

Sea Camp Parents:

We're delighted that your child will be participating in our Marine Biology and Shore Ecology program. The following information will help you prepare for your child's adventure.

Daily Schedule:

Campers should arrive at the FA circle (located in front of the Welcome Center) no later than **7:50am for the one-week Sea Camp** program. They will be greeted by our camp instructor, Jonathan Gaffin, who will accompany them on the bus and assist with camp activities throughout the day. **PLEASE BE PROMPT; TO ALLOW SUFFICIENT TIME FOR INSTRUCTION, WE MUST LEAVE PROMPTLY!** The bus will return to the MCCC campus FA Building (the same drop-off point) at 5:30pm and students must be picked up promptly. **Please park in the staff lot to the left of the FA Circle. If the arm is not up, press the button and Security will let you in.**

What to Bring Each Day:

- Backpack or duffel bag
- Swimsuit and towel
- Change of clothing
- Suntan lotion; hooded windbreaker for rainy days
- Old sneakers or water shoes for wading in the water
- Lunch with your child's name on it
- Cold beverages (individual frozen juice packs are ideal) **NO GLASS BOTTLES, PLEASE!**
- Plastic storage containers & zip-lock bags

Other Materials and Supplies:

Tee shirt's will be distributed on the first day. Please ask your child to wear the tee shirt every day. Materials and equipment for individual activities will be provided by the Ocean Institute at Sandy Hook.

Medical Authorization:

There are no provisions to dispense medication for any off campus program.

Absences:

If you know in advance that your child will not be able to attend one day of the camp program, please contact the camp office at (609) 570-3773.

We look forward to welcoming your child to a great summer program!
