week sports camps for ages 6-17. (609) 570-3779
- **Summer College for High School Students**-A unique opportunity for students who have completed at least one year of high school to earn from three to seven college credits. (609) 570-3795
- **SMILE, GEAR UP, and Community of Learners** are open to students who attend targeted secondary schools in the Trenton Public School District, for grades 7-12, to prepare them for success in high school and college. (609) 570-3158
- **Upward Bound** is offered to educationally and economically disadvantaged Trenton students who have the desire and potential to succeed in college. (609) 570-3155

LOCATION

More than 70 different summer programs, **full of variety and fun**, for young people will be offered at Mercer County Community College's beautiful West Windsor Campus. The 292-acre campus is located five miles south of Princeton on Old Trenton Road in West Windsor/Hamilton Townships, bordering Mercer County Park. The James Kerney campus, conveniently located at N. Broad and Academy Streets in downtown Trenton, offers equally popular SMILE, GEAR UP, and Upward Bound programs for youth who attend the Trenton Public School District. **For directions to the college call (609) 586-4800 or online at www.mccc.edu.**

TOP-NOTCH FACILITIES

- Fully equipped "state of the art" computer and technology labs
- A variety of art studios
- A 400-seat professional theater
- Air-conditioned buildings
- Indoor olympic size swimming pool
- Athletic fields
- College cafeteria serving a variety of hot and cold breakfast and lunch items

Camp College

OUR MISSION

Camp College provides the finest camp experience for children, an experience that will be remembered for a lifetime. Committed to quality and excellence in every aspect of the summer experience, Camp College carefully designs programs and activities, maintains a dedicated and experienced staff, and provides a caring and safe environment with state-of-the-art facilities. With an emphasis on hands-on activities and fun, children have the opportunity to achieve, gain self-esteem and confidence, explore new interests and develop lifelong memories and friendships.

OUR CODE OF BEHAVIOR

Our camper code of behavior is designed to create an environment that allows campers to learn, teachers to teach, and our camp administrators and counselors to facilitate the instruction. We believe that good discipline at camp is essential to the safety and well being of everyone. We also believe that the basic goals of our programs include the promotion of courteous conduct, consideration toward other people, and respect for the rights of everyone.

With the full cooperation of parents or guardians, we look forward to an exciting, safe summer in which our campers respect rules and regulations. Mercer County Community College is in session and administrative offices are open for business, so it's especially important that campers show respect for others and demonstrate appropriate behavior and language. Our staff always uses positive techniques to guide behavior, but disruptive activities cannot be tolerated and will be subject to the following disciplinary actions:

- 1st incident - ***verbal warning and parental notification.***
- 2nd incident - ***a two-day suspension from camp. The director may require a parent conference before continued attendance is permitted.***
- 3rd incident or at the discretion of the director - ***expulsion from Camp College, Before and After-Camp care, any programs, trips or activities associated with Camp College.***

No refunds are issued for suspension or expulsion. **On the first day of camp, participants and staff will review expected behavior at camp. Parents are expected to discuss this information with their child and return a signed agreement with their completed application.** No camper will be admitted without a signed agreement.

Camp College Comments

My family is a huge fan of Mercer County Camp College!!! My teenage boy has enjoyed it for many years and this time I enrolled my seven-year-old girl with lots of questions and concerns on my mind. She came home after her first day of camp with a huge smile and a ton of stories. She wishes that I enrolled her earlier since six year olds are eligible! What a relief to drop off my kids in the morning at the curb to enthusiastic counselors who open the car door and receive my kids, greeting me with a smile! It's a big relief knowing that my kids are in good, safe and experienced hands whether it's outdoor fishing or zip lining or river tubing in the Delaware River or staying indoors cooking, swimming or painting. What an awesome choice of programs and long list to choose from!! I'm personally thankful to all counselors and staff for such an amazing program year after year. Thank you for being kind, generous, patient, sincere and fun loving!! Working moms like me really need teachers like you to create memories of a lifetime for my children!! My kids won't stop talking about their summer! Of course they have a long list of places and adventures planned for next year! Looking forward to many more years of excellence!! I'm very grateful for this program.

Barti

My granddaughter age 7 was enrolled in both sessions of Camp College and I can say that she had the best time of her life! She absolutely loved it. My family and I couldn't be happier and highly satisfied with the entire staff and counselors at Camp College. They are the best to say the least. From kids' reception to the amazing variety of classes, everything is so well planned and well organized. And above all: kids are in a very safe environment. All classes are wonderful and my granddaughter loved them all. We can't wait for next summer! If you are thinking about a Summer Camp for your kids make no mistake: Camp College is the best place to be.

Lis Darocha (Makenzie DaRocha's Nana)

Matthew had a great experience with Camp College. This was his first camp experience and we were amazed with how easy it was for him to adjust to camp life. He loved his classes and counselors. Matthew wanted to stay at Camp College year round! He can't wait to come back this year!

Kristy Catalfomo

My son has attended Camp College Campus Kids for three summers. It's an exciting day when the new catalog is available, since he begins talking about what classes he would like to take next year while walking back to our car on the last day of camp! He and I both love the variety of opportunities that are available. He fills his days with sports classes, computer class, and his favorite -- juggling! He loves this class so much that he even got his own set of juggling balls, pins, and devil sticks to use at home. He impresses our family and friends whenever he gets the chance! He looks up to the CIT's, counselors, and staff that he has met and he has made many friends who he is excited to see each summer. I am very grateful that such a great program is available so close to home!

Dena Charbonneau

My son, Joshua, really enjoyed his first year at Camp College. He did the first session of Campus Kids and then four weeks of specialty camp. The registration process was easy to follow and the staff was very helpful with my "first timer" questions! I was impressed with the variety of classes offered and my son really enjoyed them all – especially the specialty camp, Kids in the Kitchen. Because camp was going so great, the summer seemed to fly by and Josh is already talking about going back next summer and cannot wait to try new classes! The administrators and counselors were all so friendly and engaged with the campers and they really kept everything running smoothly each day. I cannot say enough great things about Camp College and Josh will definitely be back for many summers to come!

Kelly Valli

We are blown away by the programs offered at Camp College! The offerings camp college provides are the best! My two kids' first experience with any camp has been the crème de la crème of what childhood summer memories are made of! My 6 year old daughter started day one of her specialty camp, shy and hesitant; by day two – she darted out of the car and would barely wave goodbye, totally confident, and happy. My 7 year old son was engaged, and excited about what new things would be happening every day! The counselors are amazing, and the staff is always there to help a new camp parent, not only get comfortable, but feel confident about their choice. Fabulous experience all around, we will be back for many, many years to come.

Tonya Mulkey

2021

Tomato Patch Jr.

**Saturday Morning
Creative Theatre Workshops
for Grades Pre-K-6**

FALL SESSION	WINTER SESSION
September 11-20	January 8-March 12
10 Week Session	10 Week Session
\$260	\$260

All classes meet for 10 Saturdays and will include "Sharings" with Family and Friends

MORE INFO AT www.tomatopatch.org/tomatopatchjr

PRE-PATCH PRE-K - K • 9 AM - 10 AM

Children will participate in imagination exercises, art projects and theater games, developing self-confidence and self-control through creative expression. They will explore storytelling through creating characters which they will share with friends and family.

BEGINNER PATCH GRADES 1ST - 3RD • 10 AM - 11 AM

Children will explore movement and storytelling as they dramatize stories. Through creative drama, children develop expression and self-confidence by playing with language and pantomime.

INTERMEDIATE PATCH GRADES 4TH - 6TH • 11 AM - 12 NOON

This class is an introduction to theater and public speaking that will include learning stage directions and public speaking techniques, participating in improvisational games, and doing theater exercises and activities to develop confidence on stage and speaking in public. And of course, Improv games and fun! Each week there is a featured activity with a guest teacher that will include things such as working with costumes, props, stage make-up, and musical theater choreography.

MASTER PATCH JR. GRADES 4TH - 6TH • 12 NOON - 1 PM

For advanced participants who are interested in developing their skills as an actor and their public speaking competency. In addition to improv work and further developing their public speaking techniques, the participants in the advanced class will work on developing their skills as actors. This class will include audition preparation, scene studies, and monologue work that will require some practice and line learning outside of class time. Each week there is a featured activity with a guest teacher that will include things such as working with costumes, props, stage make-up and musical theater choreography.

Questions? email projects@mccc.edu

This program is made possible, in part, by the Mercer County Cultural and Heritage Commission through funding from the Mercer County Board of Chosen Freeholders, and the New Jersey State Council on the Arts, a Partner Agency of the National Endowment of the Arts.

KELSEY THEATRE is located at 1200 Old Trenton Road, West Windsor, NJ 08550

Tomato Patch 2021

**We're
Back!**

Summer Workshops

Theater • Dance • Music • Video • Visual Arts

In-Person Workshops

Virtual Tomato Patch Classes Will Be Offered, Too!

SESSION I

June 28 - July 22

Grades 8 - 12

\$975

SESSION II

July 26 - August 12

Grades 4 - 7

\$875

Classes meet Monday through Friday 8:45am–4:15pm.

New for 2021 - Students select a major concentration in one of the areas, and spend all of their classes in this area for safety purposes. Choose Theater, Dance, Music, Video or Visual Arts! Classes may be held outside, weather permitting. The sessions culminate with "The Evening Of The Arts," a variety-style show and gallery exhibit, tentatively to be held outdoors, depending on weather. Before and After-care is available for an additional fee.

Master Class:

Students entering 8th through 12th grades

who have an interest in pursuing acting as a potential career path may sign up for this special 3 week class.

SESSION I

June 28 - July 16

3-week sessions

\$825

SESSION II

July 26 - August 13

3-week sessions

\$825

The Theater Master Class will focus on helping students learn how to prepare a polished audition piece, as well as further develop their skills in scene work. Students will learn all the "ins and outs" of show business: how to find jobs, audition, agents, headshots, etc. Classes may be held outdoors, weather permitting. Each session culminates with an evening of theater. Before and After-care is available for an additional fee.

Tomato Patch is the longest-running, most successful multi-disciplinary summer arts program in central New Jersey. Since 1973, over 6,500 junior and senior high school students have spent several weeks of their summer exploring the theater, dance, music, video, and visual arts under the guidance of a highly qualified staff of teaching professional artists.
