

Friday Fun Days

Monday-Friday Option Only Four-Week Campus Kids

Designed especially for campers who are taking advantage of our NEW Campus Kids Monday-Friday program! Fridays have been planned around themes and activities that combine good old-fashioned fun. **Most programs have time for swimming.**

**Transportation is provided for all off-campus trips.*

***NOT an option for campers in Campus Kids Monday-Thursday program.*

AIR, LAND & SEA (AGES 6-9)

Step aboard to build some exciting ways to get from here to there. Take to the sky in our Lego™ Bricks helicopter model, race across the beach in an ingenious land sail, or zoom through the water on a jet ski. Kids will learn what makes each machine unique and how it moves, exploring concepts such as buoyancy, propulsion, lift and g-forces! What other ways will you invent to travel through air, land and sea? Whether you're a high-speed thrill-seeker or just curious about how things work, this unit offers something for everyone. *Don't forget to bring your swimsuit and towel so you can dive into some more fun with a cool dip in our pool!*

NCFFD-CC034-01 F June 30 8:30am-4pm
NCFFD-CC034-02 F Aug 11 8:30am-4pm

BACK IN TIME: DINO-EXPLORING (AGES 6-13)

Come face-to-face with dinosaurs, interact with scientists, play games, laugh and learn. Join us for a trip to *Field Station: Dinosaurs located in Leonia, NJ*---the world's most unique zoo, with 32 life-sized animatronic dinosaurs in a natural environment surrounded by one of North America's most important bird estuaries. We will explore a 200-million-year-old volcano and make discoveries about the history of the Earth, New Jersey's geological past, plate tectonics and climate change. *Transportation will be provided.*

NCFFD-CC035-01 F Aug 4 8:30am-4pm

BOWLING BALLS AND TEN PINS (AGES 6-13)

Join us for some fun as we target our aim on those ten wooden pins at the end of a long lane. Like our baseball buddies, the favorite word in this "ten pin" sport is STRIKE! Learn the basic rules of the game, the important game lingo, and bowling etiquette. Then, get ready to take aim at those wooden opponents as we play a few games. *Don't forget to bring your swimsuit gear to relax all of those "new" muscles with a cool dip in our pool. Transportation will be provided.*

NCFFD-CC006-01 F Aug 4 8:30am-4pm

CHI CHALLENGE (AGES 6-9)

Let the legend be told, that in the land of Chima™, only the brave survive. Eight animal tribes battle in pursuit of CHI, the balance of life. You will have the opportunity to choose their tribe, while building and battling for victory. Put your Chima™ skills to the test by racing Speedorz™ and building motorized models with LEGO® Bricks. Does your tribe have what it takes to become the ultimate master of CHI? Your destiny awaits! *Once victory has been achieved, we invite you to enjoy our pool--so have your towel and bathing suit on hand!*

NCFFD-CC036-01 F Aug 4 8:30am-4pm

IMPORTANT: Optional Early Bird and After-Camp programs provide supervised activities from 7:15-8:15am and from 4-6pm. See page 52 for details.

N CRANIUM CONTRAPTIONS (AGES 10-13)

Build and explore crazy contraptions that really work your brain. Students use LEGO™ Bricks, axels, pulleys, gears and motors to create fun and interactive models. Compete with friends in a rousing game of *Battle Tops* or *Foosball*. Put your hand-eye coordination to the test with the *Ping Pong Popper* model. Experiment with the *Mini Fig Mover* to see how this model will send your mini fig for a ride. All this and more are waiting to be discovered as students learn and play with Cranium Contraptions! *After "cranium" exercising, let's go for a refreshing dip in our pool-so remember to bring a swimsuit and towel!*

NCFFD-CC037-01 F Aug 11 8:30am-4pm

DIGGERLAND USA (AGES 6-13)

Can you dig it? We will have buckets of fun at the only construction-themed adventure park in North America where you can ride and operate actual machinery. Experience driving full-sized backhoes, dig giant holes with real excavators and operate every sort of construction equipment you can imagine. Along with operating heavy machinery, Diggerland guests can climb one of the world's tallest ropes courses, take an off-road adventure in our military trucks, tackle the rock wall, or enjoy one of the daily heavy machinery stunt shows performed by our operating team. *Transportation will be provided.*

NCFFD-CC033-01 F July 7 8:30am-4pm

N DINOSAURS ROCK™ Fossil & Mineral Adventure (AGES 6-13)

Campers participate in a highly interactive presentation by *DINOSAURS ROCK™* experts. They will have the opportunity to discover and keep genuine fossils. As they participate in this hands-on activity, they will be awed as they uncover genuine dinosaur bone, shark teeth, ammonites, petrified wood and more. Best of all, they will be taking some fossils home, the start of their own collection. Every camper will also participate in gemstone mining where they will take home amazing rubies, emeralds, and large crystals. See, up close & personal, giant exhibits of dinosaur specimens and other fossils. *After this amazing adventure, campers will take a refreshing dip in our pre-historic lagoon (pool)-so please bring a swimsuit and towel!*

(Ages 10-13 preferred)

DOWN ON THE FARM (AGES 6-13)

Summer is a feast of color and beauty down on the farm! As an upcoming leader in agritainment, *Oasis Family Farm* in Robbinsville offers wholesome activities and attractions for children of all ages in a safe, fun environment. Discover the *Funzone's 70' Zip-line*, *50ft Tube Slide*, *Wood Pirate Ship*, *Gem Mine*, *Fossil Adventure*, *Live Bee Observatory*, *Ant Farm* and more.

Transportation will be provided.

NCFFD-CC027-01 F Aug 11 8:30am-4pm

N GADGETS & GIZMOS (AGES 6-9)

Students love our interactive LEGO™ Bricks models. This unit is all about the fun of doing something with what you've built. From a spinning top to a spin art model, kids will love playing with their creations! But don't worry, we sneak in lots of learning too – understanding probability in the "3-in-a-row" game model and learning about friction and symmetry with the spinning top lesson. Don't miss out! *Remember to pack your bathing suit and towel because all good gadget-creators need some water fun in the pool!*

NCFFD-CC039-01 F July 28 8:30am-4pm

MINECRAFT ADVENTURES (AGES 9-13)

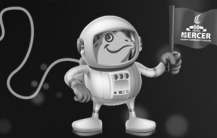

Get into this digital sandbox and start building, one block at a time. Adventuresome campers will log into a well-known multi-player server and play games like *Blockhunt*, *Sheep Quest* and *Castle Siege*. Our campers will team up with other campers to build, battle and brawl! *Campers must have a Minecraft™ account which can be set up at home before the start of camp.*

NCFFD-CC029-01 F July 7 8:30am-4pm

MINIATURE GOLF (AGES 6-13)

Not quite ready to challenge Tiger Woods on the golf course? That's ok. We're not quite ready either, but we're heading out to *Snipes Farm and Golf* to strut our swing and we need you to be part of our foursome. Come and enjoy this "par-fect" day. Pick up an iron and dazzle us with your coordination skills. *Don't forget to bring your swimsuit so you can dive into some additional summer fun with a cool dip in our pool. Transportation will be provided.*

NCFFD-CC010-01 F Aug 18 8:30am-4pm

MINUTE TO WIN IT (AGES 6-9)

Based on the popular NBC game show "Minute To Win It", this program is packed with fast-paced, fast-action building and good old-fashioned friendly competition. 60-seconds on the clock. Think you can do it? You've got a minute to complete the crazy challenges using exciting Bricks 4 Kidz LEGO™ models & everyday household items! There are many different models and challenges as teams compete for the title of "Minute to Win It." *When our challenges are completed, grab your towel and swimsuit and race to the pool for our next competition!*

NCFFD-CC040-01 F July 7 8:30am-4pm

PUMP IT UP (AGES 6-13)

Enjoy play areas and giant inflatables that help spark a child's imagination at *Pump it Up* in Hamilton. The play areas are filled with massive inflatables and other games and attractions that offer endless opportunities for kids of all ages to explore and imagine. *Transportation and pizza lunch will be provided.*

NCFFD-CC030-01 F June 30 8:30am-4pm

ROCK CLIMBING ADVENTURE (AGES 9-13)

Note: Release Liability Form available on website required with registration. If you're up to the challenge we're thinking big, off the ground fun. Join us for a great opportunity to explore a new passion for fun. Kids are natural climbers with plenty of energy, and we're going to give you a chance to scale new heights. We'll start the day with outdoor activities to get you all limbered up. Then, it's off to *Rockville Climbing Center* for your interactive climbing experience. No previous skills are required, but safety rules will be strictly enforced. Unleash that energy and go for the fun and thrill of it all! *Transportation will be provided.*

NCFFD-CC013-01 F July 14 8:30am-4pm

SAHARA SAM'S WATER PARK (AGES 9-13)

Join us for a wild and fun adventure of unlimited indoor and outdoor attractions at *Sahara Sam's Oasis Waterpark*. Explore the nook and crannies of Tim-Buk-Tu, melt your worries away with a tropical journey around the Congo Bongo River. *Campers have the option of packing or purchasing lunch. Transportation will be provided.*

NCFFD-CC014-01 F July 7 8:30am-4pm

SEE YOU AT THE MOVIES (AGES 6-13)

Sit back and enjoy the newest screen attraction with a group of camp friends. Depending upon the age-appropriate summer attractions, we'll spend the morning at **AMC Hamilton 24**. Return for pizza lunch on campus and participate in organized activities. *Participants may want to bring money for the concession stand. Transportation will be provided.*

NCFFD-CC015-01 F July 14 8:30am-4pm

NCFFD-CC015-02 F Aug 18 8:30am-4pm

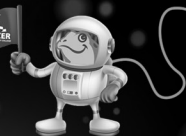

SPECTACULAR SPORTS (Ages 6-9)

Explore sports ranging from gymnastics to biking, mini-golf to airplane acrobatics! This program is a great way to get "sporty" kids building and get LEGO® fans interested in sports. They will learn the importance of physical fitness and different aspects of fitness, such as stamina and strength, the mechanics of the sport, such as the physics involved in golf and the components of a stationary bike. But the best part is the way the models move and the fun they have playing with them after they're built - hitting a plastic golf ball with the mini-golf model, watching the gymnast spin around the bar and seeing the tiny airplanes spin around and around on the air show model. *Afterwards, participate in "sporty" activities in our pool so don't forget your swimsuit and towel!*

Looking For Summer Employment?

Teachers, swim instructors, lifeguards, high school seniors and college students are welcome to learn more about the exciting opportunities at Camp College by contacting us at campcollege@mccc.edu

SPIRIT OF PHILADELPHIA (AGES 8-13)

It's time to see the city from a different perspective—the water. Campers will head out on the water for a *Spirit of Philadelphia* lunch cruise. Departing from Penn's Landing, this lunch cruise includes a narrated tour along the Delaware River, highlighting the attractions along the way. There'll be delicious freshly prepared lunch, dancing and great sightseeing. **Transportation will be provided.**

NCFFD-CC041-01 F July 28 8:30am-4pm

SUMMER POOL PARTY (AGES 6-13)

We're pulling out all the stops to make this the splashiest summer camp ever. Join us at **Mercer County Park** for a day of fun and games, an old-fashioned barbeque, a pie eating contest, and cool water fun. Get wet behind the ears with our water balloon toss and water relays. End the day with a big splash in our pool. It's big enough for everyone, so the more the merrier. School's out and we're ready to jump into some great summer fun, so pump up the music and let's get that party started! **Transportation will be provided.**

NCFFD-CC018-01 F June 30 8:30am-4pm

NCFFD-CC018-02 F July 21 8:30am-4pm

TICKET TO RIDE (AGES 6-13)

Delve into the history and mechanics of favorite amusement park rides in this imaginative program. Students will construct a *Carousel Swing*, *Tilt-a-Whirl* and/or a *Loop-de-Loop* ride. Lessons incorporate principles of physics, described in a way children can understand, such as "G-force" inertia and momentum, as well as math concepts such as "there are 360 degrees in a circle." These engaging lessons will give students an understanding of the physical forces they experience every day. *After the last spin on the amusement ride, get ready for more thrills in the pool! Be sure to bring your swimsuit and towel!*
