Camp College 2019
Cooking up some summer fun!

www.mccc.edu/campcollege
Welcome to Summer Programs at MCCC
More Than Just Fun!

Open House
Come to our Open House on Sunday, January 27, 12-3pm in the Student Center.
• Meet the camp directors.
• Have your questions answered.
• Learn about new programs.
• Tour the facilities.

Note: Child’s CURRENT immunization record from the doctor's office, and doctor's telephone number is required for registration.

SNOW DATE: February 3
visit www.mccc.edu for weather updates

- Glitter It! 7/8-7/12 M-F (Ages 6-10) Afternoon (pg 27)
- Hooked on Chess 7/8-7/12 M-F (Ages 7-13) Afternoon (pg 27)
- Juggling Workshop 7/8-7/12 M-F (Ages 9-14) Morning (pg 27)
- Kids in the Kitchen 7/8-7/12 M-F (Ages 7-10) Morning; (Ages 10-13) Afternoon (pg 29)
- STEM Sports 7/8-7/12 M-F (Ages 9-13) Afternoon (pg 39)
- Bowling Balls & Ten Pins 7/12 F (Ages 6-13) FUN DAY (pg 18)
- Slime Time Fun Day 7/12 F (Ages 6-9) FUN DAY (pg 21)
- Summer Pool Party 7/12 F (Ages 6-13) FUN DAY (pg 21)

JULY 15
- Aloha! 7/15-7/19 M-F (Ages 9-14) Afternoon (pg 25)
- Design Your Own Business 7/15-7/19 M-F (Ages 9-14) Afternoon (pg 31)
- Digital Photography 7/15-7/19 M-F (Ages 9-14) Morning (pg 25)
- DIY Mosaic Tabletop 7/15-7/19 M-F (Ages 9-14) Morning (pg 26)
- Drones & Flying Physics 7/15-7/19 M-F (Ages 9-13) Afternoon (pg 37)
- Fashion Frenzy 7/15-7/19 M-F (Ages 7-10) Afternoon (pg 26)
- Game Labs 3D with Unity 7/15-7/19 M-F (Ages 10-14) Afternoon (pg 31)
- Jr. Golf Camp 7/15-7/19 M-F (Ages 7-14) Morning; (Ages 9-14) Full Day (pg 41)
- Kids in the Kitchen 7/15-7/19 M-F (Ages 7-10) Morning; (Ages 10-13) Afternoon (pg 29)
- Intro to LEGO EV3 Robotics 7/15-7/19 M-F (Ages 9-13) Morning (pg 37)
- Landscape Drawing 7/15-7/19 M-F (Ages 6-10) Morning (pg 27)
- Make Your First 3D Video 7/15-7/19 M-F (Ages 7-10) Morning (pg 32)
- Minecraft Modders 7/15-7/19 M-F (Ages 7-10) Morning; (Ages 10-14) Afternoon (pg 32)
- Rock Climbing Camp 7/15-7/19 M-F (Ages 9-14) Full Day (pg 41)
- STEM Inventions with Little-Bits 7/15-7/19 M-F (Ages 6-10) Afternoon (pg 39)
- Super Science Make & Take 7/15-7/19 M-F (Ages 6-10) Morning (pg 40)
- Tea, Etiquette & Fun 7/15-7/19 M-F (Ages 6-10) Afternoon (pg 28)
- Virtual Reality: The Future is Now! 7/15-7/19 M-F (Ages 10-14) Morning; (Ages 7-10) Afternoon (pg 33)
- Dinosaurs Rock: Fossil and Mineral Adventure 7/19 F (Ages 6-13) FUN DAY (pg 19)
- Rock Climbing Adventure 7/19 F (Ages 9-13) FUN DAY (pg 20)
- See You at the Movies 7/19 F (Ages 6-13) FUN DAY (pg 20)
JULY 22

- Adventure Travel Camp 7/22-7/26 M-F (Ages 11-15) Full Day (pg 42)
- Algebra Prep 7/22-8/15 M-Th (Grades 8-9) Four Weeks Morning (pg 23)
- Amusement Park Physics 7/22-7/26 M-F (Ages 9-13) Morning (pg 35)
- Battle Royale: Make Your First Fortnite Style Video Game 7/22-7/26 M-F (Ages 10-14) Morning; (Ages 7-10) Afternoon (pg 31)
- Camp College Campus Kids II 7/22-8/16 (Ages 6-13) Four Weeks (pg 8)
- Creative Design & Robotics 7/22-7/26 M-F (Ages 7-10) Morning; (Ages 10-14) Afternoon (pg 36)
- Creative Writing 7/22-8/15 M-Th (Grades 7-8) Four Weeks Afternoon (pg 23)
- English Prep 7/22-8/15 M-Th (Grades 7-8) Four Weeks Morning (pg 23)
- Geometry Prep 7/22-8/15 M-Th (Grades 8-10) Four Weeks Afternoon (pg 23)
- Glass Fusing & Pottery Keepsakes 7/22-7/26 M-F (Ages 9-14) Morning (pg 27)
- Glitter It! 7/22-7/26 M-F (Ages 6-10) Afternoon (pg 27)
- Kids in the Kitchen 7/22-7/26 M-F (Ages 7-10) Morning; (Ages 10-13) Afternoon (pg 29)
- Lego WeDO Robotics 7/22-7/26 M-F (Ages 6-10) Morning (pg 38)
- Marker Magic 7/22-7/26 M-F (Ages 9-14) Morning (pg 28)
- Minecraft Animators 7/22-7/26 M-F (Ages 10-14) Morning (pg 32)
- Minecraft Designers 7/22-7/26 M-F (Ages 7-10) Afternoon (pg 32)
- Music & Voice Production 7/22-7/26 M-F (Ages 10-15) Full Day (pg 34)
- Pre-Algebra 7/22-8/15 M-Th (Grades 7-8) Four Weeks Morning (pg 23)
- Sea Camp 7/22-7/26 M-F (Ages 10-15) Full Day (pg 24)
- STEM Sports 7/22-7/26 M-F (Ages 9-13) Afternoon (pg 39)
- Storybook Summer 7/22-7/26 M-F (Ages 6-10) Morning (pg 28)
- Camp Cupcake 7/26 F (Ages 6-13) FUN DAY (pg 18)
- Art in Nature 7/26 F (Ages 6-9) FUN DAY (pg 18)
- Pump It Up 7/26 F (Ages 6-13) FUN DAY (pg 20)

JULY 29

- Around The World 7/29-8/2 M-F (Ages 9-14) Afternoon (pg 25)
- Battle Bots & Robotic Fun 7/29-8/2 M-F (Ages 9-13) Morning (pg 35)
- Code Explorers 7/29-8/2 M-F (Ages 6-9) Afternoon (pg 31)
- DIY Mosaic Tabletop 7/29-8/2 M-F (Ages 9-14) Morning (pg 26)
- Escape the Camp 7/29-8/2 M-F (Ages 9-14) Afternoon (pg 26)
- Fishing Camp 7/29-8/2 M-F (Ages 10-14) Full Day (pg 41)
- Girls’ Rule 7/29-8/2 M-F (Ages 6-10) Morning (pg 27)
- Kids in the Kitchen 7/29-8/2 M-F (Ages 7-10) Morning; (Ages 10-13) Afternoon (pg 29)
- Minecraft Modders 7/29-8/2 M-F (Ages 10-14) Morning; (Ages 7-10) Afternoon (pg 32)
- Motorized LEGO Maker Machines 7/29-8/2 M-F (Ages 6-10) Morning (pg 38)
- Python Programmers: Make Your Own Multiplayer Game! 7/29-8/2 M-F (Ages 10-14) Morning (pg 33)
- ROBLOX Makers 7/29-8/2 M-F (Ages 7-10) Morning; (Ages 10-14) Afternoon (pg 33)
- Super Science STEM Challenges 7/29-8/2 M-F (Ages 9-13) Afternoon (pg 40)
- Underwater Adventures 7/29-8/2 M-F (Ages 6-10) Afternoon (pg 28)
- Bowling Balls & Ten Pins 8/2 F (Ages 6-13) FUN DAY (pg 18)
- Jewelry Fun 8/2 F (Ages 10-13) FUN DAY (pg 19)
- Slime Time Fun Time 8/2 F (Ages 6-9) FUN DAY (pg 21)
AUGUST 5
- Advanced Robotics 8/5-8/9 M-F (Ages 10-14) Morning; (Ages 7-10) Afternoon (pg 30)
- Camp Makerspace 8/5-8/9 M-F (Ages 6-10) Afternoon (pg 25)
- Computer Programming with Ozobot™, Makey Make & Scratch 8/5-8/9 M-F (Ages 9-13) Morning (pg 36)
- CSI Science 8/5-8/9 M-F (Ages 6-10) Afternoon (pg 27)

- Virtual Reality: The Future is Now! 8/12-8/16 M-F (Ages 10-14) Morning; (Ages 7-10) Afternoon (pg 33)
- World of Design 8/12-8/16 M-F (Ages 9-14) Afternoon (pg 28)
- Wonderful Wizardry Art 8/12-8/16 M-F (Ages 6-10) Afternoon (pg 28)
- Miniature Golf 8/16 F (Ages 6-13) FUN DAY (pg 19)
- See You at the Movies 8/16 F (Ages 6-13) FUN DAY (pg 20)
CAMPUS KIDS — SESSION I OR II (AGE 6)
Friendly Froglets program will allow our little ones the opportunity to play constructively, learn the importance of socialization, sharing, allow them to adjust to new environments and become more independent. Campers will follow a daily schedule which will enable them to be active and to enjoy the same great fun as the older campers, but at a more relaxed pace.

CAMPUS KIDS — SESSION I OR II (AGES 7-13)
Camp College offers your child an enriching alternative to the traditional summer day camp. Campers combine study in a variety of stimulating subject areas that emphasize intellectual growth and skills development with the fun of recreational activities. Participants choose up to six different “courses” and most courses meet 55 minutes daily for all four weeks of each session.

WHO IS ELIGIBLE?
All children ages 6-13 on September 30, 2019 are eligible. For one week programs up to age 16, refer to pages 24-42.

WHEN IS IT?
Session I: June 24-July 19 (FOUR weeks; four or five days per week) Monday-Thursday or Monday to Friday.
Session II: July 22-Aug 16 (FOUR weeks; four or five days per week) Monday-Thursday or Monday to Friday.

FRIDAY FUN DAYS
The perfect way for campers to end the week. Friday Fun Days are available ONLY for those campers who have chosen the Monday-Friday option. See class information on page 18 for Campus Kids.

EARLY BIRD BEFORE-CAMP...SUPERVISED ACTIVITIES FROM 7:15-8AM!
For those who must drop children off prior to 8am, we offer an Early Bird Before-Camp. Children enrolled in this optional program may be dropped off as early as 7:15am. Experienced camp staff will supervise early arrivals. Daily registrations not permitted. To register, use the application form on page 55.

AFTER-CAMP
Although classes run from 8:30am to 4pm each day, campers may be picked up as late as 6pm. Children enrolled in this optional program may remain on campus after 4pm. They will join Camp College After-Camp supervised activities, including optional recreational swimming. Daily registrations not permitted. See page 54 for details.

A $25 fee, every 15 minutes, will be charged for children who arrive earlier than 7:15am or remain on campus after 6pm.

WHEN DO I REGISTER?
Registration begins January 28. Register early and avoid the disappointment of filled classes.

• HOW DO I REGISTER?
Mail the appropriate registration form in this brochure, all forms from pages 51-53, and current immunization record with your full payment, to the address indicated. Make checks payable to MCCC. (Please complete a separate form and check for each child and include the child’s name.) Faxed forms are not accepted.

WHAT IS THE COST?
Session I M-Th $933
Session I M-F $1213
Session II M-Th $995
Session II M-F $1275

If you register two or more children in a family, save 5% on the second child and any additional children.

The tuition fee includes all camp activities and materials unless noted otherwise in individual course descriptions.

Payment in full is due at time of registration. Deadline is two weeks prior to the camp start date. Avoid the $20 late fee...Register Early! There are additional charges for the Before and After-Camp care programs.

Campers may bring their own lunches or purchase meals and beverages at the College cafeteria.

WHAT IS THE REFUND POLICY?
A $100 processing fee will be imposed for withdrawal in the Campus Kids four-week program. A one-time $10 non-refundable continuing studies summer registration fee will be applied to all students.

Refunds will be granted only when written notice of a camper’s withdrawal is received no later than ten business days before the start of each camp session. NO REFUNDS THEREAFTER. Telephone withdrawals will not be accepted.

...OR COME IN PERSON to the Conference Center at the West Windsor Campus, from 9:30am-6pm, Monday through Thursday, and Friday until 4pm. The office is open most Saturdays, 10am-2pm. Call us at (609) 570-3311 for more information.

Refunds will be granted only when written notice of a camper’s withdrawal is received no later than ten business days before the start of each camp session. NO REFUNDS THEREAFTER. Telephone withdrawals will not be accepted.
What activities will be offered?

- Campers choose six different age-appropriate courses per session.
- Parents should review child’s choices, especially to ensure classes are not duplicated in Session I and II. There is a $20 fee for each requested schedule change.
- Most courses meet for one 55-minute period daily during each camp session.
- The registration form for your child’s age and session lists the courses available to your camper.
- All classes must be selected from one age group list. Classes from both age groups may not be combined.
- NOTE: We will make every effort to schedule you according to your first choices. We will use alternatives only if others are full or cancelled. The college reserves the right to cancel courses with insufficient enrollment and to limit class size. Limited space available.

IMPORTANT: Optional Before Camp and After-Camp programs provide supervised activities from 7:15-8am and from 4-6pm. For the convenience of working parents, children who arrive on campus either before 8am or remain after 4pm must participate in Before and After-Camp supervised activities. For further information or to register, see page 54 and application on page 55 or call (609) 570-3311.

ADVANCED BALLOON TWISTING (AGES 10-13)
Prerequisite: Beginner Balloon Twisting. Going beyond the basics of our first session, this class will focus on techniques involving multiple balloons to create more complex versions of things we’ve already made and things you never even thought you could make with balloons. Examples: two-balloon dog, multi-balloon animals, multi-balloon swords, Spider-Man™, etc. With enough practice the possibilities are nearly endless! (2nd session)

ADVANCED JUGGLING (AGES 10-13)
Prerequisite: Juggling for Beginners or equivalent skills. Practice, practice, practice! If you’ve already taken a juggling class and are ready to move up a level, try Advanced Juggling! Learn 3 ball tricks, juggling 4 balls, rings, clubs, and passing tricks. Show off your skills in our Camp College Grand Finale!

AMAZING ADVENTURES WITH MAGIC TREE HOUSE (AGES 7-9)
Camper must be able to read. Join Jack and Annie as they travel around the world and experience places and times of the past. Enjoy some of your favorite books and help us make them come alive through crafts, creative writing activities, and games. What could be better than a summer full of adventure?

ADVANCED ARCHERY (AGES 10-13)
Prerequisite: Beginner Archery
Draw, Aim, Anchor, Fire! This class helps you refine your hand-eye coordination, form and technique. Learn advanced skills to be sure you hit the target every time.

Registration will not be processed without a completed medical form, Camper Code of Conduct, and current immunization record. See pages 51-52.
10

AMERICAN GIRL® FAVORITES (AGES 7-9)
Come and be part of your favorite American Girl characters. Enjoy birthday parties, plays, summer fun and more. Girls will be girls, so we’ll watch their movies, play games, and create crafts that capture the spirit of an American Girl. (1st session)

ANIMAL ART (AGES 7-9)
Create art inspired by animals with drawing, painting, sculptures, and even recycled materials. Learn how to make habitat jar drawings, totem poles, bird cage sculptures, jellyfish watercolor paintings, soda bottle piggy bank sculptures, crazy animal books and more.

ARTISTIC IMPRESSIONS (AGES 10-13)
Create a unique imitation of famous artists using our own style. Using watercolors campers will paint on canvas and rocks. Campers will recreate art from famous artists like Georgia O’Keeffe, Jackson Pollack and more. (1st session)

A STITCH IN TIME (AGES 7-9)
Sewing is a skill that will be used for a lifetime. Join us in learning how to use a basic pattern and learn basic sewing stitches. Once you conquer those, you will be able to use your skills in creative areas other than just garment sewing. Home décor, crafts and accessories can all be made with fabric, needle and thread and be “sew” much fun! (1st session)

BANDANA BOUTIQUE (AGES 9-13)
Do you like to sew? Would you like to learn? Create pillows, pictures, bags and more using bandanas. Learn how to sew by hand and then decorate your accessories. Keep your creations for yourself or share them with friends and family.

BEGINNER ARCHERY (AGES 10-13)
Ready, Aim, Fire! Archery is a fun way to exercise your mind as well as your body. In this class you will learn basic techniques to develop good form and coordination.

BEGINNER BALLOON TWISTING (AGES 10-13)
Have you ever wanted to learn how to make a dog, a sword, a rabbit, or even your own hat out of balloons? Now is your chance to learn from an experienced entertainer and balloon twister-extraordinaire! Learn to quickly blow, tie off and twist balloons with almost limitless possibilities.

BODY SENSE (AGES 7-13)
Your nose knows! If you love perfumes and scents, this is the class for you. Create your own scents by using herbs like lavender, spearmint, peppermint and rose petals. Using essential oils like cedarwood, vanilla, sandalwood and citrus, to design and create your very own perfumes, organic soap, foot scrub, facial cream and more.

BROADWAY LOVE (AGES 7-9)
If you love theater, this class is for you! Explore some of the most loved shows both present and past. Sing along with your favorite songs and act out your favorite scenes, but even better yet- create your own show for our Camp College Grand Finale.

Check out our Fun Friday coordinating programs on page 18 for M-F option only.
CHOCOLATE FACTORY
(AGES 7-13)
Here’s your opportunity to bring to life your very own chocolate creations! We will make Rice Krispy Treats, popcorn, candy, chocolate-covered pretzels, graham crackers, and fruit using our very own fountain! And S’mores too! Eat some and take some home to share.

CLAY AND SCULPTURE
(AGES 10-13)
Campers will explore and experiment with a variety of different art materials and techniques to create crafts. We will make our own playdough and slime. Let’s get our hands dirty and have fun!

CAMP 'ZINE
(AGES 10-13)
Hot off the presses, it’s Camp 'Zine! Whether you like entertainment, sports or news publications there’s a place for you at the camp paper. Pick your favorite genre or try out a few; then get out there and investigate! We’ll write, type, edit, and format our own creative and investigative stories plus edit a few submissions from other Campus Kids classes. Finally, see your work in print in our camp wide distribution of the 'Zine.

CARD GAME CRAZE
(AGES 7-13)
Do you like playing card games? Then this is the class for you. We will play games like Go Fish, Old Maid, Concentration, Solitaire, War, Spit and more. For those who prefer a little more of a challenge learn how to play more complex games like Rummy, Egyptian Ratscrew, President and more! We will even learn different ways of shuffling and dealing cards! Come on down and be a Card Game Master!

CHALLENGE ACCEPTED
(AGES 10-13)
Are you ready to put your skills to the test? Together with your team, you will solve puzzles, complete obstacle courses and conquer competitions to reach your goal. If you feel you are up for the challenge, this is the class for you!

CHEERLEADING
(AGES 7-13)
Come one, come all! We’ve got spirit and we’re here to cheer it! Learn the basics of cheerleading and cheer-dance in this fabulous class! Get ready to stretch your muscles and voices to the C-H-E-E-R extreme!

CLEVER LETTERS
(AGES 10-13)
Design personalized stationary, thank you notes, and greeting cards as well as a portfolio to hold your treasures. Using stamps, paper punches, embossing designs, and cut outs, learn how to design stationary and cards that are more extraordinary than you imagined. (2nd session)
COLONIAL CAPERS (AGES 7-9)
Discover how it was to live in Colonial America through story-telling and hands-on activities. Campers will plant seeds and flowers to plant in their own backyard. Campers will stitch/glue felt handmade animals, shawl hats, loom weaving, pin cushions, sachets, turkey piñata, burlap ornaments, and many other creative crafts. (2nd session)

CRAFTY KIDS (AGES 7-9)
Enjoy working with your hands? Well you’re going to love this hands-on art class where there are plenty of crafty items designed especially for boys and girls! Depending on age and camper interest, we’ll explore many different crafty corners. (1st session)

COMIC BOOK CREATIONS (AGES 7-13)
Create your very own comic book with detailed illustrations. Learn how to pencil, ink and color your own comic book panel, draw original comic book characters, and learn the basics of drawing people and animals. (1st session)

CREATIVE CHOREOGRAPHY (AGES 10-13)
Make music come to life with dance routines choreographed by YOU!! Choose a favorite song and let your creative dance juices flow!! This one-of-a-kind routine will be performed in our Camp College Grand Finale!

COMPUTER FUN (AGES 7-9)
Do you enjoy playing pinball, checkers and minesweeper on the computer? Then this is the class for you! Learn in a safe environment how to play a wide variety of cool, exciting and simple games. We will have fun increasing your scores and improving your math skills.

COUNT YOUR STITCHES (AGES 7-9)
Use a needle, yarn, and plastic canvas to create a beautiful treasure box, magnets, game boards and more. Once you learn the basics, take portable craft projects wherever you go. Count your stitches instead of minutes! (2nd session)

DISC GOLF/FRISBEE FUN (AGES 9-13)
Campers will design and play their own Disc Golf course on campus. In addition, campers will participate in other fun Frisbee games like Ultimate Frisbee, Kan Jam, Target and Distance Games.

DISNEY® DELIGHTS (AGE 7-9)
Be part of the magical world of Disney. All new crafts for 2019-pool trays, banks, switch plates and many more.

DISNEY® DELIGHTS (AGE 7-9)
Be part of the magical world of Disney. All new crafts for 2019-pool trays, banks, switch plates and many more.

DIGITAL FUN (AGES 7-9)
Enjoy working with your hands? Well you’re going to love this hands-on art class where there are plenty of crafty items designed especially for boys and girls! Depending on age and camper interest, we’ll explore many different crafty corners. (1st session)

DANCE, DANCE, DANCE! (AGES 7-13)
World of Dance, So You Think You Can Dance, America’s Best Dance Crew. If you want a class that will teach you how to move to the latest songs, Campus Kids has the class for you! Learn a number of techniques and styles and combine them for an awesome routine performed at our Grand Finale.

DINO ADVENTURES! (AGES 7-9)
They ate plants, they ate animals and they all disappeared because of a meteor! Come explore dinosaurs through fossil digs, fossil creations and other “dino-rief” activities. (1st session)

FLYING OBJECTS: Rockets and Gliders (AGES 10-13)
Let’s blast off!! Learn the basic principles of rocketry and modeling of airplanes. Have fun building, launching working rockets and glider airplanes. Keep your eyes on the sky! Campers will explore the basic concepts behind flight while building, and decorate at least 2 rockets. Depending on the weather, we will launch each rocket at least once. We will also work on at least 1 or 2 gliders and learn how to make paper airplanes.

FUN WITH MATH (AGES 7-9)
Join us as we play games like Math Bingo, Multiplication Connect 4, Around the World, and Chasing Numbers. Improve your basic math skills like counting money, telling time, addition, subtraction, multiplication, division, and fractions.
HAMILTON-CREATING HISTORICAL MUSICALS  
(Ages 10-13)  
Kids and teachers love Hamilton: An American Musical! Students will get a chance to work together to create their own historical musicals. Looking at different eras and events in world history students will create their own modern musical renditions of social studies topics.

HIP HOP  
(Ages 7-13)  
Enjoy hip hop dancing and listening to hip hop music? This class has both! Practice the current styles seen in music videos from Ne-Yo, Rihanna, Usher and more. Once you learn the moves you'll be ready to perform at the Camp College Grand Finale.

INTRODUCTION TO PRINTMAKING  
(Ages 9-13)  
Campers will explore various subjects and learn the tools of the trade from intaglio monoprints to linoleum cuts. Everyone will develop vibrant and colorful pieces of art!

IT'S ALL ABOUT THE DO!  
(Ages 10-13)  
Become your very own hair stylist. We will learn how to create various braids, twists, updos and more for your next special event. Hair designs will include but are not limited to ribbons and crown twist braids, cupcake pigtails and mini mouse buns with a touch of glitter. (1st session)

JEDI ACADEMY  
(Ages 7-9)  
Calling all Padawans! The Star Wars™ Universe is in need of your help! Join us for an action-packed adventure with Star Wars-themed crafts and activities. Learn the ways of the Force to defeat the dark powers that remain, and become a true Jedi Knight!

JEWELRY DESIGN  
(Ages 10-13)  
Have you ever wanted to wear a piece of jewelry that you designed specifically for yourself? In this class, we will draw, plan and create unique jewelry inspired by other artists and designed by you. Designs will include wire wrapped rings, beaded rings, necklaces, bracelets and more. (1st session)

INTRODUCTION TO ART & SCULPTURE 3D  
(Ages 10-13)  
Learn about the many ways artists create sculptures utilizing 3-Dimensional Space. Campers will discuss and work with clay, wood, paper, and some other materials to explore the question of what makes something art.
JEWELRY MAKING (AGES 7-9)
Do you love to accessorize? Enjoy learning how to create jewelry using a wide variety of techniques. Students will learn how to create bracelets, earrings, necklaces and rings by creating patterns with beads, gems, string, leather, and rainbow loom loops. Isn’t it fun being fancy?

LEGO® MANIA (AGES 7-9)
Think outside the box and express your sense of creativity with Legos. Instead of duplicating an image from a box top, create your own masterpiece. Imagine what you can build with hundreds of tiny pieces of creative construction!

MARTIAL ARTS (AGES 7-9)
Do you want to improve your health, stamina and coordination? Then join in and learn Martial Arts. You will learn basic blocks, punches and kicks. Campers will also have fun in various exercise drill activities to sharpen their skills and coordination.

LET’S GO CAMPING (AGES 7-9)
Love the outdoors? Love to go on adventures? Let’s take a nature walk together! Learn how to identify different trees, plants, and birds and make your very own nature journal, birdhouse, and camp memory box. You can even make an organic bug spray to keep those little critters away and a DIY pair of binoculars! (2nd session)

MATH BOOSTER CLUB (AGES 9-13)
Get fit and ready to flex those thinking muscles with a little extra help or more of an academic challenge over the summer. Campers will be grouped by age and/or grade level to provide attention to individual interest and skill development. Within the students’ abilities, they will work on word problems, math puzzles and mind twisters. We’ll reward all of our mathematicians with a grand finale ice cream party! (2nd session)

JUGGLING FOR BEGINNERS (AGES 8-13)
Enjoy a hobby that is exciting, relaxing, and fun. Participate in fun games, enhance coordination, dexterity and confidence—learn to juggle! Impress your friends and family, and become part of the entertainment at our Grand Finale Celebration.

LOST IN SPACE (AGES 7-9)
Mankind has always wondered about the bright lights in the sky. We will blast off to visit and explore the other planets in our solar system. Let’s go where no man has gone before. Directed discussions based on what we know and what we learn from short videos (produced by NOVA, National Geographic and NASA). Printouts, notes and worksheets will be provided. (1st session)

MINECRAFT™ MANIA (AGES 10-13)
Get into this digital sandbox and start building, one block at a time! Create and build houses, cities, and even roller coasters! Travel around other worlds or create your own. Dig, build, and create! Campers must have a Minecraft account which can be set up at home before the start of camp. (2nd session)

JUMP ROPE FUN (AGES 7-9)
Do you want to get into great shape while having lots of fun? Improve your jump roping skills individually or as a group. Learn new games like Jump the Snake, Side Swing, Skier, Heel Toe and more. Campers will stay healthy and fit while learning to use jump rope recreation as a way of life. (1st session)

KITCHEN CHEMISTRY (AGES 10-13)
Have you ever wondered which room in your house doubles as a science lab? YOUR KITCHEN, OF COURSE! You will perform experiments to learn what makes your food so good and bad. Come find out what food science is all about! (1st session)

MATH BOOTER CLUB (AGES 9-13)
Get fit and ready to flex those thinking muscles with a little extra help or more of an academic challenge over the summer. Campers will be grouped by age and/or grade level to provide attention to individual interest and skill development. Within the students’ abilities, they will work on word problems, math puzzles and mind twisters. We’ll reward all of our mathematicians with a grand finale ice cream party! (2nd session)

KOOKY SCIENCE (AGES 7-9)
Do you want to be a ‘mad scientist’? Grab your lab coat and goggles so that we can explore light, sound and other kooky concepts in this kid-friendly science lab.

MANDALA ART (AGES 10-13)
Mandala art is where you draw your own design or printable designs that creates positive, uplifting artwork. Using prism-colored pencils that give a photo finish, create your very own masterpiece to frame.

COUNSELOR IN TRAINING (AGES 15-16)
See page 34 for course description NCENR-CC008-01 July 8-Aug 16 M-F 8am-4:30pm
MIXED MEDIA ART (AGES 10-13)
Have you ever wanted to make art using paint and markers at the same time? Or maybe collage matrices of different kinds of paper with watercolor paint on top? Students in this class will discover outside-the-box techniques for making wonderful works of art using 2-and-3 dimensional craft supplies to create decorative and unique masterpieces. Time to get those creative juices flowing because anything is possible with mixed media art!

N MRS. POTT'S AND CHIP BUBBLING TEA TIME (AGES 7-9)
Let’s make our own brew of fruity caffeine-free herbal teas served hot or cold. Try some green tea and honey or lavender lemonade for starters. Campers will decorate their very own tea cup, make finger sandwiches, vanilla banana pudding, dirt cups and several other peanut-free delights. (1st session)

MUSICAL THEATER (AGES 10-13)
Love a Broadway show? A combination of dancing, acting and singing, this class includes learning choreography from your favorite Broadway shows… from Aida to Grease, Hamilton to Wicked…and then performing one at our Grand Finale.

MY PASSPORT TO THE WORLD (AGES 7-9)
All aboard a magic carpet! Learn about and create all new crafts this summer as we travel the world. Watch our passports fill up with all the memories as we visit Africa, Greece, Italy, France, Russia, China, Australia, Netherlands, Germany, England, Mexico, Caribbean and USA.

ORIGAMI (AGES 10-13)
Explore the art of Japanese paper folding. Transform paper into a variety of three-dimensional figures and abstract shapes by carefully folding it into a sequence of crisp, clean points.

POKEMON™ ADVENTURES (AGES 7-9)
Whether you only know about Pikachu, or if you know that Psyduck evolves to Golduck, then this is the class for you. Let’s play the games and design our own unique Pokemon characters. We will create our own Pokemon adventures through writing stories, drawings, and reading comic books. (2nd session)

POWER UP! (AGES 7-9)
Become familiar with computers, what they can do, and how you can use them for your schoolwork and hobbies. Try out different kinds of software, games, and computer art. Write and illustrate stories for the Camp’Zine and more. Some basic computer skills required. (1st session)

POWERFUL PRESENTATIONS (AGES 9-13)
Present your class projects this year with confidence. There will be no need to fear when it’s time to present. Public speaking techniques and PowerPoint™ pointers will make you a “Powerful Presenter”! Let’s learn the ins and outs of creating an effective visual presentation and practice public speaking to ensure you’re a hit. (2nd session)

PROJECT VEX (AGES 7-13)
Robots are taking over the planet! Use your imagination to build robots using the newest Lego-Vex™ technology! Plan, build and program a mini-robot to complete a set task each week! (2nd session)

READING BOOSTER (AGES 7-9)
Campers will have the opportunity to listen to and read stories and poems from different genres. They will have a blast working in groups to complete small projects related to the story. Campers are also welcome to bring in and share their favorite books from home. (1st session)

RECESS FUN (AGES 7-9)
Whose favorite subject at school isn’t recess? School may be out, but this class is in! It’s time for recess with games like Spud, Slam, Red Rover, No Way Out and Dog Chases It’s Tail. Learn some new games and play some that are tried and true!
RECREATIONAL SWIM WATER FUN
(AGES 8-13)
Designed for Advanced Swimmers. Enjoy a variety of water activities which will include water polo, volleyball, wacky relays, basketball and other popular pool games. Must be able to swim laps unassisted in the deep end without flotation device.

ROCK ART
(AGES 7-13)
Campers will be working with rocks, twigs, stones, pebbles and other nature items to create all sorts of wonderful crafts. Unleash your creativity and let your imagination run wild! So, get out of the Stone Age and rock with us!

SCRAPBOOKING CRAZE
(AGES 10-13)
Pictures are worth a thousand words, so why not capture your memories by creating a scrapbook? Learn the techniques of using patterned paper, crazy scissors, and captions to create a professional-looking picture memory book. Bring your favorite pictures to make a memory book to last a lifetime!

SET DESIGN
(AGES 9-13)
Come behind the scenes and enjoy playing your role as stage crew. Have you ever wanted to learn what it’s like behind the scenes on a set for a movie or theater production? Learn how they make special effects happen on the screen. Based on the performance, the class will also design and construct scenery, props and costumes for our Grand Finale Shows.

SOCCER
(AGES 7-13)
Come learn the basic skills of soccer for all ages. Learn the fundamentals like positions and types of passing, kicking and shooting. Play soccer and other soccer-related games. Participate in a fun, teamwork, and sportsmanship-related game.

SPORTS AND GAMES
(AGES 7-13)
In addition to the specialized sports classes (Soccer, Flag Football, etc.) Sports and Games will give campers an opportunity to participate in a wide variety of Sports and Games such as: Whiffle Ball, Capture the Flag, Dodgeball, Ultimate Frisbee and other camp favorites.

SO WHAT’S YOUR POINT? THE ART OF DEBATE
(AGES 10-13)
Campers will research and debate different topics weekly. We will learn the format for debating, and practice several types of debates including academic debates, policy debates, humorous interpretation, and spontaneous argument. Speaking skills will be emphasized and encouraged.

SKILL TOYS AND CIRCUS FUN
(AGES 8-13)
Students will learn the basics of the Spinning plate, Devil Sticks, Chinese Yo-Yo and Kendama. Classes will consist of a brief instruction, fun concentration and coordination games.

SLIME TIME
(AGES 10-13)
Slime is the craze. How many different ways do you know how to create slime, silly putty and playdough? Make a new version almost every day. Bring your need for ooze and goo to this slimy lab space. (2nd session)

SPORTS AND GAMES
(AGES 7-13)
In addition to the specialized sports classes (Soccer, Flag Football, etc.) Sports and Games will give campers an opportunity to participate in a wide variety of Sports and Games such as: Whiffle Ball, Capture the Flag, Dodgeball, Ultimate Frisbee and other camp favorites.

SLIME TIME
(AGES 10-13)
Slime is the craze. How many different ways do you know how to create slime, silly putty and playdough? Make a new version almost every day. Bring your need for ooze and goo to this slimy lab space. (2nd session)

SUMMER MATH CHALLENGE
(AGES 7-13)
Let’s get those summer math packets completed so you can sit back and enjoy the lazy, hazy days of summer! Work on your summer assignments and reinforce your critical thinking skills to prepare you for the fall. Within the student’s abilities, campers will work on problems using addition, subtraction, multiplication, division with whole numbers, decimals and fractions. If your child does not receive a math packet, an age-appropriate packet will be provided. We will reward our mathematicians with a Grand Finale ice cream party.

SCRATCH FOR YOUNG CODERS
(AGES 7-9)
Join in the fun and learn “drag and drop” coding with your friends. Make illustrated stories, simple games and interactive activities in this class that could lead to bigger things! (1st session)
SUMMER READING: A Tasty Challenge (AGES 7-13)
Why not tackle your school’s assigned summer reading and bring your books to camp. Take some quiet time to read and write book reports if your school requires them. Read books from the camp library. We’ll reward all of our summer readers with treats and a Grand Finale ice cream party. So, read, relax, and enjoy! Are you up for our tasty little brain freeze challenge?

TAPE IT! (AGES 10-13)
It’s going be a little sticky but this class will definitely enhance your creativity! Using duct tape of many colors and patterns campers will create pillows, picture frames, phone stands and many more crafts.

TORNADOES, VOLCANOS, TSUNAMIS—OH MY! (AGES 10-13)
Let’s explore the world of natural disasters! We will examine tornadoes, hurricanes, volcanos, tsunamis, earthquakes, and other acts of nature. Can we predict when and where they will occur? Explore the science of these events and learn how we can prepare ourselves for natural disasters. (1st session)

TRAVELING FORTRESS AND CASTLE BUILDERS (AGES 7-9)
Design your own traveling knights or princess’s castle. Using foam, Model Magic®, Styrofoam and paper, campers will create dragons, furniture, knights and princesses for their palace making it fit for a king and queen! (1st session)

ULTIMATE FRISBEE (AGES 9-13)
Ultimate Frisbee is a thrilling, non-contact team sport played with a Frisbee. Campers will have an opportunity to join in on some friendly competition, play alongside and against other campers, teachers and counselors in a favorite camp activity: Ultimate Frisbee.

UNIVERSAL®/DISNEY® DRAWING (AGES 10-13)
Learn to create your own favorite character step by step from Universal and Disney and fill your portfolio with all of your drawings. (2nd session)

VIRTUAL VACATION (AGES 10-13)
Big dreamers wanted! Be a travel agent and work with a partner to plan a road trip on a budget. Work with books, guides, and the internet to plan the itinerary, route, meals, lodging, and sites for your trip. On this vacation, you get to choose the destination. Who knows, maybe you can plan the next family vacation! (2nd session)

WATERCOLOR PAINTING (AGES 7-13)
Come and create some large watercolor painting out in the great outdoors! We will be working with large paper, making abstractions, portraits and landscapes of our own campus. Anything goes with our freestyle watercolor fun, so let’s get our creative juices flowing in the summer sun!

WOODWORKING (AGES 7-13)
Do you want to make things with your hands and enjoy doing it? In this class you will learn how to use basic woodworking tools. Projects will consist of building a birdhouse, tool box, and much more! Campers will use their measurement skills and imaginations!

WRITING AND ILLUSTRATING (AGES 7-9)
Design your own book art. Campers will write and illustrate their own picture books. Just like professional authors they will create outlines, rough drafts, and revised manuscripts with original artwork to accompany it. Our creations will be published and bound to share with family and friends.

YOGA FUN! (AGES 10-13)
Students will explore introductory yoga techniques to gain an extra edge on the field or court and in the classroom. Students will learn beginner yoga postures to gain bodily awareness and improve balance and endurance. In addition, through breathing exercises and fun drills and games, students will be introduced to concentration strategies that can aid their focus and mindfulness in school and at home.

YOUNG AUTHORS (AGES 10-13)
Become an author! Write your own novel, short story, play, or even a collection of poetry. Work each day on writing and typing your book while adding illustrations along the way. Make a memory that family and friends will enjoy reading. (2nd session)
Friday Fun Days

**ART IN NATURE (AGES 6-9)**
Grab a pencil and sketch pad and let’s take a walk around campus. What wonders will we find? So much beauty is all around us if we only stop and look. We’ll make some sketches and then head inside to put our ideas onto canvas. *Once you have immersed yourself in Mercer, immerse yourself in our pool! Don’t forget your swimsuit and towel.*

**BOWLING BALLS AND TEN PINS (AGES 6-13)**
Join us for some fun as we target our aim on those ten wooden pins at the end of a long lane. Like our baseball buddies, the favorite word in this “ten pin” sport is STRIKE! Learn the basic rules of the game, the important game lingo, and bowling etiquette. Then, get ready to take aim at those wooden opponents as we play a few games. *Don’t forget to bring your swimsuit to relax those “new” muscles with a cool dip in our pool.*

**CAMP CUPCAKE CRAZINESS (AGES 8-13)**
Who doesn’t LOVE cupcakes??!! Let’s be creative and learn how to decorate your very own masterpieces. No kitchen experience is required; we will teach you all of the techniques to make treats that will amaze your friends and family! Before you know it, you will be a master of cupcake cuisine! *Please bring an apron to protect your clothing from all the “Cupcake Craziness”!*

**Monday-Friday Option Only Four-Week Campus Kids**
Designed especially for campers who are taking advantage of our NEW Campus Kids Monday-Friday program! Fridays have been planned around themes and activities that combine good old-fashioned fun. *Most programs have time for swimming.*

*Transportation is provided for all off-campus trips.*
**NOT an option for campers in Campus Kids Monday-Thursday program.**

**NCFFD-CC052-01 F July 5 8:30am-4pm**
**NCFFD-CC052-02 F July 26 8:30am-4pm**

**NCFFD-CC006-01 F July 12 8:30am-4pm**
**NCFFD-CC006-03 F Aug 2 8:30am-4pm**

**NCFFD-CC007-01 F July 5 8:30am-4pm**
**NCFFD-CC007-02 F July 26 8:30am-4pm**

**NCFFD-CC007-01 F July 5 8:30am-4pm**
**NCFFD-CC007-02 F July 26 8:30am-4pm**
IMPORTANT: Optional Early Bird and After-Camp programs provide supervised activities from 7:15-8:15am and from 4-6pm. See page 54 for details.
MOSAIC MASTERPIECE
(AGES 6-9)
Learn how to create a cool mosaic project in the shape of an animal. We’ll have several to choose from so everyone will find something they like. First, we will paint our animals and then we will decorate them with colorful glass pieces. Don’t forget to bring your swimsuit and towel for a swim in our shimmery indoor pool.
NDFFD-CC054-01  F  June 28  8:30am-4pm

PUMP IT UP
(AGES 6-13)
Note: Release Liability Form available on website required with registration.
Enjoy play areas and giant inflatables that help spark a child’s imagination at Pump it Up in Hamilton. The play areas are filled with massive inflatables and other games and attractions that offer endless opportunities for kids of all ages to explore and imagine. Bring your swimsuit and towel for an invigorating dip in our pool.
Transportation and pizza lunch provided.
NCFFD-CC030-01  F  June 28  8:30am-4pm
NCFFD-CC030-02  F  July 26  8:30am-4pm

ROCK CLIMBING ADVENTURE
(AGES 9-13)
Note: Release Liability Form available on website required with registration. If you’re up to the challenge we’re thinking big, off the ground fun. Join us for a great opportunity to explore a new passion for fun. Kids are natural climbers with plenty of energy, and we’re going to give you a chance to scale new heights. We’ll start the day with outdoor activities to get you all limbered up. Then, it’s off to Rockville Climbing Center for your interactive climbing experience. No previous skills are required, but safety rules will be strictly enforced. Unleash that energy and go for the fun and thrill of it all! Transportation will be provided.
NCFFD-CC013-01  F  July 19  8:30am-4pm

SAHARA SAM’S WATER PARK
(AGES 9-13)
Join us for a wild and fun adventure of unlimited indoor and outdoor attractions at Sahara Sam’s Oasis Waterpark. Explore the nook and crannies of Tim-Buk-Tu, melt your worries away with a tropical journey around the Congo Bongo River. Campers have the option of packing or purchasing lunch. Transportation will be provided.
NCFFD-CC014-01  F  July 5  8:30am-4pm

SEE YOU AT THE MOVIES
(AGES 6-13)
Sit back and enjoy the newest screen attraction with a group of camp friends. Depending upon age-appropriate summer attractions, we’ll spend the morning at a local movie theater. Participants may want to bring money for the concession stand. The afternoon will be spent relaxing and swimming in our pool, so please be sure to bring your swimsuit and towel!
Transportation and pizza lunch provided.

**SLIME TIME FUN DAY**  
*(AGES 6-13)*

You think you can make slime, but are you a “Slime Master”?? Prepare to get elbow deep in ooey gooey fun as you spend the day learning how to make different slime creations! You will create amazing string slime, color changing slime, chalkboard paint slime, glow in the dark slime, along with more traditional slimes such as fluffy and butter slime, and even edible slime!! Please bring a smock to protect your clothing from all the ooey gooey Slime Time fun!! *After this amazing morning of creating slime, campers will take a dip in our very own slime tub (pool)-so please bring a swimsuit and towel!!

**SUMMER POOL PARTY**  
*(AGES 6-13)*

We’re pulling out all the stops to make this the splashiest summer camp ever. Join us at **Mercer County Park** for a day of fun and games, an old-fashioned barbecue, and cool water fun. Get wet behind the ears with our water balloon toss and water relays. End the day with a big splash in our pool. It’s big enough for everyone, so the more the merrier. School’s out and we’re ready to jump into some great summer fun, so pump up the music and let’s get that party started! **Transportation will be provided.**

**DECISIONS! DECISIONS!**

With so many program choices available, use the helpful Camp Calendar Week-at-a-Glance on pages 4-7.
THE PROGRAM
The College’s Specialty Camp workshops provide a combination of intellectually challenging and stimulating hands-on summer opportunities for motivated students who are interested in a wide variety of fields. Each of these unique programs has been designed to enable young people to meet and share the excitement of studies in academic fields not ordinarily encountered in elementary and middle school curriculums.

For the convenience of working parents, Before and After camp is available. Although classes meet from 8:30am to 4pm each day, campers may be dropped off as early as 7:15am and picked up as late as 6pm. Children who arrive early or remain on campus after 4pm must register for Before Camp/After-Camp supervised activities, including optional recreational swimming from 4:00-5:15pm. See page 54 for details. Unless otherwise noted, all off-campus site visits and all materials and supplies are included. Campers may bring their own lunches or purchase meals and beverages at the College cafeteria.

ELIGIBILITY CRITERIA
All off-campus programs include transportation. Supervised lunch and recess at no additional cost if registered for A.M. & P.M. classes within the same week.

DECISIONS! DECISIONS!
With so many program choices available, use the helpful Camp Calendar Week-at-a-Glance on pages 4-7.

Apply early to ensure a space for your child!
ALGEBRA PREP  
(GRADES 8-9)
Areas of study will include: expressions and equations, solving linear equations and inequalities as well as graphing solution sets, analyzing functions by observing patterns in equations, graphs, and tables, and solving systems of equations. Quadratic functions will be studied as well as their real world applications. Additional topics covered are factoring and polynomials. Graphing calculator is strongly recommended.
Tuition & fees: $575.
NCENR-CC001-01  July 22-Aug 15  
M-Th  8:30-11:30am

CREATIVE WRITING  
(GRADES 7-8)
This course is designed to provide a variety of creative options for middle school students: poetry, short story, personal narratives, plays, and magazine articles. Learn the steps that will take you through all the phases of the writing process from pre-writing through publishing. Participants should expect additional related assignments outside of the classroom to finish drafts, revisions, etc. Tuition & fees: $550.
NCENR-CC002-01  July 22-Aug 15  
M-Th  1-4pm

ENGLISH PREP  
(GRADES 7-8)
Participants will read at least three young adult fiction novels. Study will include analyzing text, vocabulary development, and improving writing skills. Class time will include 30 minutes each session for students to work independently or seek individualized assistance from the instructor. Participants should expect vocabulary assignments outside of the classroom.
Tuition & fees: $550.
NCENR-CC003-02  July 22-Aug 15  
M-Th  8:30-11:30am

GEOMETRY PREP  
(GRADES 8-10)
Emphasis will be placed on vocabulary, logical thinking, and completeness of formal geometric proofs. Students will investigate, make conjectures, and form conclusions. The focus of this enrichment program will include deductive reasoning, line and angle relationships, triangles, and congruency, parallelism, proving polygons congruent and similar, right triangle properties, circles, and area and volume. We will reinforce skills such as how to construct knowledge through logical reasoning, problem solving, and communication. Tuition & fees: $575.
NCENR-CC004-01  July 22-Aug 15  
M-Th  1-4pm

PRE-ALGEBRA  
(GRADES 7-8)
The purpose of this course is two-fold: first, assist students who find mathematics to be an “obstacle course” by developing necessary skills to succeed, and secondly, challenge those students who wish to deepen their analytical and logical abilities. Topics include: evaluating numerical and algebraic expressions, building and solving a variety of equations, solving and applying proportions, applying properties and operations to integers and rational numbers, and exploring perimeter and area of plane figure as well as surface area and volume of three-dimensional figures. Graphing calculator is strongly recommended.
Tuition & fees: $575.
NCENR-CC005-01  July 22-Aug 15  
M-Th  8:30-11:30am

SEA CAMP: MARINE BIOLOGY & ECOLOGY
(AGES 10-15)

Camp College's most popular off-campus program returns for its 23rd year! Campers will have the unique opportunity of working with an experienced environmental instructor in the outdoor “laboratory” of Sandy Hook and its surrounding waters. The week promises to be memorable, fun and full of hands-on experiences such as:
• Swimming in a life-guarded ocean each day
• Searching for cretaceous era fossils in Monmouth streams
• Studying habitats available to coastal marine life
• Assessing the value of marshes and survey population densities
• Learning how food goes from ocean to table
• Investigating barrier beach botany
• Examining the physical and geological features of water, waves, and beaches
• Combing the beach for shells and artifacts
• Learning the historical significance of Sandy Hook, Fort Hancock, and the Twin Lights.

Campers must bring lunch and snacks, bathing suits, sun block, beach towels, sneakers, rain gear and a hat. Tuition & fees: $450. Includes free optional before & after care. Visit www.mccc.edu/campcollege to view trip information.

NCREC-CC002-01 July 22-26 8am-5:30pm
NCREC-CC002-02 August 5-9 8am-5:30pm

ECOVENTURE
(AGES 11-16)

Do you love the outdoors and want to learn more about the environment? If so, this rugged camp is a must for your summer! Experience the very ecosystems of New Jersey alongside a knowledgeable instructor. This action-packed and educational week will include the following adventures and hands-on activities:
• Deep sea fishing
• Tubing down the Delaware River
• Nature hikes and swimming at Cheesequake Park
• Hunting for fossils at Ramamessin Park
• Hike and survey Sandy Hook and cool down with an ocean swim
• Proper fire building and pocket knife use and safety
• Assembling a wilderness survival kit from household items

Campers must bring lunch and snacks, bathing suits, sun block, beach towels, sneakers, rain gear and a hat. Visit www.mccc.edu/campcollege to view trip itineraries and supply list. Tuition & fees: $375.

NCREC-CC009-01 Aug 12-16 8:30am-4pm
ADVANCED CHESS  
(AGES 9-14)  
So you know how to move the pieces and you understand checkmate. This isn’t just another one of those board games. No chess game ever repeats itself, which means you create more and more new ideas each game. Every game you are the general of an army and you alone decide the destiny of your soldiers. You can sacrifice them, trade them, pin them, fork them, lose them, defend them, or order them to break through any barriers and surround the enemy king. Learn new advanced chess tactics, strategies, openings and tips. Tuition & fees: $160.  
NCENR-CC007-01 Aug 12-16  1-4pm

ALOHA!  
(AGES 9-14)  
Start off your summer with a trip off the mainland. All projects will be inspired by Hawaii! Create a Tiki mask with clay and a Hibiscus flower-shaped bowl. Paint a tile to showcase your favorite Hawaiian shirt. Paint a canvas, create a shell mosaic and many more fun Hawaiian projects! Tuition & fees: $185.  
NCART-CC058-01 July 15-19  1-4pm

AROUND THE WORLD  
(AGES 9-14)  
Create projects inspired by the rich cultures of some of the countries we visit this week. Japan is famous for its pottery as well as tea ceremony. Create a tea cup or mug with clay, then make an African mask from clay. Paint a tile in the Mexican style and then a bowl using the Delft style, an art form from The Netherlands. Create some famous landmarks on canvas and paper. You will learn a lot along the way about the places you visit. Tuition & fees: $185.  
NCART-CC059-01 July 29-Aug 2  1-4pm
That Pottery Place

ARTIST’S PASSPORT  
(AGES 9-14)  
Embark on an around-the-world cultural adventure! Explore far-off places and learn about the people who live there, from the Americas to Polynesia, from the cosmopolitan to the countryside. Experiment with Crayola® products, while trying art techniques developed by local artists and artisans. Make different masterpieces each week such as drums, masks, canvases, prints and more! Bring the unique creations home and build a globally-inspired art gallery. Tuition & fees: $175.  
NCART-CC060-01 June 24-28  8:30-11:30am  
NCART-CC060-02 Aug 12-16  8:30-11:30am
Imagine Arts Academy

CAMP MAKERSPACE  
(AGES 6-14)  
Critical thinking, problem-solving and engineering skills can help all children get ahead in today’s world. How can we encourage these 21st century skills? Through hands-on exploration, tinkering and play, campers will come together to create, invent and design using a variety of everyday items and household materials. Each day, campers will be introduced to new “makerspace” projects that encourage creative thinking and hands-on inventing. The only limit to what they can do—is their own imagination. Tuition & fees: $175.  
NCART-CC048-01 July 8-12  1-4pm  
(Ages 9-14 preferred)  
NCART-CC048-02 Aug 5-9  1-4pm  
(Ages 6-10 preferred)  
FYI Creations

DESIGN IT, CREATE IT & FRAME IT!  
(AGES 6-10)  
In this class, we will explore various mediums including watercolor, markers, pencils and more to create original artwork complete with uniquely decorated frames! Beach scenes, rainforest environments, fantasy creatures and celestial themes will be covered. So if you like to learn how to draw and paint while working with loads of craft materials, this is the class for you! Tuition & fees $140.  
NCART-CC040-01 July 1-5*  1-4pm  
*No class July 4.

DIGITAL PHOTOGRAPHY  
(AGES 9-14)  
Campers will be introduced to the basics of digital photography by learning the techniques behind portrait, landscape and wildlife photography. In addition to camera functions and lite editing, hands-on experience will enhance camper’s creativity and eye for photography. Campers must bring a small digital camera. Tuition & fees: $160.  
NCENR-CC009-01 July 15-19  8:30-11:30am
EXPRESS YOURSELF-MAKE ART!  
(AGES 9-14)
Express yourself with EMOJIs – every project we do will have emojis involved. Board art, canvas, ceramics and more! Don’t miss out on the fun!  
Tuition & fees: $75.  
NCART-CC061-01 July 8-12 1-4pm  
Magic Arts Studio

FASHION FRENZY  
(AGES 7-13)
Join our aspiring design team to create your own ready to wear fashions. We will experiment with various fabrics, drawing materials, manikins and more to make up hundreds of design possibilities! We will have our own fashion show where students will design an article of clothing using their imagination and some fabric! In this no-sew class, we will repurpose old shirts into new wears. Budding designers will take home their own book of sketches, fabric swatches, and memories to last a lifetime. This is a great starter class for the budding fashionista within who wants to see his or her works come to life!  
Tuition & fees: $175.  
NCART-CC043-01 July 8-12 8:30-11:30am  
(Ages 9-13 preferred)  
NCART-CC043-02 July 15-19 1-4pm  
(Ages 7-10 preferred)

DIY MOSAIC TABLETOP  
(AGES 9-14)
Who doesn’t love painting ceramics? And what could be better than learning a ton of different painting styles and then creating your very own ceramic table? We will be working on a variety of ceramic and mosaic techniques as we create this awesome side table. We will use specialty painting techniques and work on creating a theme that brings all pieces into a coordinated finished piece. Tiles will be fired in a kiln before we assemble and grout our table. These steps make this a very functional piece of art. Tables’ dimensions are 21.75” square, 17.75” high, perfect as an end table or nightstand.  
Tuition & fees: $195.  
NCART-CC056-01 July 15-19 8:30-11:30am  
NCART-CC056-02 July 29-Aug 2 8:30-11:30am  
Magic Glass Art

DUCT TAPE DIVAS!  
(AGES 9-14)
Duct Tape isn’t just for dad anymore! Join the latest crafting craze that’s sweeping the nation! Be the envy of your friends as you design creative fashions and crafts that are sure to bring out your inner diva. From hot pink zebra stripes to funky tie-dyes, there’s no limit to what duct tape can do!  
Tuition & fees: $140.  
NCART-CC014-01 July 1-5* 1-4pm  
*No class July 4.

ESCAPE THE CAMP  
(AGES 9-14)
Everywhere you look, it seems like Escape Rooms are all the rage! A team of people sign up to be locked in a room and must find clues and solve puzzles to complete a given mission and find the key to escape. The question is: How could we harness this excitement and momentum and bring it to camp? Welcome to Escape the Camp! Campers will work together to solve a number of puzzles in order to “escape the camp.” Don’t worry, parents! Our campers aren’t really breaking out of camp. An “escape” just means that the campers had the skills to conquer the challenge! By the end of the week, participants will create their own games to ignite critical thinking skills, teamwork, and complex problem-solving. Escaping camp has never been so fun!  
Tuition & fees: $175.

FUN WITH ABSTRACTION  
(AGES 9-14)
Did you ever look at a piece of art and wonder what the artist was thinking? Abstract art is a style of art that is open for interpretation and allows for personal expression. Make sculptures and 2D works while learning about the styles of Pablo Picasso, Henri Matisse, Frank Stella, Keith Haring and beyond! We will use some surprise materials along with crayons, markers, cray-pas pencils and watercolors. You will start seeing different types of art with a different type of mindset. Ready, set, go! Tuition & fees: $140.  
NCART-CC062-01 July 1-5* 8:30-11:30am  
*No class July 4.

JUGGLING WORKSHOP  
**AGES 9-14**

Come join us in an activity that is relaxing, fun, and develops coordination, dexterity and confidence. If you’ve participated in our programs through Campus Kids then you already know the secret to a juggler’s success is practice, practice and more practice! Whether you are a beginner or advanced, all skill levels are welcome. Have fun learning the basics of juggling 3 balls or more advanced skills of juggling 4 and 5. We will also learn to use devil sticks, spinning plates, clubs and passing tricks. So that you keep practicing, each camper will receive their own set of juggling balls.

Tuition & fees: $160.

**NCENR-CC013-01** July 8-12  
8:30-11:30am

**NCENR-CC013-02** Aug 12-16  
8:30-11:30am

LANDSCAPE DRAWING  
**AGES 6-10**

Drawing with a variety of materials and being introduced to new artistic approaches, students will use their skills to create unique drawings of landscapes from near and far. We will study works by famous artists while using combinations of colored pencils, markers, oil pastels, and paints. Discover your hidden talents while taking home your own masterpieces to be enjoyed by all.

Tuition & fees: $165.

**NCART-CC007-02** July 15-19  
8:30-11:30am
**MARKER MAGIC**  
**AGES 9-14**
Markers are one of the most versatile and easy to use art materials out there! In this class we will look at artists’ works created with markers and explore the history of this common art supply. Using permanent and water-based markers, learn some new and experimental techniques to create interesting landscapes, portraits, animals, and more. Tuition & fees: $175.
NCART-CC064-01  July 22-26  1-4pm  

**MYTHICAL CREATURES-MAKE ART!**  
**AGES 9-14**
Unicorns, Dragons, Mermaids and other mythical creatures! Let your imagination run free with all of the possibilities! Try your hand at decoupage, wood art, canvas painting and more. Tuition & fees: $175.
NCART-CC065-01  Aug 5-9  1-4pm  
Magic Art Studio  

**TEACHING 101**  
**AGES 9-14**
Learn how to become a teacher in this fun and educational workshop designed to bring out the inner-teachers in all students. Learn how to decorate a classroom, develop exciting lesson plans, and maintain a grade book in this workshop where children are the teachers! From creating graphic organizers to grading papers, this course will provide children with everything necessary to become highly qualified instructors. This course is a definite A+! Tuition & fees: $175.

What do our campers and parents think about Camp College? See page 60
ADVANCED ROBOTICS
(AGES 7-14)
During this class your team will learn to program a robot to overcome daily class challenges using a visual and text based programming. You will see firsthand how your program translates into action as you attempt to control your robot sensors and maneuver around obstacles. With your teammate, you will apply different programming concepts while using the scientific method to formulate, observe, experiment, test, and modify your robot. Students will work in teams for most of the program. Tuition & fees: $195.

NCTEC-CC032-01 Aug 5-9 8:30-11:30am
(Ages 10-14 preferred)
NCTEC-CC032-02 Aug 5-9 1-4pm
(Ages 7-10 preferred)
Black Rocket Productions

APP ATTACK!
(AGES 7-14)
Take the first steps into the world of mobile app design and customize your own game app! Using a specialized app & game development tool, students will explore the world of web-based (HTML5) mobile apps. In addition to learning the basics of mobile app design and game development, you will also see firsthand how the world of App publishing functions. Student-created apps will be accessible on a private site and can be played on any mobile device or computer. Publishing to App Stores not included. Students do not need to own a smartphone or tablet to take the class. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years. Tuition & fees: $195.

NCTEC-CC002-01 July 8-12 8:30-11:30am
(Ages 7-10 preferred)
NCTEC-CC002-02 July 8-12 1-4pm
(Ages 10-14 preferred)
Black Rocket Productions

ADVENTURES IN AUGMENTED REALITY!
(AGES 7-14)
Watch as holograms come to life in the first ever augmented reality for kids! Students will work in cutting-edge software to create holographic scenes that are viewable with a smartphone and a magic futuristic cube. Student-created projects will be available on a password protected website to share with friends and family. Students will work in pairs or teams for most of the program. Tuition and fees: $214 ($195+$19 for magic futuristic cube).

NCTEC-CC043-01 Aug 12-16 8:30-11:30am
(Ages 7-10 preferred)
NCTEC-CC043-02 Aug 12-16 1-4pm

Black Rocket Productions

APP.IO: MAKE YOUR FIRST MULTIPLAYER APP!
(AGES 10-14)
The hottest new Apps are IO apps! If your child likes to play Agar.io or Slither.io they will love this class! Become the creator of the next viral web app! In this class, explore the most popular .IO apps, design your own multiplayer experience and learn how to code your own app. Student-created apps will be accessible on a private site and can be played on any mobile device or computer. Publishing to App Stores not included. Students do not need to own a smartphone to take the class. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years. Tuition & fees: $195.

NCTEC-CC034-01 Aug 12-16 8:30-11:30am
Black Rocket Productions
BATTLE ROYALE: MAKE YOUR FIRST FORTNITE®-STYLE VIDEO GAME
(AGES 7-14)

Fans of Fortnite we need you! Instead of playing the game, design your own. Using a professional 3D game development software, build levels and assets inspired by popular battle royale games like Fortnite. This course includes cartoonish action and battle sequences. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. Tuition & fees: $195.

NCTEC-CC038-01 July 1-5* 8:30-11:30am (Ages 10-14 preferred)
NCTEC-CC038-02 July 1-5* 1-4pm (Ages 7-10 preferred)

NCTEC-CC038-04 July 22-26 1-4pm (Ages 7-10 preferred)
*No class July 4. Tuition & fees: $156

Black Rocket Productions

CODE BREAKERS
(AGES 10-14)

Calling all future coders, programmers, & designers! Learn the basics of coding languages like HTML, JavaScript, and CSS through a series of web projects and design challenges each day and be on your way to becoming the next tech star! Whether you want to be a silicon valley CEO or the high school student who just made $1 million dollars for programming in her bedroom, this course has the essentials you need to begin your journey. Projects will be available on a Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years. Tuition & fees: $165.

NCTEC-CC003-01 June 24-28 8:30-11:30am
Black Rocket Productions

CODE EXPLORERS
(AGES 6-9)

For curious young minds who want to take the first steps into the world of programming. Student explorers will use their creativity to solve a series of web-based coding challenges. Each lesson builds fluency in essential digital skills needed for the future. At the end of the class, students will receive access to the interactive learning platform to continue their coding journey at home. Students will work in pairs or teams for most of the program. Tuition & fees: $195.

NCTEC-CC039-01 June 24-28 1-4pm
NCTEC-CC039-02 July 29-Aug 2 1-4pm
Black Rocket Productions

eSPORTS APPRENTICE-YOUTUBE® STREAMERS AND GAMERS
(AGES 7-14)

Whether you want to be the next pro gamer, streamer, or gamecaster this course will teach you the basics to get started! No longer just a hobby, eSports is the fastest growing career for the next generation. Over 400 million people watched YouTube videos and Twitch streams of video game competitions this year alone! In this course, students will develop competitive game-play skills in Black Rocket’s new eSports App, learn how to produce commentary for live tournaments, use professional streaming software, and most importantly practice online safety. Students will gain full access to the eSports App and a video of their class tournament with commentary. Videos will not be broadcast publicly but will be shared with all students in the class. Tuition & fees: $195

NCTEC-CC040-01 July 8-12 8:30-11:30am (Ages 10-14 preferred)
NCTEC-CC040-02 July 8-12 1-4pm (Ages 7-10 preferred)

Black Rocket Productions

DESIGN YOUR OWN BUSINESS
(AGES 9-14)

Learn the foundations of sound business practice. Use the computer to design a product such as sneakers, tools, a bicycle, or a motorcycle, whatever you choose. Then, develop a company around the product. Design a logo! Set prices! Learn how to use and analyze spreadsheets and net worth statements. Create advertisements! Plan your marketing campaign, conquer the competition, and acquire a variety of new computer skills. Tuition & fees: $165.

NCTEC-CC015-01 July 15-19
Black Rocket Productions

GAME LABS 3D WITH UNITY
(AGES 10-14)

Are you ready to take your game design skills to another level? With Unity, an industry-grade design software, aspiring game designers will learn level editing, 3D modeling, impactful gameplay creation, as well as how to utilize scripts and variables. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years. Tuition & fees: $195.

NCTEC-CC033-01 July 15-19 1-4pm
Black Rocket Productions
MAKE YOUR FIRST 3D VIDEO GAME!
(AGES 7-10)
In this Black Rocket classic, you will go well beyond the limitations of the traditional 2D game design classes and create an immersive 3D world. Students will learn the physics behind 3D games, explore beginner event scripting, level design, controlling the flow of gameplay, and storytelling. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. Tuition and fees: $195.
NCTEC-CC009-01 July 15-19 8:30-11:30am
Black Rocket Productions

MAKE YOUR FIRST VIDEO GAME
(AGES 7-14)
If you love playing video games, this is the camp for you! Make your first video game in this one-of-a-kind class that shows you the keys to designing your first 2-D platformer game. Conceptualization, play experience, level, design graphics, sounds, and simple coding are just some of the concepts that we’ll explore. No prior experience necessary, just a desire to have fun. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Games are only compatible on PC computers. Mac versions can be created after the program for a $15.00 conversion fee. Students will work in teams for most of the program. Returning students can create more advanced projects that build on previous years. Tuition & fees: $195.

MINECRAFT® ANIMATORS
(AGES 10-14)
Bring your favorite Minecraft® characters to life in an animated short film! Learn how studios like Pixar® and Disney® make movies like Inside Out® and Frozen® through using techniques like keyframing, tweening, texturing and animating rigged 3-D models! Student projects will be available on a password protected website to share with friends and family. You do not need to own a Minecraft® account to use the software in this class. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years. Tuition & fees: $195.
NCTEC-CC022-01 July 22-26 8:30-11:30am
Black Rocket Productions

MINECRAFT® DESIGNERS
(AGES 7-10)
If you love the game Minecraft, and always wanted to design your own world, this class is for you! Learn how to create a custom map, the basics of creating 3D models using a new software to design your very own objects, how to build with Redstone and Command blocks, and create custom textures for you to import at home or share with friends. Parent email address is required to use 3D modeling software. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years. Tuition & fees: $195.
NCTEC-CC010-01 July 22-26 1-4pm
Black Rocket Productions

Minecraft® Modders
(AGES 7-14)
Use your favorite game to learn the basics of modding and foundations of programming. Learn scripting and logic statements as you create your first mod! Introductory coding will also be taught through a simulated environment inspired by Minecraft®. Student projects will be available on a Black Rocket website to share with friends and family. Students must own a Java version of Minecraft. Students will work in teams, or pairs for most of the program. Returning students can create more advanced projects that build on previous years. Tuition & fees: $195.

Black Rocket Productions
VIDEO GAME ANIMATION
(AGES 7-10)
Take your game design skills to the next level by creating and animating your own character sprites, objects, and backgrounds. Start with a name, develop the character’s personality, signature moves, special powers, and a story line. Finish with a fully animated character to be used in your very own game. Students do not need any prior experience in game design, animation, or sketching. Student-created games will be available on a password protected website to share with friends and family. Games are only compatible on PC computers; Mac versions can be created after the program for a $15.00 conversion fee. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years. Tuition & fees: $195.
NCTEC-CC036-01 July 29-Aug 2 8:30-11:30am (Ages 10-14 preferred)
NCTEC-CC036-02 Aug 5-9 8:30-11:30am (Ages 8-11 preferred)
NCTEC-CC036-03 Aug 5-9 1-4pm (Ages 10-14 preferred)
Black Rocket Productions

ROBLOX® MAKERS
(AGES 7-14)
Unlock the power of ROBLOX Studio, the world creation tool used by real world ROBLOX developers! Learn how to build 3D models and create an adventure in your ROBLOX world. Bring characters to life with unique animations you design. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. Tuition & fees: $195.
NCTEC-CC041-01 July 29-Aug 2 8:30-11:30am (Ages 7-10 preferred)

ECOVENTURE
(AGES 11-16)
See page 24 for course description.
NCREC-CC009-01 Aug 12-16 8:30am-4pm
Enrichment Camps
FOR BOYS AND GIRLS AGES 6-16

BUILD YOUR OWN GUITAR (AGES 13-16)
Does your child love guitars? Is your child curious about how they work? With this camp your child will design, paint, and construct a real electric guitar. Students will have fun learning all about the electric guitar. This camp will teach students how to identify the parts, replace and tune the strings, and to set up and adjust the guitar neck. Sessions will also cover proper intonation and guitar care and maintenance. Students will go home with a quality electric guitar that they built and designed themselves. Tuition & fees: $540 ($365 + $175 material fee).
NCENR-CC027-01 Aug 12-16 8:30am-4pm East Coast Recording

COUNSELOR IN TRAINING (AGES 15-16)
Requirement: Applicant must be entering 10th or 11th grade. A Counselor in Training, or CIT, plays an important role in Camp College’s summer program. The program is designed to teach valuable leadership skills which will help prepare you for the future. You will learn important life lessons on respect, responsibility, caring and honesty. As a CIT you will assist the Camp College staff with all activities, classes and events. You will be placed in a leadership position to serve as a role model for campers. Along with the application and reference letters, we will be conducting interviews with each prospective CIT. Visit www.mccc.edu/campcollege to download an application. Tuition & fees: $575.
NCENR-CC008-01 July 8-Aug 16 8am-4:30pm

INTRO TO FILM & TV: ACTING AND BEHIND THE SCENES (AGES 9-15)
Campers will work as cast and crew teams in this cool camp. They will learn basic levels of acting, directing, voice-over, operating the camera and working on green screen. Scriptwriting, storyboarding and improvisation will also be introduced. Each day is different as they create projects as commercials, film scenes, music videos and public service announcements. A huge benefit of this camp is increasing memory, reading skills and confidence. They will truly learn the basics of the biz... Included in this camp is a professionally edited flash drive for lifetime keepsake. (Please allow up to 3 months for editing.) Casting Director, Kathy Wickline, CSA holds over 10,000 casting credits in film, commercials and TV. Tuition & fees: $365.
NCENR-CC010-01 Aug 5-9 8:30am-4pm Wickline Casting

MUSIC & VOICE PRODUCTION (AGES 10-15)
This one-of-a-kind camp designed by a GRAMMY award winning music producer and two-time Parent's Choice Gold winner offers campers an actual recording studio experience by introducing them to the amazing world of the music industry. Campers will have a blast developing their skills in songwriting, music recording, voice-overs and audio equipment operation. Work interchangeably as talent and/or crew, behind the scenes or behind the microphone. Learn vocal warm-up routines, perform voice-overs and tv/radio announcements, and sing karaoke to favorite songs. The best part is they will have the unique opportunity to create their very own song from start to finish and record it live! Campers will receive one professionally edited audio CD that contains all of their camp recordings for the week. Tuition & fees: $365.
NCENR-CC015-01 July 22-26 8:30am-4pm East Coast Recording

POP STAR SINGING (AGES 6-10)
If your child enjoys singing and performing, then this is the class for your up-and-coming superstar! Not only will your child have a blast singing and performing their favorite karaoke songs, but we will also provide silly dress ups and props so your child can perform and look like their favorite pop star. On the final day of camp, all performances will be video-recorded and made available online for you to view and enjoy. While having fun, students will also learn basic vocal warm-ups and performance tips that will help build their confidence. Students will also play singing games similar to lip-sync competition and Name That Tune. This is a super-fun class! Some dress ups and props are provided; however, campers are welcome to bring their own favorite costumes as well! Tuition & fees: $175.
NCENR-CC026-01 Aug 5-9 8:30-11:30am East Coast Recording
AMUSEMENT PARK PHYSICS  
(AGES 9-13)  
Ever wonder how they design and build those crazy roller coasters and other amusement park rides? Join us and learn about friction, gravity, momentum, velocity, and other effects of force and motion as they relate to theme park rides. We’ll design, construct, and test loop-the-loops, marble catchers, ball machines, Ferris wheels, swinging amusement rides, and more. This is the way to experiment and build as you learn physics concepts in a fun and activity-based atmosphere! Tuition & fees: $175.

NCSCI-CC008-01 June 24-28 1-4pm  
NCSCI-CC008-02 July 22-26 8:30-11:30am  
Super Science Programs for Kids  

ARCHITECTURE AND ENGINEERING CHALLENGES  
(AGES 9-13)  
Architecture and engineering are the focus of this program. You will work to design and build towers, bridges and a wide array of Lego® and K'nex™ architecture projects. Have fun building famous Lego® architectural designs from around the world. These include famous buildings such as the Whitehouse, the Capitol, and Buckingham Palace! You will also build other structures including earthquake proof towers, tall buildings of your own design, and more using a variety of materials including Zometool™, KEVA™ blocks, balsawood, straws, and even paper. Have fun learning about structural engineering principles and forces that act on structures. Develop science, technology, engineering and mathematics skills in a fun, hands-on environment. Tuition & fees: $175.

NCSCI-CC001-01 July 8-12 8:30-11:30am  
Super Science for Kids  

Science Camp  
FOR BOYS AND GIRLS AGES 6-14  

BATTLE-BOTS & ROBOTIC FUN  
(AGES 6-13)  
Have fun building and creating using your imagination. Campers will construct a wide range of robot projects throughout the week. Projects will include constructing a Battle-Bot from our huge Robotix™ modular collection, participating in our robot tug-o’ war, Olympic competition, soccer match, and more. Campers will learn engineering principles in a fun, hands-on atmosphere. This camp focuses on building modular robots from your imagination. Coding is not a focus in this class. All campers will take home a Hexbug robot. Tuition & fees: $175.

NCSCI-CC009-01 June 24-28 8:30-11:30am  
(Ages 9-13 preferred)  
NCSCI-CC009-02 July 1-5* 1-4pm

(Ages 9-13 preferred)  
NCSCI-CC009-04 Aug 12-16 1-4pm  
(Ages 6-10 preferred)  
No class July 4. Tuition & fees: $140.  
Super Science for Kids  

CHEMICAL WIZARDRY  
(AGES 6-10)  
Get ready for a fun-filled “magical” laboratory experience Harry Potter™ style. Enjoy making Flubber, Silly Putty, Super Hi-Bounce balls, and more. Have fun making light inside of a glow bottle, a mushroom monster, play dough, Glowing Goo, and even a tye-dye style shirt. We will create atomic worm polymers and lava lamp-like blobs. We will also demonstrate the Big Bang Cannon, diet Coke and Mentos Geyser, Magic Genie in the bottle, volcano and more. Learning concepts include atoms and bonding, chemical reactions, polymer chemistry, and more. All campers will take home projects made in class, a mini-chemistry kit & recipe booklet. Please bring a 100% white cotton T-shirt to the second class. Tuition & fees: $175.

NCSCI-CC010-02 July 22-26 1-4pm  
Super Science for Kids
COMPUTER PROGRAMMING WITH OZOBOT™, MAKEY MAKE & SCRATCH
(AGES 9-13)
Have fun expanding your horizons with the help of Ozobot™ — the tiny smart robot. There is no end to the possibilities, as you create a different landscape of adventures, games and coding with Ozobot™. Imagine, a learning toy that opens the doors of computer science, STEM education, robotics and coding with simple color-coded commands and “Ozoblocky,” a coding language powered by Google’s Blockly program. Ozobot™ Bit’s ability to learn your programs, and then play them back is a big game changer to how young minds play and learn. OzoBlockly – a block-based visual editor — offers five step up modes from Novice to Master to appeal to young kids and even to challenge the seasoned programmer. Campers will use markers, tablets and laptops for coding. Tuition & fees: $175.
NCSCI-CC027-01 Aug 5-9 8:30-11:30am
Super Science for Kids

CREATIVE DESIGN & ROBOTICS
(AGES 7-14)
The world of the future belongs to…robots! Students will learn the fundamentals of motorized mechanisms, design principles, sensors, and sound activation. Separate fact from fantasy by designing and building prototypes of task-oriented robots. Learn problem-solving to improve how their robots function in a series of design challenges! Students will work in pairs or teams for most of the program. Tuition & fees: $195.
NCSCI-CC003-03 July 22-26 8:30-11:30am
NCSCI-CC003-04 July 22-26 1-4pm
(Ages 7-10 preferred)
Black Rocket Productions

CSI (Crime Scene Investigation)
SCIENCE
(AGES 6-10)
Become a Super Science Sleuth! Learn about forensics, crime scene investigations and crime lab chemistry as you perform experiments designed to show you just how those tricky cases are solved. Search for evidence, gather clues, and discover how science can help solve a mystery! Dust for and classify fingerprints, analyze handwriting, test for blood type and DNA using simulated blood, and use “Glow Blood” to see where humans can’t see. Examine hair and clothing fibers, practice chemistry to identify mystery substances, and much more. Tuition & fees: $175.

DIGGIN’ FOR DINOSAURS, ROCKIN’ ROCKS & CRYSTAL CREATIONS
(AGES 6-10)
Young scientists will discover the exciting science of archaeology and paleontology as they excavate and assemble complete skeletal replicas from simulated “fossilized” rock. Dig for T-Rex, Triceratops, Stegosaurus, Velociraptors, Brachiosaurus, and more! Make fossilized plaster replicas of dinosaur teeth, claws, trilobites and ancient sea creatures. Sort, classify and take home a variety of fossilized shark teeth. Unearth some fascinating facts about rocks, minerals and crystals. Break open geodes and discover crystals inside. Take home a unique mini collection of rocks, minerals, and crystals that you will learn about in the program, a rock and mineral book, unearthed treasures, fossilized shark teeth and more. Tuition & fees: $140.
NCSCI-CC013-01 July 1-5* 8:30-11:30am
No class July 4.
Super Science Programs for Kids
DRONES & FLYING PHYSICS
(AGES 9-13)
Take to the skies with mini drones, quadcopters, and more! Housing a thrilling, hands-on aerial robotics platform, this camp is the perfect introduction to the world of unmanned aerial vehicles (UAVs). In this camp, safety is a priority as students learn to fly in first-person view (FPV), exploring the real-world applications of drones. Students go through Droneology, the online drone education platform, master basic piloting skills, construct an obstacle course to fly through and stage a final race to showcase their cumulative knowledge. Putting critical thinking to the test, campers will brainstorm ways drones could be used for good, sketching out their ideas for new and innovative drones and drone uses. All students will take home their own mini-drone and flying gadgets made in class. Tuition & fees: $175.
NCSCI-CC048-01 July 15-19 1-4pm
NCSCI-CC048-02 Aug 12-16 8:30-11:30am
Super Science for Kids

EUREKA! TAKE FLIGHT TO THE FUTURE
(AGES 9-13)
Calling all innovators! Bring your imagination and let it SOAR as you create a squadron of paper airplanes the Wright brothers would be proud of! Explore technological advances in flight: hot air balloons, flying machines, and spacecraft. Launch a variety of stomp rockets, and even take one home! Learn about lasers, microgravity, and space stations. Become inspired by Verne and Asimov and build submarines; brainstorm the telecommunications and transportation of the future. This camp culminates with campers building their own sci-fi inspired light sabers that they can take home, along with their dreams! The Future is Now! Tuition & fees: $175.
NCSCI-CC049-01 July 15-19 1-4pm
Mad Science

INTRODUCTION TO LEGO EV3 ROBOTICS
(AGES 9-13)
Have fun building, designing, and programming robots with Lego Mindstorms. Build robot projects and creations that use working sensors and motors. LEGO MINDSTORMS combines the unlimited versatility of the LEGO building system with an intelligent microcomputer brick and intuitive drag-and-drop programming software. No prior robotic or programming experience is necessary for this introductory course. All students will take home a Hexbug robot as part of this program. Tuition & fees: $175.
NCSCI-CC047-01 Aug 12-16 8:30-11:30am
Super Science for Kids
MISSION: CODE
(AGES 9-13)
Discover the world of coding! All digital games, apps, computers, websites, and machines need programs to run; learn to code like real programmers do! Join in a scavenger hunt, solve puzzles, play tag, unravel the secrets of the Hanoi Tower, and learn coding skills in our online gaming environment. Collaborate with fellow Mad Scientists, identify problems, test solutions, and debug your programs. This is your <Mission:Code> should you choose to accept it!
Tuition & fees: $142.
NCSCI-CC050-01 July 1-5* 8:30-11:30am
*No class July 4.
Mad Science

LEGO® WeDo ROBOTICS
(AGES 6-10)
Students will build Lego ® models featuring working motors and sensors, program their models on laptop computers, and participate in new unique WeDo challenges. Students will develop their skills in Science, Technology, Engineering, and Mathematics. Students will use simple drag and drop software and a lap top computer to actually learn how to program robots made from Legos®. This program makes elementary science come to life through hands-on tasks, real-world projects, and relevant technology that engages students. Through project-based activities, students’ skills are enhanced across science, engineering, technology, and coding. The unique combination of the LEGO brick, classroom-friendly software, and inspiring, standards-based science projects results in a resource that builds students’ confidence. Tuition & fees: $175
NCSCI-CC007-02 July 22-26 8:30-11:30am
Super Science for Kids

MOTORIZED LEGO® MAKER MACHINES
(AGES 6-10)
LEGO enthusiasts, have fun building and designing a wide variety of machines and mechanisms that will help to solve everyday problems! Each day our campers will be given one or more real-world or simulated problems. Campers will then design and construct solutions to these problems using a wide assortment of motorized Lego mechanisms. At the same time, we will learn about machines, gears, robotics, forces and motion, physics concepts, and more. Have fun working with a team, solving real-world problems, and building a wide assortment of unique LEGO projects! All campers will take home a LEGO project designed and made in class. Tuition & fees: $175.

New Camper Registration Begins January 28th
Avoid disappointment of filled classes. Register early!
NASA: JOURNEY INTO OUTER SPACE
(AGES 6-13)
Mad Science has teamed up with NASA in a quest for exploration! We’ll take a voyage of discovery into the atmosphere and beyond as we explore planets, moons, and other space phenomena in our solar system. Things will heat up as we examine the sun and other stars and discover the difficulties of space travel! Kids will get a firsthand experience of the challenges of living in space as they try to assemble a satellite while training to be an astronaut. Kids will love to build their own Mad Science rocket, and participate in a real “NASA” style rocket launch. Campers will have lots of projects to make and many cool NASA take-homes, including a gravity assisted launcher, a Shuttle Copter, and more! Mad Science is the ONLY organization licensed by NASA to use these activities for Summer Camps. This Camp is Out of this World.
Tuition & fees: $175.
NCSCI-CC051-01 Aug 5-9 8:30-11:30am
(Ages 6-10 preferred)
NCSCI-CC051-02 Aug 12-16 1-4pm
(Ages 9-13 preferred)
Mad Science

STEM INVENTIONS WITH LITTLE BITS™
(AGES 6-10)
In this invention workshop, students enhance their skills with a great new system of discovery called LittleBits. LittleBits is a platform of easy-to-use electronic building blocks that empower you to invent anything - from your own remote controlled car, to a smart home device. The Bits snap together with magnets, no soldering, no wiring, and no programming is needed. In our program, students will begin with several inventions designed to let them figure out how the components go together, and then they will design and create their own inventions.
Tuition & fees: $175.
NCSCI-CC031-01 July 15-19 1-4pm
Super Science for Kids

STEM SPORTS
(AGES 9-13)
This program will explore the science, technology, engineering and mathematics related to popular sports. Students will incorporate their love of sports with lessons related to force, momentum, energy, and a wealth of other topics. Through a popular project-based curriculum, students will learn how to shoot and aim a basketball or kick a soccer ball, while also discovering the science behind each move. Students will work with basketball, football, soccer, volleyball, and more. Additionally, students will have fun designing and inventing their own Q-Tip archery shooter, baseball or gymnastics safety equipment, indoor simulated luge track and more. Tuition & fees: $175.
NCSCI-CC052-01 July 8-12 1-4pm
NCSCI-CC052-02 July 22-26 1-4pm
Super Science for Kids

Looking For More?
Our full-day ECOVENTURE offers off-campus adventures. At SEA CAMP, students work with experienced environmental instructors in the outdoor "Laboratory" of Sandy Hook. See pg. 24 for details.
SUPER SCIENCE MAKE & TAKE
(AGES 6-10)
Discover the excitement of science and make a variety of toys designed to illustrate science concepts that make learning fun. Most of the projects can be taken home as they are made throughout the week. Make your own working telescope as you learn about optics and light. Construct an electro-magnet and a working electric motor. Build an adjustable, ball-launching catapult that changes the trajectory of a flinging projectile. Create a working model of Hero of Alexandria’s fountain or a vortex tornado in a bottle. Make ultra-violet bead bracelets, a working compass, submarine divers, and more. Projects will vary by age level and instructions will be taught in more depth for older students. Tuition & fees: $175.
NCSCI-CC020-02 July 15-19 8:30-11:30am
Super Science Programs for Kids

SUPER SCIENCE STEM CHALLENGES
(AGES 9-13)
In this engineering camp, you will have fun integrating Science, Technology, Engineering, and Mathematics by building and designing a wide range of gadgets, inventive machines, towers, crazy contraptions, and more. Projects included are the Great Tower Challenge, the Standing Cup Pyramid Challenge, design a hurricane proof tower, Wooden Coaster Challenge, Structural Engineering Challenge, Magnificent Marble Machine, and a host of other fun contests designed to bring out the engineer in you! Campers will take home several of the projects built in class. Tuition & fees: $175.
NCSCI-CC032-01 July 29-Aug 2 1-4pm
Super Science for Kids

SURVIVAL: CALL OF THE WILD
(AGES 9-13)
Learn how birds and beasts catch their prey! Flow through the food chain and discover how animals and insects adapt to life on our planet. Explore how a change in the wind, water, and temperature affects all of Earth’s inhabitants. Build a wooden birdhouse to take home, learn about scent trails, build a bug house for your favorite creepy-crawly critters and make plaster animal tracks. Take a walk on the WILD side! Tuition & fees: $142.
NCSCI-CC035-01 July 1-5* 1-4pm
*No class July 4.

Recreational Camps

FISHING CAMP (AGES 10-14)
Discover fishing in our state’s lakes, streams, ponds, and a piece of the Atlantic Ocean. Learn successful techniques and clever tricks that will help you catch the big ones! Set off on a different adventure and location each day. Depending upon the weather, your destinations will include the Pequest Trout Hatchery and a half-day saltwater boat excursion off of the Atlantic Highlands. Bring a fishing rod, reel and tackle box. Tuition & fees: $365. (Includes transportation) NCREC-CC004-01 July 8-12 8:30am-4pm NCREC-CC004-02 July 29-Aug 2 8:30am-4pm Visit www.mccc.edu/campcollege for trip information in April 2019.

JUNIOR GOLF CAMP (AGES 9-14)
This unique learning opportunity, under the direction of certified teaching professionals, is designed to help junior golfers become better players. This FUN-filled camp, utilizing every part of our fabulous facility at Springfield Golf Center in Mt. Holly, NJ is open to players of all skill and experience levels. It offers an exciting and educational curriculum that will make your game more successful and enjoyable. Campers may bring their own equipment or use ours! Visit mccc.edu/campcollege for full itinerary. Tuition & fees: $399.00 (Includes lunch and transportation) NCREC-CC007-01 July 15-19 8:30am–4pm

JUNIOR GOLF CAMP (AGES 7-14)
This low intensity camp is a “great” introduction to golf with lots of exciting activities. It is open to players of all skill levels. The seamless curriculum focuses on the FUN-damentals, providing a strong base for the newer player. All aspects of the game will be covered. This camp that utilizes all areas of the Springfield Golf Center in Mt. Holly, NJ is always a big hit! Campers may bring their own equipment or use ours! Tuition & fees: $199.00 (Includes transportation) NCREC-CC007-02 July 15-19 8:30am-12:30pm

ROCK CLIMBING CAMP (AGES 9-14)
Note: Release Liability Form available on website required with registration.
Develop a new passion for fun at Rockville Climbing Center. Learn to climb in a safe, fun environment. Climbers will be assigned a belay partner, someone to handle the safety ropes while climbing. No previous skills are required, but safety rules will be strictly enforced. On the final day of camp, participants will enjoy time at the pool to unwind and relax any tired muscles. Unleash that energy and go for the fun and thrill of it all! Tuition & fees: $365. (Includes transportation) NCREC-CC006-01 July 15-19 8:30am-4pm
Be Adventurous

“Friendly Froglets” Program

Our 6-year old program is designed to specifically meet the needs of our youngest campers. Their day will be similar to that of the school year day allowing the teachers more freedom in their lessons. Under constant, careful supervision of experienced and certified instructors and our trained camp counselors, our Friendly Froglets will be encouraged to participate in a wide range of multi-cultural activities, arts and crafts, outdoor sports, reading, science, math and many other organized activities. The limited number of campers in each group allows the teachers to give much needed individualized attention to each child.

This program allows our little ones the opportunity to play constructively, learn the importance of socialization, sharing and cooperation and becoming more independent. Campers will follow a daily schedule which will enable them to be active and to enjoy the same great fun as the older campers, but at a more relaxed pace.

Beginner Swim is an option for our 6-yr-olds. IT IS NOT INCLUDED IN THE FRIENDLY FROGLETs PROGRAM – YOU MUST PLACE A CHECK IN THE BOX IF YOUR CHILD IS INTERested. Instructional swim lessons will run for 45 minutes from 12:15 to 1pm. Please select the box if you would like your child to participate. Please remember to have your child bring a towel and swimsuit.

□ Swim

SESSION I: JUNE 24-JULY 18

(Write 1-8 in order of choice Morning & Afternoon) (1=favorite; 8=least favorite)

Morning Courses  N = New Class

- Animal Art
- A Stitch in Time (1st session)
- Bandana Boutique (9 only)
- Basic Art (1st session)
- Beginner Swim/Instructional
- Body Sense
- Build It, Move It (1st session)
- Cheerleading
- Clay-tastic
- Dance, Dance, Dance!
- Disc Golf/Frisbee (9 only)
- Flag Football
- Fun with Math
- Geocaching
- Jedi Academy
- Jewelry Making
- Jump Roping Fun (1st session)
- Mrs. Ports & Chip Bubbling Tea Time N (1st session)
- My Passport to the World
- Power Up (1st session)
- Reading Booster (1st session)
- Recess Fun
- Scratch for Young Coders N (1st session)
- Set Design (9 only)
- Soccer
- Sports & Games
- Watercolor Painting
- Writing & Illustrating

Afternoon Courses  N = New Class

- Amazing Adventures of Magic Tree House
- American Girl Favorites (1st session)
- Animation Appreciation N (9 only)
- Beach Sports
- Beat the Heat Board Games
- Broadway Love
- Build a Business N (9 only) (1st session)
- Camp Choir
- Chocolate Factory
- Clay-tastic
- Comic Book Creations (1st session)
- Computer Fun
- Crafty Kids (1st session)
- Dino Adventures (1st session)
- Disney Delights
- Hip Hop
- Intro to Printmaking N (9 only)
- Juggling for Beginners (8-9 only)
- Kooky Science
- Lego Mania
- Lost in Space (1st session)
- Martial Arts
- Recreational Swim Water Fun (8-9 only)
- Rock Art N
- Skill Toys & Circus Fun (8-9 only)
- Summer Math Challenge
- Summer Reading Challenge
- Traveling Fortress & Castle Builders N (1st session)
- Ultimate Frisbee (9 only)
- Woodworking

SESSION II: JULY 22-AUGUST 15

Morning Courses  N = New Class

- Animation Appreciation N (9 only)
- Beginner Swim/Instructional
- Body Sense
- Card Game Craze (2nd session)
- Cheerleading
- Clay-tastic
- Colonial Capers (2nd session)
- Dance, Dance, Dance!
- Flag Football
- Fun with Math
- Graphic Design on a Dime N (9 only) (2nd session)
- Jedi Academy
- Jewelry Making
- Juggling for Beginners (8-9 only)
- Math Booster Club (9 only) (2nd session)
- My Passport to the World
- Pokemon Adventures (2nd session)
- Powerful Presentations (9 only) (2nd session)
- Project Vex (2nd session)
- Recess Fun
- Set Design (9 only)
- Soccer
- Sports & Games
- Watercolor Painting
- Writing & Illustrating

CAMP COLLEGE 2019
CAMPER CODE OF CONDUCT AGREEMENT
Please Review Our Camp Mission and Code of Behavior on Page 59

Camper Name (please print)

I will always have the opportunity to meet with the Camp Administrator/Director to tell my side of any incident that is being reported to the camp office.

1. I will remain with my camp program or trip at all times and will not leave without a camp administrator's permission. I will move about the corridors in a quiet and orderly fashion.

2. I will not bring expensive jewelry, electronic games, cellphones, trading cards, dolls or comics to camp. MCCC will not be responsible for lost or stolen items.

3. I will respect camp property, off-site facilities, and all bus transportation and rules. I will not chew gum at camp. If I willfully destroy property or equipment, monetary reimbursement will be required.

4. I will obey fire drill safety and never pull or play with a fire alarm.

5. I will respect personal property of campers and staff and not take anything that doesn't belong to me.

6. I will be a good camp friend and not fight or instigate a fight. I will not hurt anyone with unkind words or actions. Any object that may hurt or place another person in fear of his/her safety may be considered a weapon and is cause for serious disciplinary action that could include immediate expulsion from camp. The camp director will investigate and resolve any safety issue immediately.

7. I will show respect for everyone and only use appropriate language and gestures at camp.

8. I will obey Internet safety rules as instructed by my teacher. Failure to obey Internet safety may include immediate expulsion from camp.

9. I understand that MCCC has a zero tolerance for bullying of any kind.

10. If I am dismissed from class for misconduct, I will not be given a refund.

_____________________________________________  ___________________
Parent/Guardian Signature Date

** NOTE TO PARENT: I WILL NOT DROP MY CHILD OFF UNATTENDED AT ANY TIME DURING MY CHILD'S ATTENDANCE AT CAMP COLLEGE.

Parent/Guardian Signature (for parent) Date

A completed Camper Code of Conduct Agreement, Health History and Medical Authorization must be submitted each year with every Camp Application.
MERCER COUNTY COMMUNITY COLLEGE—SUMMER CAMPS
HEALTH HISTORY & MEDICAL AUTHORIZATION FOR ALL PERSONS UNDER AGE 18

This form must be completed with immunization dates and returned with EACH camp application.
NOTE: A doctor’s signature is NOT required on this form.

Daytime Phone: ____________________________

PLEASE COMPLETE THE FOLLOWING:
For the safety of your child, do not withhold any pertinent medical information.

1. Were you ever advised not to allow this child to play in any sports?   _____ YES*   _____ NO

2. List any malfunction or loss of an organ: ______________________________________________________

3. List any allergies including bee stings, peanuts, hives, asthma: __________________________________

4. Currently under physician’s care for: __________________________________________________________

5. Current medications being taken: ______________________________________________________________

6. Will your child need medication at camp?   N   Y Name of Medication

If yes, please bring medication and doctor’s signed authorization to the nurse on the first day your child attends camp. Does your child currently have an IEP, 504, or Special Accommodations during the School year? If yes, please attach appropriate documentation.

7. Has this child:
   (a) had difficulty with sight?   _____ YES*   _____ NO
   (b) had difficulty with hearing?   _____ YES*   _____ NO
   (c) ever been unconscious after an injury?   _____ YES*   _____ NO
   (d) had a fracture or dislocation within the last three years?   _____ YES*   _____ NO
   (e) ever experienced high blood pressure?   _____ YES*   _____ NO
   (f) ever experienced chest pain/palpitations?   _____ YES*   _____ NO
   (g) had to stay in the hospital overnight within the last year?   _____ YES*   _____ NO
   (h) other ________________________________________________________________

8. Does this child have a history of:
   (a) fainting with exercise?   _____ YES*   _____ NO
   (b) undue tiredness/fatigue?   _____ YES*   _____ NO
   (c) a family member having sudden unexplained death under the age of 40?   _____ YES*   _____ NO

* Please explain (attach extra pages if necessary.)

According to state law, all campers must be immunized or submit a statement from a physician that immunization is in progress.** IMPORTANT: ATTACH A CURRENT COPY OF IMMUNIZATION RECORD FROM DOCTOR’S OFFICE.

If an emergency illness or injury occurs, I (parent/guardian) hereby authorize Mercer County Community College to treat and/or send this person to a physician or hospital and authorize the necessary treatment. I also authorize the physician or hospital to release my child after treatment to a representative of Mercer County Community College. My child's medical insurance carrier is ___________________.

I authorize MCCC to share pertinent health information with camp staff as needed to safeguard my child's health. My hospital of choice is ___________________. All information on this form is complete, true and accurate to the best of my knowledge.

SIGNATURE OF PARENT/GUARDIAN____________________ DATE________________

**NOTE
1. If there is a religious exemption to immunization of a child, a written statement must be submitted and signed stating that the child is in good health, that you (the parent) will assume full responsibility for his/her health while in camp, and that immunization interferes with the free exercise of the campers' religious rights.

2. If immunization is contraindicated for medical reasons, the parent or guardian shall submit to the camp a written statement signed by a licensed physician, indicating both the reason and length of the medical contraindication.

A COMPLETED COPY OF THIS FORM MUST BE SUBMITTED WITH EACH CAMP APPLICATION
Camper Pick Up Authorization

For your child’s safety, a valid picture ID authorizes your child’s release to the bearer of the card. Name listed below must be identical to drivers license or other picture ID. Campers will not be released without personal identification. If you need emergency camper pick up, you must send a note or call the camp office at (609) 570-3773. ID’s must be in English (include the person’s full name, relationship, and phone number, no nicknames please).

Before-Camp Care

If you would like your child to participate in an extended day program that allows you to bring your camper to MCCC as early as 7:15am, you should enroll your child in MCCC’s “Early Bird BEFORE-CAMP” program. Early Bird participants may purchase breakfast in the Campus Eatery and will participate in supervised activities on campus during the weeks and days listed below. Experienced camp staff will ensure your child’s safety and prompt check-in at their regularly scheduled camp programs. You may enroll for any or all of the weeks in which your child is attending camp. To register see pg. 55. DAILY REGISTRATIONS NOT PERMITTED.

After-Camp Care

If you would like your child to remain on campus for an optional swim period and additional activities following his or her regular camp day, you can enroll your child in MCCC’s “AFTER-CAMP” program. Children enrolled in this program are escorted to a variety of supervised activities from 4-6pm, including a recreational swim period from 4-5:15pm, during the weeks and days listed below. You may enroll for any or all of the weeks in which your child is attending camp. See pg. 56 for List of Activities. DAILY REGISTRATIONS NOT PERMITTED.

*This form must be returned with your camp registration*
Summer Programs at MCCC
More Than Just Fun!

• **Camp College**—A four-week traditional camp of academic and recreational programs and half- and full-day arts, sciences, and recreational programs for ages 6-16.

• **Sports Camps**—A variety of one-week sports camps for ages 6-17. (609) 570-3779

• **Summer College for High School Students**—A unique opportunity for students who have completed at least one year of high school to earn from three to seven college credits. (609) 570-3795

• **SMILE, GEAR UP, and Community of Learners** are open to students who attend targeted secondary schools in the Trenton Public School District, for grades 7-12, to prepare them for success in high school and college. (609) 570-3158

• **Upward Bound** is offered to educationally and economically disadvantaged Trenton students who have the desire and potential to succeed in college. (609) 570-3155

**LOCATION**
More than 70 different summer programs, **full of variety and fun**, for young people will be offered at Mercer County Community College’s beautiful West Windsor Campus. The 292-acre campus is located five miles south of Princeton on Old Trenton Road in West Windsor/Hamilton Townships, bordering Mercer County Park. The James Kerney campus, conveniently located at N. Broad and Academy Streets in downtown Trenton, offers equally popular SMILE, GEAR UP, and Upward Bound programs for youth who attend the Trenton Public School District. For directions to the college call (609) 586-4800 or online at www.mccc.edu.

**TOP-NOTCH FACILITIES**
- Fully equipped “state of the art” computer and technology labs
- A variety of art studios
- A 400-seat professional theater
- Air-conditioned buildings
- Indoor Olympic size swimming pool
- Athletic fields
- College cafeteria serving a variety of hot and cold breakfast and lunch items
Camp College

fun in the sun
Camp College

OUR MISSION

Camp College provides the finest camp experience for children, an experience that will be remembered for a lifetime. Committed to quality and excellence in every aspect of the summer experience, Camp College carefully designs programs and activities, maintains a dedicated and experienced staff, and provides a caring and safe environment with state-of-the-art facilities. With an emphasis on hands-on activities and fun, children have the opportunity to achieve, gain self-esteem and confidence, explore new interests and develop lifelong memories and friendships.

OUR CODE OF BEHAVIOR

Our camper code of behavior is designed to create an environment that allows campers to learn, teachers to teach, and our camp administrators and counselors to facilitate the instruction. We believe that good discipline at camp is essential to the safety and well being of everyone. We also believe that the basic goals of our programs include the promotion of courteous conduct, consideration toward other people, and respect for the rights of everyone.

With the full cooperation of parents or guardians, we look forward to an exciting, safe summer in which our campers respect rules and regulations. Mercer County Community College is in session and administrative offices are open for business, so it’s especially important that campers show respect for others and demonstrate appropriate behavior and language. Our staff always uses positive techniques to guide behavior, but disruptive activities cannot be tolerated and will be subject to the following disciplinary actions:

- 1st incident - verbal warning and parental notification.
- 2nd incident - a two-day suspension from camp. The director may require a parent conference before continued attendance is permitted.
- 3rd incident or at the discretion of the director - expulsion from Camp College, Before and After-Camp care, any programs, trips or activities associated with Camp College.

No refunds are issued for suspension or expulsion. On the first day of camp, participants and staff will review expected behavior at camp. Parents are expected to discuss this information with their child and return a signed agreement with their completed application. No camper will be admitted without a signed agreement.
Camp College Comments

My two girls are enrolled in the 2nd session of Camp College. They are 9 and 11, so I have had a chance to sample plenty of camps in the past years; however, I did not expect to be so thrilled by your operation. My 11 year old actually did voluntary homework over the weekend to prepare her piece for her debate class. She was so excited this morning “Wish me luck Mom” is what she said when she left my car. This is just a fabulous confidence builder for her entry into Middle School in September. My 9 year old is also having a ball with the swimming, campfire and meeting new friends. Your staff is also amazing. Seriously, they open the door to help the campers out of the car in the morning and tell you to have a good day. I feel like I have to pinch myself. Worth every penny! My only regret is that I didn’t hook them up at MCCC a couple years ago. Thanks,

Christine Donahue

I wanted to express my appreciation to the entire staff at Camp College for my son’s third year at camp. The first year Nick attended, the place seemed so huge to me and although he was thrilled, I was a little apprehensive. Now, he’s like a regular college student, knows where everything is and who everybody is. Your staff is wonderful. Natola was so nice when I came into the camp office one morning to let them know that my father-in-law had passed away the previous night and could the staff keep an eye on Nick. The CIT’s at the drop off circle are so nice, some days their “good morning” and “have a nice day” might be the nicest I hear while I deal 8 hours with the public on the phone. It is so comforting to have a CIT open my car door and greet my son by name. Anthony V. knows every parent and is always there with a nice greeting every day. I just wanted to give a thank you to the camp college staff for making our family happy campers.

Laura Canavera

My two sons ages 8 and 6 were first timers at Camp College and absolutely loved it! We had the opportunity to build their schedule based on their interest and wants, made new friends whom they are looking forward to seeing next summer. We absolutely loved the valet parking every morning, the diversity of the children and counselors. Staff was very attentive and made a huge impact on the kids. My children had an amazing experience and they are looking forward to the next summer adventure at Camp College!

Martha Redondo

This was our first summer at Camp College and we couldn't have been happier! My children are still talking about it. From the registration process to the final day, the staff, directors and counselors were friendly, helpful and professional. It is well organized and the kids had so much fun as they were able to choose amongst so many classes that they were interested in. They had so many great experiences and created bonds with the staff, counselors and campers. We can’t wait for next summer! If you are thinking about Camp College, don’t give it a second thought!

Cyndi Rossi
(Nico and Cali Holliday’s Mom)

Camp College was a huge hit with my six year old daughter!! This was her first experience at a Summer Camp that I, her Mother, did not work at, so you can understand my apprehension! Camp College lived up to my expectations and hers! She loved the classes, counselors, and all the planned activities. She made so many new friends, expressing how she can’t wait for next summer to “hang out’ with them again. Her enthusiasm and love for Camp College gives me peace of mind, knowing that while I can’t be there, my daughter is well taken care of and enjoying her “home away from home”!

Stacie-Anne Hannawacker

Matthew had a great experience with Camp College. This was his first camp experience and we were amazed with how easy it was for him to adjust to camp life. He loved his classes and counselors. Matthew wanted to stay at Camp College year round! He can't wait to come back this year!

Kristy Catalfo

We are blown away by the programs offered at Camp College! The offerings camp college provides are the best! My two kids’ first experience with any camp has been the crème de la crème of what childhood summer memories are made of! My 6 year old daughter started day one of her specialty camp, shy and hesitant; by day two – she darted out of the car and would barely wave goodbye, totally confident, and happy. My 7 year old son was engaged, and excited about what new things would be happening every day! The counselors are amazing, and the staff is always there to help a new camp parent, not only get comfortable, but feel confident about their choice. Fabulous experience all around, we will be back for many, many years to come.

Kindergarten - 2nd grade
9am-10am
Children explore movement and storytelling as they dramatize stories. Through creative drama, children develop expression and self-confidence. Meets for 10 Saturdays and culminates with a “SHARING” for family and friends.

INTERMEDIATE PATCH
3rd - 5th grade
10:15am-11:30am
Students explore all the elements of theater, becoming characters and cooperating with one another as they create their own improvisational scenes. Meets for 10 Saturdays and culminates with a “SHARING” for family and friends.

WINTER SESSION - $250
Jan.12, 19, 26, Feb. 2, 9, 16, 23, Mar. 2, 9, 16 2019  SHARING - Mar. 16, 2019

Tomato Patch 2019
Summer Workshops
Theater • Dance • Music • Video • Visual Arts

Classes meet Monday through Friday 8:45am-4:15pm.
Students select a major concentration in one of the areas, and spend two morning classes in these areas. After lunch, they are free to choose electives in other areas. Afternoon course offerings may include: stage makeup, children’s theater, improvisational theater, painting, drawing, jazz, musical theater, tap dance, hip hop, vocal ensemble, comedy, music video, web video and more. The sessions culminates with “The Evening Of The Arts,” a variety-style show. Before and After care is available for an additional fee.

Master Class:
Students entering 8th through 12th grades who have an interest in pursuing acting as a potential career path may sign up for this special 3 week class.

SESSION I
June 24 - July 12
3-week sessions
$725

SESSION II
July 22 - August 9
3-week sessions
$725

The Theater Master Class will focus on helping students learn how to prepare a polished audition piece, as well as further develop their skills in scene work. Students will learn all the “ins and outs” of show business: how to find jobs, audition, agents, headshots, etc. Each session culminates with an evening of theater. Before and After care is available for an additional fee.

Tomato Patch is the longest-running, most successful multi-disciplinary summer arts program in central New Jersey. Since 1973, over 6,200 junior and senior high school students have spent several weeks of their summer exploring the visual arts, dance, theater, and vocal music under the guidance of a highly qualified staff of teaching professional artists.
Come to a Camp College Information Session to learn more about our programs.
