Design your own book art. Campers will write and illustrate their own picture books. Just like professional authors they will create outlines, rough drafts, and revised manuscripts with original artwork to accompany it. Our creations will be published and bound to share with family and friends.

YOUNG AUTHORS (AGES 10-13)

Become an author! Write your own novel, short story, play, or even a collection of poetry. Work each day on writing and typing your book while adding illustrations along the way. Make a memory that family and friends will enjoy reading. (2nd session)

Withdrawals from camp must be made no later than 10 business days before the start of the program.
