

Friday Fun Days

Monday-Friday Option Only Four-Week Campus Kids

Designed especially for campers who are taking advantage of our **NEW** Campus Kids Monday-Friday program! Fridays have been planned around themes and activities that combine good old-fashioned fun. **Most programs have time for swimming.**

**Transportation is provided for all off-campus trips.*

***NOT an option for campers in Campus Kids Monday-Thursday program.*

ANIMAL LIFE (AGES 6-9)

It's a zoo in here! This is a unit sure to delight kids who love animals and nature. We'll be building models of insects, mammals, and dinosaurs using our interactive LEGO® Bricks models. Students will love these moving models that celebrate the wonders of the animal kingdom. Explore the fascinating science of living things and build engaging models of creatures. *Don't forget to bring your swimsuit and towel so you can dive into some more fun with a cool dip in our pool!*

NCCFFD-CC044-01 F Aug 10 8:30am-4pm

BOWLING BALLS AND TEN PINS (AGES 6-13)

Join us for some fun as we target our aim on those ten wooden pins at the end of a long lane. Like our baseball buddies, the favorite word in this "ten pin" sport is STRIKE! Learn the basic rules of the game, the important game lingo, and bowling etiquette. Then, get ready to take aim at those wooden opponents as we play a few games. *Don't forget to bring your swimsuit to relax those "new" muscles with a cool dip in our pool. Transportation will be provided.*

NCCFFD-CC006-01 F Aug 3 8:30am-4pm

ARTISTIC DESSERTS! (AGES 6-9)

If you love to draw and love sweets this is the place for you! We will use bright colors and glittery surfaces to draw candy castles. Ice cream POP ART sculptures will be created that will look good enough to eat! And we will design and decorate our own functional placemat to bring home! Have fun entertaining your sweet tooth with amazing art projects that are sure to put a smile on your face! *After creating our masterpieces, enjoy a cool dip in our pool. Remember to bring your swimsuit and towel.*

NCCFFD-CC045-01 F June 29 8:30am-4pm

CAMP CUPCAKE CRAZINESS (AGES 8-13)

Who doesn't LOVE cupcakes?!! Let's be creative and learn how to decorate your very own masterpieces. No kitchen experience is required; we will teach you all of the techniques to make treats that will amaze your friends and family! Before you know it, you will be a master of cupcake cuisine! Please bring an apron to protect your clothing from all the "Cupcake Craziess"!
NCFFD-CC007-01 F July 6 8:30am-4pm
NCFFD-CC007-02 F July 27 8:30am-4pm

DIGGERLAND USA (AGES 6-13)

Can you dig it? We will have buckets of fun at the only construction-themed adventure park in North America where you can ride and operate actual machinery. Experience driving full-sized backhoes, dig giant holes with real excavators and operate every sort of construction equipment you can imagine. Along with operating heavy machinery, Diggerland guests can climb one of the world's tallest ropes courses, take an off-road adventure in our military trucks, tackle the rock wall, or enjoy one of the daily heavy machinery stunt shows performed by our operating team. **Transportation will be provided.**

NCFFD-CC033-01 F July 6 8:30am-4pm

DINOSAURS ROCK® Fossil & Mineral Adventure (AGES 6-13)

Campers participate in a highly interactive presentation by **DINOSAURS ROCK** experts. They will have the opportunity to discover and keep genuine fossils. As they participate in this hands-on activity, they will be awed as they uncover genuine dinosaur bones, shark teeth, ammonites, petrified wood and more. Best of all, they will be taking some fossils home, the start of their own collection. Every camper will also participate in gemstone mining where they will take home amazing rubies, emeralds, and large crystals. See, up close & personal, giant exhibits of dinosaur specimens and other fossils. *After this amazing adventure, campers will take a refreshing dip in our pre-historic lagoon (pool)-so please bring a swimsuit and towel!*

NCFFD-CC038-01 F July 20 8:30am-4pm

DOWN ON THE FARM (AGES 6-13)

Summer is a feast of color and beauty down on the farm! We'll discover the pleasure of picking sweet corn and peaches as we tour the **Johnson's Corner Farm** on covered wagons. Then it's off to feed the animals and our campers with their "you packed it picnic lunch". There is still more to discover at the Discovery Barnyard where pedal carts, rope structures and mazes, bouncing bridge, imagination stations, and fun awaits. Start the pot boiling, we're bringing home corn for dinner and peaches for dessert! *Campers have the option of packing or purchasing lunch. Bring a swimsuit and towel for additional fun in our pool!* **Transportation will be provided.**

NCFFD-CC027-01 F Aug 10 8:30am-4pm

FAMOUS ARTIST FUN! (AGES 6-13)

Delve into a little art history as you learn about some great artists and study pieces of their work. Using their style and technique as inspiration, put your apron on and get ready to create! 2-3 artists will be discussed during the workshop and 2-3 projects will be completed. Subject matter could include POP ART and IMPRESSIONISM. A drawing or painting plus a sculpture will be completed. Come learn about artists and have fun producing your own work in their style! *Remember to pack your swimsuit and towel because all little artists need some water fun in the pool!*

"HANDS ON" ART MASTERPIECES (AGES 6-9)

No two handprints are exactly alike, and so, no two works of handprint art are exactly the same either! We will be expressing our individuality by using our unique hand and fingerprints to make art for each month of the year! We will display our art work in a 12-month calendar, which can be prominently displayed, allowing a full year of "Hands On" art enjoyment for everyone! Please bring a smock to protect your clothing from all the "Hands On" creativity!

NCFFD-CC048-01 F Aug 3 8:30am-4pm

IMPORTANT: Optional Early Bird and After-Camp programs provide supervised activities from 7:15-8:15am and from 4-6pm. See page 52 for details.

LET'S INVENT (AGES 6-9)

Students love our interactive Bricks 4 Kidz® models. Kids will love playing with their creations! But don't worry, we sneak in lots of learning, too! So many things we use each day are someone's invention! Find out the origins of inventions such as the hand mixer, windshield wipers and conveyor belts. Students will discuss the difference between an invention and a discovery, learn how inventions solve problems, and find out how inventors get their ideas patented. Students are encouraged to think of what they could invent, or improvements they could make to an existing object to solve a problem. Introduce your student to the world of ideas, creativity, inventions and gadgets. Start creating! *"Let's invent" some cool games while we take a dip in the pool! Remember to pack your swimsuit and towel!*

NCFFD-CC049-01 F July 6 8:30am-4pm

MINIATURE GOLF (AGES 6-13)

Not quite ready to challenge Tiger Woods on the golf course? That's ok. We're not quite ready either, but we're heading out to *Snipes Farm and Golf* to strut our swing and we need you to be part of our foursome. Come and enjoy this "par-fect" day. Pick up an iron and dazzle us with your coordination skills. *Don't forget to bring your swimsuit so you can dive into some additional summer fun with a cool dip in our pool. Transportation will be provided.*

NCFFD-CC010-01 F Aug 17 8:30am-4pm

NATURE ADVENTURE (AGES 10-13)

Energy is essential to daily living, from powering the lights in our homes and classrooms to the gasoline that fuels our cars. Introduce your students to the world of energy in all its amazing forms. Using interactive LEGO® Bricks models, they will build moving models of some of the awesome ways we power our world. Students will also learn about powerful forces of nature, exploring the when, where, how and why of all kinds of natural phenomenon. We'll examine a map of the Pacific "Ring of Fire", learn how tectonic plate movements create earthquakes, identify "Tornado Alley" in North America, and find out what hurricanes are called in different parts of the world. Models represent the motion of these forces of nature. *Let's take our "forces of nature" to the pool for a refreshing dip! Don't forget your bathing suit and towel!*

NCFFD CC051 01 F Aug 3 8:30am-4pm

NATURE INSPIRES ART (AGES 6-9)

Let the natural world around you inspire your creativity as you draw, paint and sculpt! Rolling landscapes, beautiful birds and fun animals are just some of the possible subject matter as we create some awesome pieces of art. A drawing using multiple mediums, a canvas acrylic painting and an air dry clay sculpture will all be masterpiece ready to bring home! Have fun exploring nature to a whole new level with this art experience!

While our art is drying, enjoy some additional fun in the pool! Remember to bring your swimsuit and towel.
