

CAMP COLLEGE 2016

PASS THE TORCH FOR A SUMMER OF FUN!

Welcome to Summer Programs at MCCC

More Than Just Fun!

Featuring...

UNIQUE PROGRAMS

Mercer County Community College provides "one-stop" shopping to fill all of your summer camp needs for children, ages 6-17. Whether you're looking for a variety of sports, intensive visual and performing arts workshops, traditional camp, half and full-day arts and science programs, or an opportunity for high school students to earn college credit for academic study, look no further. For additional information or to request a brochure for any summer youth program turn to page 55.

NOTE: When registering for any of our camp programs, enclose a completed and signed copy of the Camper Code of Conduct and Medical Form on pages 49-51, and current immunization record with your application and payment.

HOW TO USE THIS CATALOG

- Each program is described in its own section.
- **Required forms for every program are on pages 41-54.**
- Campus Kids programs are listed alphabetically by age.
- Specialty Camp programs are listed by type, by age group, and by date beginning on page 22.
- A calendar of camp schedules appears on pages 4-7.
- Camper Registration Checklist on page 59.

We look forward to seeing you this summer!

Campus Kids

Four-Week Session I and II

CAMPUS KIDS — SESSION I OR II (AGE 6)

Friendly Froglets program will allow our little ones the opportunity to play constructively, learn the importance of socialization, sharing and cooperation and allow them to adjust to new environments and becoming more independent. Campers will follow a daily schedule which will enable them to be active and to enjoy the same great fun as the older campers, but at a more relaxed pace.

CAMPUS KIDS — SESSION I OR II (AGES 7-13)

Camp College offers your child an enriching alternative to the traditional summer day camp. Campers combine study in a variety of stimulating subject areas that emphasize intellectual growth and skills development with the fun of recreational activities. Participants choose up to six different "courses" and most courses meet 55 minutes daily for all four weeks of each session.

WHO IS ELIGIBLE?

All children ages 6-13 on September 30, 2016 are eligible. For one week programs up to age 15, refer to pages 24-40.

A \$25 fee will be charged for children who arrive earlier than 7:15am or remain on campus after 6pm.

WHEN IS IT?

Session I: June 27-July 22
(FOUR weeks; four or five days per week) Monday-Thursday or Monday to Friday.

Session II: July 25-Aug 19
(FOUR weeks; four or five days per week) Monday-Thursday or Monday to Friday.

FRIDAY FUN DAYS

The perfect way for campers to end the week. **Friday Fun Days** are available **ONLY** for those campers who have chosen the Monday-Friday option. See class information on page 18 for Campus Kids.

AFTER-CAMP

Although classes run from 8:30am to 4pm each day, campers may be picked up as late as 6pm. Children enrolled in this optional program may remain on campus after 4pm. They will join Camp College After-Camp supervised activities, including optional recreational swimming. **Daily registrations not permitted.** See page 52 for details.

EARLY BIRD BEFORE-CAMP...SUPERVISED ACTIVITIES FROM 7:15-8AM!

For those who must drop children off prior to 8am, we offer an Early Bird Before-Camp. Children enrolled in this optional program may be dropped off as early as 7:15am. Experienced camp staff will supervise early arrivals. **Daily registrations not permitted.** To register, use the application form on page 53. **NOTE:** Children not enrolled in the Early Bird Before-Camp program may be dropped off as early as 8am.

WHEN DO I REGISTER?

Registration begins January 25. Register early and avoid disappointment of filled classes.

• HOW DO I REGISTER?

Mail the appropriate registration form in this brochure, and all forms from pages 49-51, and current immunization record **with your full payment**, to the address indicated. Make checks payable to MCCC.

(Please complete a separate form and check for each child and include the child's name.) **Faxed forms are not accepted.**

...OR COME IN PERSON to the Conference Center at the West Windsor Campus, from 9:30am-6pm, Monday through Thursday, and Friday until 4pm. The office is open most Saturdays, 10am-2pm. Call us at (609) 570-3311 for more information.

Campus Kids Course Descriptions

Unless otherwise noted, course descriptions are for either age group (7-9) or (10-13)

What activities will be offered?

- Campers choose six different age-appropriate courses per session.
- **Parents should review child's choices, especially to ensure classes are not duplicated in Session I and II. There is a \$20 fee for each requested schedule change.**
- Most courses meet for one 55-minute period daily during each camp session.
- The registration form for your child's age and session lists the courses available to your camper.
- **All classes must be selected from one age group list. Classes from both age groups may not be combined.**
- **NOTE:** We will make every effort to schedule you according to your first choices. We will use alternatives only if others are full or cancelled. The college reserves the right to cancel courses with insufficient enrollment and to limit class size. **Limited space available.**

IMPORTANT: Optional Before Camp and After-Camp programs provide supervised activities from 7:15-8am and from 4-6pm. For the convenience of working parents, children who arrive on campus either before 8am or remain after 4pm must participate in Before and After-Camp supervised activities. For further information or to register, see page 52 and application on page 53 or call (609) 570-3311.

Whether you are indoors, outdoors or with a pet, Frisbee has an unlimited potential to create a fun-filled atmosphere. Increase your eye-hand coordination; build your confidence and endurance. Have some fun with games like *Flutter Guts*, *Hot Box*, *Keepings Off*, *Disc Soccer*, just to name a few.

FUN WITH MATH (AGES 7-9)

Join us as we play games like *Math Bingo*, *Math Relay* and *Masketball!* Make it around the world and try to hit a homerun before the others do! Secure skills like basic math facts, counting money and telling time. $1+1=2$ much fun!

GIRLS' CLUB (AGES 10-13)

Calling all girls! This club is just for you! Participate in many girly activities including friendship quizzes, nail art, sleepless sleepovers, crafts, jewelry making, and much more. Enjoy giggles and plenty of laughter. Isn't it fabulous being a girl?

GOING GREEN WITH SCIENCE (AGES 10-13)

The weather effect, water filtration, and solar energy experiments we are going to try in this class are sure to help everyone go a little "green". If you had to filter your water could you? The answer will be yes after we make our own water filtration project using simple materials and a soda bottle.

HERO'S JOURNEY (AGES 10-13)

Behind every story is a "hero's journey." Explore the fantasy worlds of some of the most loved series in literature: Harry Potter, Bilbo Baggins, Aang, Percy Jackson and more. Join your favorite characters and journey your way through battles, labyrinths, monsters, and beasts. Campers will read, watch, research and make crafts about different heroes in popular culture.

HIP HOP (AGES 7-13)

Enjoy hip hop dancing and listening to hip hop music? This class has both! Learn a wide range of styles notably breaking, popping, locking and even a bit of your own freestyle. Practice the current styles seen in music videos like Ne-Yo, Rihanna, and Usher. Once you learn the routine to some current hip hop music, you're now ready to perform your tight hip hop moves at the *Camp College Grand Finale*.

HOORAY FOR PAPIER MACHE!

(AGES 7-9)

Can you make a sculpture out of two ingredients? Of course! All you need is some glue and a lot of paper. Campers will learn 3-D basics by using papier mache techniques. They will get a chance to create custom 3-D letters to exhibit at home. Use creative problem solving to sculpt their favorite animal or monster. Campers will have some eye-popping work to show off their papier mache skills. (1st session)

INSTRUCTIONAL BEGINNER & ADVANCED SWIM

(AGES 6-13)

This course is for campers who want to learn to swim as well as campers who have some basic swimming skills. Each camper will be screened and grouped according to the American Red Cross 6 levels. Non-swimmers will learn to float, glide, move their arms and legs correctly, and use basic strokes. Advanced beginners will be introduced to basic mechanics of freestyle stroke, elementary backstroke, breast stroke, side stroke, and other appropriate techniques.

IT'S ALL ABOUT THE DO!

(AGES 7-9)

Become your very own hair stylists. Learn how to create various braids, twists, updos and more for your next special event. Hair design will include but not limited to ribbon and crown twist braids, cupcake pigtails and mini mouse buns with a touch of hair color spray and glitter. (1st session)

JEDI ACADEMY (AGES 7-9)

Calling all Padawans! The Star Wars™ Universe is in need of your help! Join us for an action-packed adventure with Star Wars themed crafts and activities. Learn the ways of the Force to defeat the dark powers that remain, and become a true Jedi Knight!

MATH BOOSTER CLUB (AGES 9-13)

Get fit and ready to flex those thinking muscles with a little extra help or more of an academic challenge over the summer. Campers will be grouped by age to provide more specialized attention to individual interest and skill development. (2nd session)

MEDITATION FOR KIDS (AGES 7-13)

In a world of sensory overload, kids need meditation as much as adults. Meditation helps develop focus, regulate your emotions and pay attention to your inside and out. Once children have developed a little body awareness, we can teach them to listen to and follow outside sounds, or to visualize imaginary realms, or we can read stories that stimulate their imaginations. Meditation will support a child’s ability to learn, to take in and digest information at school, and to develop individual interests.

MINECRAFT MANIA (AGES 10-13)

Get into this digital sandbox and start building, one block at a time! Create and build houses, cities, and even roller coasters! Travel around other worlds or create your own. Dig, build, and create! *Campers must have a Minecraft™ account which can be set up at home before the start of camp.* (1st session)

MIXED MEDIA ART (AGES 10-13)

Have you ever wanted to make art using paint and markers at the same time? Or maybe collages of different kinds of paper with watercolor paint on top? Students in this class will discover outside the box techniques for making wonderful works of art using 2 and 3 dimensional craft supplies to create decorative and unique masterpieces. Time to get those creative juices flowing because anything is possible with mixed media art! (2nd session)

MUSICAL THEATER (AGES 10-13)

Love a Broadway show? A combination of dancing, acting and singing, this class includes learning and exploring some original choreography and legendary music from your favorite Broadway shows...*Bye Bye Birdie* to *Grease*, *South Pacific* to *Wicked*...and then performing a small snippet from one of the productions at our **Grand Finale**.

Use stencils to craft pop out 2-D cards and then create your own patterns. Learn how to fold paper into 3-D figures like snowmen, boxes, trees, and animals. Weave paper to make baskets and hot air balloons. Fold origami stars, flowers, birds and master the art of snowflake making!

PASTEL BASICS (AGES 10-13)

Can you tell the difference between a pastel drawing and a painting? Using chalk and oil pastels and basic techniques you can learn to create drawings as rich as paintings. Campers will use charcoals, soft and hard chalk pastels, and oil pastels to learn the basics of building colors as layers just like the pros do! (1st session)

PLUSH PRODUCTS (AGES 10-13)

Everyone loves stuffed animals! Using felt, fleece, socks, t-shirts and other materials campers will design and create their own cuddly creatures. By following patterns, we will create no sew and easy-to-sew stuffed animals.

POKEMON™ ADVENTURES (AGES 7-9)

Whether you only know about Pikachu, or if you know that Psyduck evolves to Golduck, then this is the class for you. Let's play the games and design our own unique Pokemon characters. We will create our own Pokemon adventures through writing stories, drawings, and reading comic books. (2nd session)

POKEMON™ ADVENTURES II (AGES 10-13)

Are you ready to evolve to the next level? What Pokémon character best represents you? We will continue our Pokémon adventures through playing games, creating our own characters, and reading stories and comic books. A Pikachu is waiting for you! (2nd session)

POPSICLE STICK PALOOZA (AGES 7-9)

Do you enjoy making craft out of Popsicle sticks? Then join the fun and make useful household items with just some glue, string, and of course Popsicle sticks! Create and decorate your own picture frames, bracelets, pencil cups, coasters and much more. It's just not summer without Popsicle sticks! (2nd session)

POWER UP! (AGES 7-9)

Become familiar with computers, what they can do, and how you can use them for your schoolwork and hobbies. Try out different kinds of software, games, and computer art. Write and illustrate stories for the *Camp'Zine* and more. **Some basic computer skills required.** (1st session)

POWERFUL PRESENTATIONS (AGES 10-13)

Present your class projects this year with confidence. There will be no need to fear when it's time to present. SUMMER MATH CHALLENGE (AGES 7-13)

Let's get those summer math packets completed so you can sit back and enjoy the lazy, hazy days of summer! Work on your summer assignments and reinforce your critical thinking skills to prepare you for the fall. Within the student's abilities, campers will work on problems using addition, subtraction, multiplication, division with whole numbers, decimals and fractions. If your child does not receive a math packet, an age-appropriate packet will be provided. We will reward our mathematicians with a Grand Finale ice cream party.

SUMMER OLYMPICS (AGES 7-13)

Every four years we experience the summer Olympics so let's be part of the history! Each week you will be put on a new team and represent your country in an Olympic event. Learn and play real games the Olympians will play this summer. Don't be afraid to earn the gold!

SUMMER READING: A Tasty Challenge (AGES 7-13)

Why not tackle your school's assigned summer reading and bring your books to camp. Take some quiet time to read your books and write book reports if your school requires them. Read books from the camp library. We'll reward all of our summer readers with treats and a grand finale ice cream party. So, read, relax, and enjoy! Are you up for our tasty little brain freeze challenge? (2nd session)

TAPE IT! (AGES 10-13)

It is going to be a little sticky but this class will definitely enhance your creativity. Using different colors and patterns of duct tape, we will create a variety of crafts. Enjoy making IPOD cases, bracelets, vases, pencil holders and more.

THE ENCHANTED PRINCESS (AGES 7-9)

Transform everyday objects into a glittering princess world. Enjoy making crafts and pretty accessories that will turn you into the beautiful princess you always dreamed to be. Create your designs in our very own magical kingdom where everyone is a princess.
(1st session)

THROUGH THE COLORED GLASS (AGES 7-9)

Have you ever used a window as a canvas? This class will teach you some creative ways to create your very own suncatchers and stained glass projects. Campers will utilize everyday art supplies to create colorful works of art, including tissue paper and crayons. There is never a dull moment when creating art for a bright summer's day! (2nd session)

TILE DESIGNERS (AGES 7-9)

Campers will get a chance to exercise their inner designer by creating a variety of tile crafts. Have fun creating your own unique tiles to hang as artwork or even use as coasters. Using blank ceramic and glass tiles, campers will explore pattern, color and composition.
(1st session)

TORNADOES, VOLCANOS, TSUNAMIS—OH MY! (AGES 10-13)

Let's explore the world of natural disasters! We will examine tornadoes, hurricanes, volcanos, tsunamis, earthquakes, and other acts of nature. Can we predict when and where they will occur? Explore the science of these events and learn how we can prepare ourselves for natural disasters. (1st session)

UNDER THE SEA (AGES 7-9)

Why are fish so smart? Because they live in schools! In this "school" you'll learn all about fish, dolphins, and undersea life. Meet bizarre and interesting animals while designing your ultimate sea creature. Grab your fins and prepare to dive in.

WONDROUS WORLD OF WITCHES & WIZARDS (AGES 10-13)

Delve into the world of witches and wizards through J.K. Rowling's Harry Potter series. Brew potions, study beasts and mystical creatures, and create your own wand for casting spells! Bring to life the exciting game of Quidditch! All in the Wondrous World of Witches and Wizards! (2nd session)

WRITING AND ILLUSTRATING (AGES 7-9)

Design your own book art. Campers will write and illustrate their own picture books. Just like professional authors they will create outlines, rough drafts, and revised manuscripts with original artwork to accompany it. Our creations will be published and bound to share with family and friends.

YOUNG AUTHORS (AGES 10-13)

Become an author! Write your own novel, short story, play, or even a collection of poetry. Work each day on writing and typing your book while adding illustrations along the way. Make a memory that family and friends will enjoy reading.
(2nd session)

Friday Fun Days

Monday-Friday Option Only Four-Week Campus Kids

Designed especially for campers who are taking advantage of our **NEW** Campus Kids Monday-Friday program! Coordinated by some of the most popular instructors and counselors from Camp College, Fridays have been planned around themes and activities that combine good old-fashioned fun. **Most programs have time for swimming.**

**Transportation is provided for all off-campus trips.*

***NOT an option for campers in Campus Kids Monday-Thursdays program.*

A "DOLL" ABLE MAKEOVER (AGES 6-10)

Let's give you and your American Girl™ doll a new look! We'll dress up and create a new *do*! Design unique t-shirts for you and your doll with jewels, sequins and more. From tiny pony tails to bitty braids, girls will enjoy creating fun and fancy hairstyles. Does your doll have a special occasion coming up? Let us show you how to create the *Ponytail Veil*, *Crowning Twists* and *Nifty Knots*. Together, you will be the talk of the party!
NCFFD-CC002-01 F July 15 8:30am-4pm

A PIRATE'S LIFE FOR ME! (AGES 6-10)

Ahoy Maties! Come sail with *Jersey Shore Pirates* aboard the *Sea Gypsy* for a swashbuckling pirate adventure on the Metedeconk River. Our mini-mates will have the opportunity to dress up like pirates, get face painted with pirate "tattoos" and learn some pirate lingo before setting sail for an action packed adventure. Learn the rules of the *Sea Gypsy*, read a treasure map, and work as a team to defeat the enemy pirate who has stolen the keys to their treasure. Prepare to man our famous water cannons to win back the keys from our nemesis *Pirate Pete* and then we are off in search of the sunken treasure from the seas below. Our little maties will each be rewarded with a handful of loot and a lifetime of pirate tales to tell!
Transportation will be provided.
NCFFD-CC003-01 F Aug 19 8:30am-4pm

ANIME & MANGA JAPANESE ART (AGES 6-13)

Let's draw your favorite anime characters like *Shinji™*, *Astro Boy™*, *Kenshi™* and more. Using a variety of drawing and painting techniques, have fun learning all about figure and animal art from the anime classics.

(Ages 6-10 preferred)

BLADES ON ICE (AGES 6-13)

Try our fun alternative to a hot, sticky, summer day and cool off on a refreshing cube of ice. Whether you're a figure skating or hockey fan, it's time to get up and get moving with some cool fun. Lace up those ice skates because we're headed for the *Ice Land Skating Center*. Come and dazzle us with those spins and turns or just simply put one foot in front of the other and glide on the ice. *Don't forget to bring your swimsuit because today you get to enjoy water and ice with a cool dip in our pool! Transportation will be provided.*

NCFFD-CC005-01 F Aug 12 8:30am-4pm

IMPORTANT: Optional Early Bird and After-Camp programs provide supervised activities from 7:15-8:15am and from 4-6pm. See page 52 for details.

BOWLING BALLS AND TEN PINS (AGES 6-13)

Join us for some fun as we target our aim on those ten wooden pins at the end of a long lane. Like our baseball buddies, the favorite word in this “ten pin” sport is STRIKE! Learn the basic rules of the game, the important game lingo, and bowling etiquette. Then, get ready to take aim at those wooden opponents as we play a few games. *Don't forget to bring your swimsuit gear to relax all of those “new” muscles with a cool dip in our pool.*

Transportation will be provided.

NCFD-CC006-01 F July 29 8:30am-4pm

CIRCUS CIRCUS! (AGES 6-10)

Let's clown around and create our own circus scenes using wire, tin foil, circus characters and colorful clowns. Have fun designing your own face painting masterpiece that you can go home and try out on your friends and family. A circus wouldn't be complete without something to nibble on so we'll devour some circus snacks! *When we are finished clowning around, enjoy some acrobatic moves and take a cool dip in the pool.*

NCFD-CC023-01 F July 8 8:30am-4pm

DIGGERLAND USA (AGES 6-13)

Can you dig it? We will have buckets of fun at the only construction-themed adventure park in North America where you can ride and operate actual machinery. Experience driving full-sized backhoes, dig giant holes with real excavators and operate every sort of construction equipment you can imagine. Along with operating heavy machinery, Diggerland guests can climb one of the world's tallest ropes courses, take an off-road adventure in our military trucks, tackle the rock wall, or enjoy one of the daily heavy machinery stunt shows performed by our operating team. **Transportation will be provided.**

NCFD-CC033-01 F July 8 8:30am-4pm

DOWN ON THE FARM (AGES 6-13)

Summer is a feast of color and beauty down on the farm! As an upcoming leader in agritainment, **Oasis Family Farm** in Robbinsville offers wholesome activities and attractions for children of all ages in a safe, fun environment. Discover the *Funzone's 70' Zip-line, 50ft Tube Slide, Wood Pirate Ship, Gem Mine, Fossil Adventure, Live Bee Observatory, Ant Farm and more.*

Transportation will be provided.

NCFD-CC027-01 F July 29 8:30am-4pm

FIREBALL MOUNTAIN LASER TAG (AGES 9-13)

Please note minimum age for this activity is 9 – no exceptions. Release Liability form available on website required with registration. Let's gear up and have fun at **Fireball Mountain Outdoor Laser Tag** in Wrightstown. Campers will first participate in an orientation and then immerse themselves in their first mission. The 12-acre woodland site will excite the imagination of each outdoor laser tag player as they venture out to locate the opposing team. Campers will experience a significant need to communicate and cooperate with their team members in order to effectively participate in the game. A sense of camaraderie evolves as the team works together to win each mission. *At the completion of our challenge, campers will enjoy a cool dip in our pool so don't forget your swimsuit gear! Transportation will be provided.*

NCFD-CC026-01 F Aug 12 8:30am-4pm

FRANKLIN INSTITUTE (AGES 6-13)

What can be more fun than experiencing hands-on interactive attractions at **The Franklin Institute** in Philadelphia? This summer's exhibit is *The Science Behind Pixar™*. Learn about the filmmaking process through hands-on activities inspired by some of Pixar's most treasured films from *Toy Story™* to Pixar's newest film *Inside Out™*. Campers will also enjoy exploring science in disciplines from sports to space. Highlights include *The Sports Challenge*, which uses virtual-reality technology to illustrate the physics of sports; *The Train Factory's* climb-aboard steam engine; *Space Command's* simulated earth-orbit research station; a fully equipped weather station; and exhibits on electricity and more. Today is guaranteed to be a delightfully, enlightening hands-on experience! **Transportation will be provided.**

Academic Prep, Counselor in Training

2016 Summer Workshops

THE PROGRAM

The College's Specialty Camp workshops provide a combination of intellectually challenging and stimulating hands-on summer opportunities for motivated students who are interested in a wide variety of fields. Each of these unique programs has been designed to enable young people from throughout the Mercer County region to meet and share the excitement of studies in academic fields not ordinarily encountered in elementary and middle school curriculums.

For the convenience of working parents, Before and After camp is available. **Although classes meet from 8:30am to 4pm each day, campers may be dropped off as early as 7:15am and picked up as late as 6pm.** Children who remain on campus after 4pm must register for **After-Camp** supervised activities, including optional recreational swimming from 4:00-5:15pm. See page 52 for details. Unless otherwise noted, all off-campus site visits and all materials and supplies are included. Campers may bring their own lunches or purchase meals and beverages at the College cafeteria.

All off-campus programs include transportation.

Supervised lunch and recess at no additional cost if registered for A.M. & P.M. classes within the same week.

KIDS IN THE KITCHEN AGES (7-10) and (10-13)

Don't miss out on this "tasty" opportunity to learn how to bake sweet treats, breads and more. Gain hands-on experience baking and cooking in our professional culinary arts laboratory from our own Chef Fee. This ultimate make and take "science" laboratory introduces food safety and fun with creative recipe experiments and very tasty outcomes! A different topic each week **(1) A La Mode**-ice cream making and pastry creations, **(2) Chocolate, Chocolate, Chocolate**-everything for the chocolate lover, **(3) Restaurant Week**-each group makes a meal (appetizer, entree and dessert) on Monday, Tuesday, and Wednesday. On Thursday one group sets the table and prepares the dining room and is served their meal and Friday the roles are reversed. Dining room includes setting the table up correctly, proper etiquette for serving and eating the meal and preparing the specialty beverage, **(4) That's Italian**-Italian themed recipes, **(5) Holiday**-Solstice stuffed French Toast and Solstice Sundae featuring all homemade ice cream, Columbus Day flat earth flat bread pizza, July 4th fried funnel cake and All American Hot Dog cookies, Halloween Horror Cake, Mardi Gras Madness Muffins and more. Come to our kitchen...it's air-conditioned, kid-tested and approved for fun! **Menu subject to change without notice.** Tuition and fees: \$175.

Have fun building and creating using your imagination. Campers will construct a complex Battle-Bot robot from our huge Robotix modular collection. Enjoy working together to build a robot that can clobber its opponent in our sumo-style robot ring. Make your robot as huge and destructive as you'd like as the goal of this competition is to flip your opponent over, pull its pieces off or ram it right out of the arena. Then get ready to modify your design to compete in our robot tug-o-war, Olympic competition, soccer match and more. Campers will learn engineering principles in a fun, hands-on atmosphere. *All campers will take home a Hexbug Warrior.* Tuition and fees: \$175.

ELECTRICAL ENGINEERING TECHNOLOGY ACADEMY (GRADES 9-10)

Discover the guiding principles of Electrical Engineering Technology. Students will have the opportunity of working with an experienced electronic professional instructor to:

- Assemble electronic circuits using a printed circuit board as well as a "solder-less bread board."
- Learn soldering techniques.
- Explore different electronic components and find out what they do.
- Gain experience using a multimeter to measure voltage, current and resistance.
- Build timing circuits using resistors and capacitors.

This course is a progressive, hands-on course; therefore it is important that students attend all sessions. It is imperative that the first class be attended as students are introduced to the safety procedures on that day. Tuition & fees: \$180.

CAMPER'S NAME _____

“Friendly Froglets” Program

Our 6-year old program is designed to specifically meet the needs of our youngest campers. Their day will be similar to that of the school year day allowing the teachers more freedom in their lessons. Under constant, careful supervision of experienced and certified instructors and our trained camp counselors, our Friendly Froglets will be encouraged to participate in a wide range of multi-cultural activities, arts and crafts, outdoor sports, reading, science, math and many other organized activities. The limited number of campers in each group allows the teachers to give much needed individualized attention to each child.

This program allows our little ones the opportunity to play constructively, learn the importance of socialization, sharing and cooperation and allow them to adjust to new environments and becoming more independent. Campers will follow a daily schedule which will enable them to be active and to enjoy the same great fun as the older campers, but at a more relaxed pace.

Beginner Swim is an option for our 6-yr-olds. **IT IS NOT INCLUDED IN THE FRIENDLY FROGLETS PROGRAM – YOU MUST PLACE A CHECK IN THE BOX IF YOUR CHILD IS INTERESTED.** Instructional swim lessons will run for 45 minutes from 12:15 to 1pm. Please select the box if you would like your child to participate. Please remember to have your child bring a towel and swimsuit.

CAMP COLLEGE 2016 CAMPER CODE OF CONDUCT AGREEMENT

Please Review Our Camp Mission and Code of Behavior on Page 57

Camper Name (please print)

I will always have the opportunity to meet with the camp director or other Camp College administrators to tell my side of any incident that is being reported to the camp office. I will report any problems that I am having at camp or with any staff member to the camp director.

1. I will remain with my camp program or trip at all times and will not leave without a camp administrator's permission.
2. I will not bring expensive **jewelry, electronic games, cellphones and trading cards, dolls or comics** to camp. If camper brings valuables, MCCC is not responsible for lost or stolen items.
3. I will respect camp property, off-site facilities, and all bus transportation. I will not chew gum at camp. If I willfully destroy property or equipment, monetary reimbursement will be required.
4. I will obey fire drill safety and never pull or play with a fire alarm.
5. I will respect the safety of everyone in a moving vehicle and will obey all bus rules.
6. I will respect personal property of campers and staff and not take anything that doesn't belong to me.
7. I will respect the camp staff and follow instructions. I will not run away from my group or camp counselors. I will move about the corridors in a quiet and orderly fashion and not linger or wander between classes.
8. I will be a good camp friend and not fight or instigate a fight. I will not hurt anyone with unkind words or actions. Any object that may hurt or place another person in fear of his/her safety may be considered a weapon and is cause for serious disciplinary action that could include immediate expulsion from camp. The camp director will investigate and resolve any safety issue immediately.
9. I will show respect for everyone and only use appropriate language and gestures at camp.
10. I will obey Internet safety rules as instructed by my teacher. Failure to obey Internet safety may include immediate expulsion from camp.

Camp College

OUR MISSION

Camp College provides the finest camp experience for children, an experience that will be remembered for a lifetime. Committed to quality and excellence in every aspect of the summer experience, Camp College carefully designs programs and activities, maintains a dedicated and experienced staff, and provides a caring and safe environment with state-of-the-art facilities. With an emphasis on hands-on activities and fun, children have the opportunity to achieve, gain self-esteem and confidence, explore new interests and develop lifelong memories and friendships.

OUR CODE OF BEHAVIOR

Our camper code of behavior is designed to create an environment that allows campers to learn, teachers to teach, and our camp administrators and counselors to facilitate the instruction. We believe that good discipline at camp is essential to the safety and well being of everyone. We also believe that the basic goals of our programs include the promotion of courteous conduct, consideration toward other people, and respect for the rights of everyone.

With the full cooperation of parents or guardians, we look forward to an exciting, safe summer in which our campers respect rules and regulations. College is in session and administrative offices are open for business, so it's especially important that campers show respect for others and demonstrate appropriate behavior and language. Our staff always uses positive techniques to guide behavior, but disruptive activities cannot be tolerated and will be subject to the following disciplinary actions:

- 1st incident - ***verbal warning and parental notification.***
- 2nd incident - ***a two-day suspension from camp. The director may require a parent conference before continued attendance is permitted.***
- 3rd incident or at the discretion of the director - ***expulsion from Camp College, Before and After-Camp care, any programs, trips or activities associated with Camp College.***

Camp College Comments

My two girls are enrolled in the 2nd session of Camp College. They are 9 and 11, so I have had a chance to sample plenty of camps in the past years; however, I did not expect to be so thrilled by your operation. My 11 year old actually did voluntary homework over the weekend to prepare her piece for her debate class. She was so excited this morning "Wish me luck Mom" is what she said when she left my car. This is just a fabulous confidence builder for her entry into Middle School in September. My 9 year old is also having a ball with the swimming, campfire and meeting new friends. Your staff is also amazing. Seriously, they open the door to help the campers out of the car in the morning and tell you to have a good day. I feel like I have to pinch myself. Worth every penny! My only regret is that I didn't hook them up at MCCC a couple years ago. Thanks.

I wanted to express my appreciation to the entire staff at Camp College for my son's third year at camp. The first year Nick attended, the place seemed so huge to me and although he was thrilled, I was a little apprehensive. Now, he's like a regular college student, knows where everything is and who everybody is. Your staff is wonderful. Natola was so nice when I came into the camp office one morning to let them know that my father-in-law had passed away the previous night and could the staff keep an eye on Nick. The CIT's at the drop-off circle are so nice, some days their "good morning" and "have a nice day" might be the nicest I hear while I deal 8 hours with the public on the phone. It is so comforting to have a CIT open my car door and greet my son by name. Anthony V. knows every parent and is always there with a nice greeting every day. I just wanted to give a thank you to the camp college staff for making our family happy campers. ☺

Being a CIT is a great opportunity to gain valuable job skills, make friends and still manage to enjoy your summer. I loved working with the kids. I felt like I was having as much fun as they were.

I would like to tell you that I had so much fun and I will return every year. The teachers and counselors were friendly, helpful and I learned a lot! What I enjoyed most was the activities and making new friends.

My son, Prem attended the highly acclaimed camp for the first time last summer. We were a little apprehensive at first since we did not know what to expect and it being his first camp. I wasn't sure if he was going to like it especially since he was going to spend about 10 hours a day for 6 weeks. For the sake of variety, we tried both the Specialty and Campus Kids. We were very happy with the overall experience to say the least. The camp counselors were very experienced and knew just how to make Prem feel comfortable in his "new summer home". They went out of their way to provide updates to me on how he was doing. I was always able to reach them and they were very responsive. I could see that they really cared and we will definitely be back again. Great job Camp College!

Camp College proved to be a true hit with my six year old's first experience with summer camp. I found the organization of the program very impressive and how they were able to move the children from one course to the next. My daughter enjoyed the well-thought-out courses and most of all, the enthusiasm and care of the counselors.

I would like to say how much my son enjoys your camps, and how much I enjoy them. I leave days with peace of mind knowing he will be well looked after and having a ball. I especially like the specialty camp programs. I find them to be educational as well as fun.

Matthew had a great experience with Camp College. This was his first camp experience and we were amazed with how easy it was for him to adjust to camp life. He loved his classes and counselors. Matthew wanted to stay at Camp College year round! He can't wait to come back this year!

The dance classes at Camp College are great. Stephanie, the teacher, and Emily, her counselor are perfect. There are two dance classes Hip Hop and Dance, Dance, Dance. They also instruct Musical Theater. Last summer we performed Honey Bun from the musical South Pacific. It is always fun to sing, dance and act with Stephanie, Emily and your friends.
