

Dear Adventure Camp Parents:

RE: Schedule for Adventure Camp/August 14-18, 2017

We're delighted that your child will be participating in our Adventure Camp. Sarah Venanzi, a high school teacher from Hightstown, will once again chaperone the group. Sarah is a chemistry teacher at the Peddie School where she is also the coach of the girls' varsity basketball team and a dorm parent. She is certified in CPR and concussion awareness and possesses a CDL driver's license.

The information listed below will help you prepare for your camper's adventure. **Please be aware that the schedule is tentative and may be revised if there are weather related concerns.** One alternative choice for when the weather is rocky is Rock Climbing, so please complete a release form. To obtain a copy of the form, visit our website at www.mccc.edu/campcollege. Select Camp Forms and complete Liability Release Agreement. Please print and return the release form with your camper.
